3 This bill would bar public entities and public employees from
4 entering into confidential settlements of claims or actions where the
5 public entity is a party, except for matters involving national
6 security. The bill also provides that such settlements constitute
7 public records under the open public records laws.

11 appear on the indictment, complaint, or any other public record.
12 The bill specifically provides that it is not intended to affect this
13 requirement.

14 The bill provides that it shall not be deemed to preclude or
15 otherwise limit the provisions of the open public records laws.
