

**SENATE, No. 3063**

---

**STATE OF NEW JERSEY**  
**215th LEGISLATURE**

---

INTRODUCED DECEMBER 5, 2013

**Sponsored by:**

**Senator STEVEN V. OROHO**

**District 24 (Morris, Sussex and Warren)**

**Senator FRED H. MADDEN, JR.**

**District 4 (Camden and Gloucester)**

**SYNOPSIS**

Implements recommendations of the SCI report entitled “Scenes from an Epidemic” concerning prescription drug and heroin abuse.

**CURRENT VERSION OF TEXT**

As introduced.

1 AN ACT concerning drug abuse and amending and supplementing  
2 various parts of the statutory law.

3  
4 **BE IT ENACTED** *by the Senate and General Assembly of the State*  
5 *of New Jersey:*

6  
7 1. (New section) a. For the purposes of this section:

8 “Global positioning data warrant” means a warrant that permits a  
9 law enforcement agency to conduct time-correlated or continuous  
10 tracking of the geographic location of a specific suspect by  
11 attaching a global positioning system based on satellite and other  
12 location technology to any vehicle operated by the suspect, or any  
13 vehicle in which the suspect is a passenger; and

14 “Motor vehicle rental company” means any business entity or  
15 person engaged in renting motor vehicles to retail customers under  
16 a rental agreement.

17 b. A judge of competent jurisdiction may issue a global  
18 positioning data warrant if a law enforcement agency offers specific  
19 and articulable facts showing that there is probable cause to believe  
20 that tracking the geographic location of a specific suspect by  
21 attaching a global positioning system based on satellite and other  
22 location technology to any vehicle operated by that suspect, or  
23 vehicle in which a suspect is a passenger, is relevant and material to  
24 a criminal investigation. A global positioning data warrant may be  
25 issued by a judge to track the geographic location of a motor  
26 vehicle that is rented from a motor vehicle rental company.

27  
28 2. N.J.S.2C:35-5 is amended to read as follows:

29 Manufacturing, Distributing or Dispensing. a. Except as  
30 authorized by P.L.1970, c.226 (C.24:21-1 et seq.), it shall be  
31 unlawful for any person knowingly or purposely:

32 (1) To manufacture, distribute or dispense, or to possess or have  
33 under his control with intent to manufacture, distribute or dispense,  
34 a controlled dangerous substance or controlled substance analog; or

35 (2) To create, distribute, or possess or have under his control  
36 with intent to distribute, a counterfeit controlled dangerous  
37 substance.

38 b. Any person who violates subsection a. with respect to:

39 (1) Heroin, or its analog, or coca leaves and any salt, compound,  
40 derivative, or preparation of coca leaves, and any salt, compound,  
41 derivative, or preparation thereof which is chemically equivalent or  
42 identical with any of these substances, or analogs, except that the  
43 substances shall not include decocainized coca leaves or extractions  
44 which do not contain cocaine or ecogine, or 3,4-  
45 methylenedioxymethamphetamine or 3,4-

9 the second degree;

10 (b) Methamphetamine, or its analog, or phenyl-2-propanone  
11 (P2P), in a quantity of less than one-half ounce including any  
12 adulterants or dilutants is guilty of a crime of the third degree  
13 except that notwithstanding the provisions of subsection b. of  
14 N.J.S.2C:43-3, a fine of up to \$75,000.00 may be imposed;

15 (10) (a) Marijuana in a quantity of 25 pounds or more including  
16 any adulterants or dilutants, or 50 or more marijuana plants,  
17 regardless of weight, or hashish in a quantity of five pounds or  
18 more including any adulterants or dilutants, is guilty of a crime of  
19 the first degree. Notwithstanding the provisions of subsection a. of  
20 N.J.S.2C:43-3, a fine of up to \$300,000.00 may be imposed;

21 (b) Marijuana in a quantity of five pounds or more but less than  
22 25 pounds including any adulterants or dilutants, or 10 or more but  
23 fewer than 50 marijuana plants, regardless of weight, or hashish in a  
24 quantity of one pound or more but less than five pounds, including  
25 any adulterants and dilutants, is guilty of a crime of the second  
26 degree;

27 (11) Marijuana in a quantity of one ounce or more but less than  
28 five pounds including any adulterants or dilutants, or hashish in a  
29 quantity of five grams or more but less than one pound including  
30 any adulterants or dilutants, is guilty of a crime of the third degree  
31 except that, notwithstanding the provisions of subsection b. of  
32 N.J.S.2C:43-3, a fine of up to \$25,000.00 may be imposed;

33 (12) Marijuana in a quantity of less than one ounce including  
34 any adulterants or dilutants, or hashish in a quantity of less than five  
35 grams including any adulterants or dilutants, is guilty of a crime of  
36 the fourth degree;

37 (13) Any other controlled dangerous substance classified in  
38 Schedule I, II, III or IV, or its analog, is guilty of a crime of the  
39 third degree, except that, notwithstanding the provisions of  
40 subsection b. of N.J.S.2C:43-3, a fine of up to \$25,000.00 may be  
41 imposed; or

42 (14) Any Schedule V substance, or its analog, is guilty of a  
43 crime of the fourth degree except that, notwithstanding the  
44 provisions of subsection b. of N.J.S.2C:43-3, a fine of up to  
45 \$25,000.00 may be imposed.

46 c. Where the degree of the offense for violation of this section  
47 depends on the quantity of the substance, the quantity involved  
48 shall be determined by the trier of fact. Where the indictment or

1 accusation so provides, the quantity involved in individual acts of  
2 manufacturing, distribution, dispensing or possessing with intent to  
3 distribute may be aggregated in determining the grade of the  
4 offense, whether distribution or dispensing is to the same person or  
5 several persons, provided that each individual act of manufacturing,  
6 distribution, dispensing or possession with intent to distribute was  
7 committed within the applicable statute of limitations.

44 "Noncommercial truck" means every motor vehicle designed  
45 primarily for transportation of property, and which is not a  
46 "commercial motor vehicle."

47 "Recreation vehicle" means a self-propelled or towed vehicle  
48 equipped to serve as temporary living quarters for recreational,

1 camping or travel purposes and used solely as a family or personal  
2 conveyance.

3 "Semitrailer" means every vehicle with or without motive power,  
4 other than a pole trailer, designed for carrying persons or property  
5 and for being drawn by a motor vehicle and so constructed that  
6 some part of its weight and that of its load rests upon or is carried  
7 by another vehicle.

8 "Trailer" means every vehicle with or without motive power,  
9 other than a pole trailer, designed for carrying persons or property  
10 and for being drawn by a motor vehicle and so constructed that no  
11 part of its weight rests upon the towing vehicle.

12 "Vehicle" means every device in, upon, or by which a person or  
13 property is or may be transported upon a highway, excepting  
14 devices moved by human power or used exclusively upon stationary  
15 rails or tracks or motorized bicycles and includes, but is not limited  
16 to, a motor vehicle, commercial motor vehicle, trailer,  
17 noncommercial truck, semitrailer, mobile home, recreation vehicle,  
18 or motor home.

19 b. A person who, with the intent to facilitate the unlawful  
20 concealment or transportation of a controlled dangerous substance,  
21 knowingly designs, builds, constructs, or fabricates, or publishes  
22 plans or instructions to design, build, construct, or fabricate, a  
23 vehicle with a hidden compartment, or modifies or alters any  
24 portion of a vehicle in order to create or add a hidden compartment,  
25 is guilty of a crime of the third degree.

26 c. A person who knowingly operates, possesses, or uses a  
27 vehicle with a hidden compartment with knowledge that the hidden  
28 compartment is used or intended to be used to facilitate the  
29 unlawful concealment or transportation of a controlled dangerous  
30 substance is guilty of a crime of the fourth degree.

31 d. This section shall not apply to:

32 (1) any law enforcement officer acting in the performance of the  
33 law enforcement officer's duties;

34 (2) any licensed motor vehicle dealer or motor vehicle  
35 manufacturer that in the ordinary course of business repairs,  
36 purchases, receives in trade, leases, or sells a motor vehicle; or

37 (3) any box, safe, container, or other item added to a vehicle for  
38 the purpose of securing valuables, electronics, or firearms provided  
39 that, at the time of discovery, the box, safe, container, or other item  
40 added to the vehicle does not contain a controlled substance or  
41 visible residue of a controlled substance.

42 e. This section shall not be construed to impose a duty on a  
43 licensed motor vehicle dealer to know, discover, report, repair, or  
44 disclose the existence of a hidden compartment.

45

46 4. Section 31 of P.L.1970, c.226 (C.24:21-31) is amended to  
47 read as follows:

1       31. Powers of enforcement personnel. a. (1) It is hereby made  
2 the duty of the division, its officers, agents, inspectors, and  
3 representatives, and of all peace officers within the State, and of the  
4 Attorney General and all county prosecutors, to enforce all  
5 provisions of P.L.1970, c.226 (C.24:21-1 et seq.), as amended and  
6 supplemented, except those specifically delegated, and to cooperate  
7 with all agencies charged with the enforcement of the laws of the  
8 United States, of this State, and of all other states, relating to  
9 narcotic drugs or controlled dangerous substances, and it shall be  
10 the duty of the New Jersey State Board of Pharmacy in the Division  
11 of Consumer Affairs in the Department of Law and Public Safety,  
12 its officers, agents, inspectors, and representatives also to assist the  
13 division, peace officers, and county prosecutors in the enforcement  
14 of all provisions of P.L.1970, c.226, as amended and supplemented,  
15 relating to the handling of controlled dangerous substances by  
16 pharmacy owners and pharmacists.

17       (2) (a) Pursuant to the provisions of paragraph (1) of this  
18 subsection, the Attorney General shall establish a Statewide Opioid  
19 Law Enforcement Coordinating Task Force within the Department  
20 of Law and Public Safety, which shall: identify, investigate, and  
21 prosecute the illegal sources and distribution of prescription opioid  
22 drugs; and provide training for law enforcement officials,  
23 physicians, pharmacists, and other health care professionals in state-  
24 of-the-art methods to detect prescription drug diversion and related  
25 abuses.

26       (b) The task force shall include: the First Assistant Attorney  
27 General, who shall serve as chair of the task force; the Director of  
28 the Division of Consumer Affairs, the Director of the Division of  
29 Criminal Justice, the Director of the New Jersey State Board of  
30 Pharmacy, the Director of the State Board of Medical Examiners,  
31 the Director of the New Jersey Board of Nursing, and the Director  
32 of the New Jersey State Board of Dentistry, or their designated  
33 representatives; at least one representative each from county  
34 prosecutors' offices, sheriffs' offices, and local law enforcement  
35 agencies; and any representatives of federal law enforcement  
36 agencies that are available and are invited by the Attorney General  
37 to serve on the task force.

38       (c) The task force shall report at least quarterly to the Attorney  
39 General on its activities, and shall include in that report any  
40 recommendations that it deems necessary to fulfill its purposes.

41       b. Authority is hereby granted to the director:

42       (1) To promulgate all necessary rules and regulations for the  
43 efficient enforcement of P.L.1970, c.226, as amended and  
44 supplemented;

45       (2) To promulgate, insofar as applicable, regulations from time  
46 to time promulgated by the Attorney General of the United States;

47       (3) To promulgate an order relative to any controlled dangerous  
48 substance under P.L.1970, c.226, as amended and supplemented,

1 when the delay occasioned by acting through promulgation of a  
2 regulation would constitute an imminent danger to the public health  
3 or safety.

4 (a) An order of the director shall take effect immediately, but it  
5 shall expire 270 days after promulgation thereof. Rules and  
6 regulations pursuant to such order may be adopted and promulgated  
7 by the director, but they shall not take effect until **[he]** the director  
8 has given due notice of his intention to take such action and has  
9 held a public hearing.

10 (b) Any person who denies that a drug or pharmaceutical  
11 preparation is properly subject to an order by the director which  
12 applies the provisions of P.L.1970, c.226, as amended and  
13 supplemented, to **[such]** that drug or pharmaceutical preparation,  
14 may apply to the director for a hearing which **[must]** shall be  
15 afforded, except where a drug or pharmaceutical preparation has  
16 been the subject of a prior hearing or determination by the director,  
17 in which case a hearing shall be discretionary with the director. In  
18 **[such]** that case, a decision **[must]** shall be rendered by the  
19 director or **[his]** the director's designee within 48 hours of the  
20 request for a hearing. If the petitioning party is aggrieved by the  
21 decision, **[he]** that party shall have the right to apply for injunctive  
22 relief against the order. Jurisdiction for **[such]** that injunctive  
23 relief shall be in the Superior Court of New Jersey by way of  
24 summary proceedings.

25 c. In addition to the powers set forth in subsection a. of this  
26 section, any officer or employee of the division designated by the  
27 director may:

28 (1) Execute search warrants, arrest warrants, administrative  
29 inspection warrants, subpoenas, and summonses issued under the  
30 authority of this State;

31 (2) Make seizures of property pursuant to the provisions of **[this**  
32 act] P.L.1970, c.226, as amended and supplemented; and

33 (3) Perform such other law enforcement duties as may be  
34 designated by the director, with the approval of the Attorney  
35 General.

36 (cf: P.L.2007, c.244, s.16)

37

38 5. (New Section) a. As used in this section:

39 "Health care professional" means a person who is licensed,  
40 registered, or otherwise authorized to practice as a health care  
41 professional pursuant to Title 45 or Title 52 of the Revised Statutes.

42 "Improper prescribing" means the prescribing or ordering of a  
43 drug in an indiscriminate manner, or not in good faith, or without  
44 good cause, or otherwise in violation of any State or federal law or  
45 regulation, and which constitutes professional misconduct as  
46 determined by the board. For the purposes of this section, the  
47 issuance of an initial improper prescription or order and any refill of

1 that initial prescription or order shall each be counted as a separate  
2 instance of improper prescribing.

3 b. Notwithstanding the provisions of subsection a. of section 12  
4 of P.L.1978, c.73 (C.45:1-25) to the contrary, and in addition to any  
5 other penalty provided by law, a health care professional who  
6 engages in improper prescribing shall be liable to a civil penalty of  
7 not less than \$10,000 for the first violation and not less than  
8 \$20,000 for the second and each subsequent violation.

9  
10 6. Section 25 of P.L.2007, c.244 (C.45:1-45) is amended to  
11 read as follows:

12 25. Prescription Monitoring Program; requirements.

13 a. There is established the Prescription Monitoring Program in  
14 the Division of Consumer Affairs in the Department of Law and  
15 Public Safety. The program shall consist of an electronic system  
16 for monitoring controlled dangerous substances that are dispensed  
17 in or into the State by a pharmacist in an outpatient setting.

18 b. Each pharmacy permit holder shall submit, or cause to be  
19 submitted, to the division, by electronic means in a format and at  
20 such intervals as are specified by the director, information about  
21 each prescription for a controlled dangerous substance dispensed by  
22 the pharmacy that includes:

23 (1) The surname, first name, and date of birth of the patient for  
24 whom the medication is intended;

25 (2) The street address and telephone number of the patient;

26 (3) The date that the medication is dispensed;

27 (4) The number or designation identifying the prescription and  
28 the National Drug Code of the drug dispensed;

29 (5) The pharmacy permit number of the dispensing pharmacy;

30 (6) The prescribing practitioner's name and Drug Enforcement  
31 Administration registration number;

32 (7) The name, strength, and quantity of the drug dispensed, the  
33 number of refills ordered, and whether the drug was dispensed as a  
34 refill or a new prescription;

35 (8) The date that the prescription was issued by the practitioner;

36 (9) The source of payment for the drug dispensed; and

37 (10) Such other information, not inconsistent with federal law,  
38 regulation, or funding eligibility requirements, as the director  
39 determines necessary.

40 The pharmacy permit holder shall submit the information to the  
41 division with respect to the prescriptions dispensed during the  
42 reporting period not less frequently than once every **[30 days]**  
43 business day, or according to a schedule to be determined by the  
44 director if federal law, regulation, or funding eligibility otherwise  
45 requires.

46 c. The division may grant a waiver of electronic submission to  
47 any pharmacy permit holder for good cause, including financial  
48 hardship, as determined by the director. The waiver shall state the

1 format in which the pharmacy permit holder shall submit the  
2 required information.

3 d. The requirements of this act shall not apply to: the direct  
4 administration of a controlled dangerous substance to the body of  
5 an ultimate user; or the administration or dispensing of a controlled  
6 dangerous substance that is otherwise exempted as determined by  
7 the Secretary of Health and Human Services pursuant to the  
8 "National All Schedules Prescription Electronic Reporting Act of  
9 2005," Pub.L.109-60.  
10 (cf: P.L.2007, c.244, s.25)

11

12 7. Section 26 of P.L.2007, c.244 (C.45:1-46) is amended to  
13 read as follows:

14 26. a. The division shall maintain procedures to ensure privacy  
15 and confidentiality of patients and that patient information  
16 collected, recorded, transmitted, and maintained is not disclosed,  
17 except as permitted in this section, including, but not limited to, the  
18 use of a password-protected system for maintaining this information  
19 and permitting access thereto as authorized under sections 25  
20 through 30 of P.L.2007, c.244 (C.45:1-45 through C.45:1-50), and a  
21 requirement that a person as listed in subsection d. of this section  
22 provide on-line affirmation of the person's intent to comply with the  
23 provisions of sections 25 through 30 of P.L.2007, c.244 (C.45:1-45  
24 through C.45:1-50) as a condition of accessing the information.

25 b. The prescription monitoring information submitted to the  
26 division shall be confidential and not be subject to public disclosure  
27 under P.L.1963, c.73 (C.47:1A-1 et seq.), or P.L.2001, c.404  
28 (C.47:1A-5 et al.).

29 c. The division shall review the prescription monitoring  
30 information provided by a pharmacy permit holder pursuant to  
31 sections 25 through 30 of P.L.2007, c.244 (C.45:1-45 through  
32 C.45:1-50). If the division determines that a violation of law or  
33 regulations, or a breach of the applicable standards of practice, may  
34 have occurred, the division shall notify the appropriate law  
35 enforcement agency or professional licensing board, and provide  
36 the prescription monitoring information required for an  
37 investigation.

38 d. The division may provide prescription monitoring  
39 information to the following persons:

40 (1) a practitioner authorized to prescribe, dispense, or  
41 administer controlled dangerous substances who certifies that the  
42 request is for the purpose of providing health care to a current  
43 patient of the practitioner. **【Nothing】** Except as provided in section  
44 8 of P.L. , c. (C. ) (pending before the Legislature as this  
45 bill), nothing in sections 25 through 30 of P.L.2007, c.244 (C.45:1-  
46 45 through C.45:1-50) shall be construed to require or obligate a  
47 practitioner to access or check the prescription monitoring  
48 information prior to prescribing, dispensing, or administering

1 medications beyond that which may be required as part of the  
2 practitioner's professional practice;

3 (2) a pharmacist authorized to dispense controlled dangerous  
4 substances who certifies that the request is for the purpose of  
5 providing health care to a current patient. **【Nothing】** Except as  
6 provided in section 8 of P.L. , c. (C. ) (pending before the  
7 Legislature as this bill), nothing in sections 25 through 30 of  
8 P.L.2007, c.244 (C.45:1-45 through C.45:1-50) shall be construed  
9 to require or obligate a pharmacist to access or check the  
10 prescription monitoring information prior to dispensing medications  
11 beyond that which may be required as part of the pharmacist's  
12 professional practice;

13 (3) a designated representative of the State Board of Medical  
14 Examiners, New Jersey State Board of Dentistry, New Jersey Board  
15 of Nursing, New Jersey State Board of Optometrists, New Jersey  
16 State Board of Pharmacy, State Board of Veterinary Medical  
17 Examiners, or any other board in this State or another state that  
18 regulates the practice of persons who are authorized to prescribe or  
19 dispense controlled dangerous substances, as applicable, who  
20 certifies that he is engaged in a bona fide specific investigation of a  
21 designated practitioner whose professional practice was or is  
22 regulated by that board;

23 (4) an officer of a State, federal, or municipal law enforcement  
24 **【officer】** agency who is 【acting pursuant to a court order and  
25 certifies that the officer】 is engaged in a bona fide specific  
26 investigation of a designated practitioner or patient. A law  
27 enforcement agency that obtains prescription monitoring  
28 information shall comply with security protocols established by the  
29 director by regulation, which shall at minimum include the  
30 following:

31 (a) clearly defined rules of conduct for viewing, disseminating,  
32 and destroying prescription monitoring information;

33 (b) official documentation signed by a representative of the law  
34 enforcement agency agreeing to all security requirements;

35 (c) designation of an assigned agency coordinator to serve as a  
36 point of contact on matters involving access to prescription  
37 monitoring information;

38 (d) a case number and description for each request for  
39 prescription monitoring information, which may be used to track  
40 requests to the party that receives the information;

41 (e) submission to periodic audits to ensure compliance with  
42 security requirements; and

43 (f) penalties for improper use of prescription monitoring  
44 information, which may include termination of employment and any  
45 applicable criminal penalties;

46 (5) a designated representative of a state Medicaid or other  
47 program who certifies that he is engaged in a bona fide  
48 investigation of a designated practitioner or patient;

1 (6) a properly convened grand jury pursuant to a subpoena  
2 properly issued for the records;

3 (7) authorized personnel of the division or vendor or contractor  
4 responsible for establishing and maintaining the program; and

5 (8) the controlled dangerous substance monitoring program in  
6 another state with which the division has established an  
7 interoperability agreement.

8 e. A person listed in subsection d. of this section, as a  
9 condition of obtaining prescription monitoring information pursuant  
10 thereto, shall certify, by means of entering an on-line statement in a  
11 form and manner prescribed by regulation of the director, the  
12 reasons for seeking to obtain that information.

13 f. The division shall offer an on-line tutorial for those persons  
14 listed in subsection d. of this section, which shall, at a minimum,  
15 include: how to access prescription monitoring information; the  
16 rights and responsibilities of persons who are the subject of or  
17 access this information and the other provisions of sections 25  
18 through 30 of P.L.2007, c.244 (C.45:1-45 through C.45:1-50) and  
19 the regulations adopted pursuant thereto, regarding the permitted  
20 uses of that information and penalties for violations thereof; and a  
21 summary of the requirements of the federal health privacy rule set  
22 forth at 45 CFR Parts 160 and 164 and a hypertext link to the  
23 federal Department of Health and Human Services website for  
24 further information about the specific provisions of the privacy rule.

25 g. The director may provide nonidentifying prescription drug  
26 monitoring information to public or private entities for statistical,  
27 research, or educational purposes.

28 (cf: P.L.2007, c.244, s.26)

29

30 8. (New section) Prior to prescribing or dispensing a Schedule  
31 II controlled dangerous substance to a patient, a practitioner or  
32 pharmacist, as applicable, shall access the prescription monitoring  
33 information, as authorized pursuant to subsection d. of section 26 of  
34 P.L.2007, c.244 (C.45:1-46), to determine if the patient has  
35 received other prescriptions that indicate, in the professional  
36 judgment of the practitioner or pharmacist, prescription abuse or  
37 diversion.

38

39 9. (New section) a. The Division of Consumer Affairs in the  
40 Department of Law and Public Safety shall have the authority to  
41 gather information on any significant business relationships  
42 involving the medical practice of a licensee of the State Board of  
43 Medical Examiners. The division may, at the time of a licensee's  
44 biennial license renewal, require that a licensee provide information  
45 on any medical practice in which the licensee is an owner, part  
46 owner, partner, associate, shareholder, or employee, or in which the  
47 licensee otherwise has a significant financial interest. This  
48 information may include, but need not be limited to, the following:

- 1 (1) the name and address of the practice;
- 2 (2) any party that conducts business on the premises of the
- 3 practice, including those not formally associated with the practice;
- 4 (3) any non-medical personnel employed by the practice;
- 5 (4) any non-medical business with which the practice is
- 6 associated, including a management company; and
- 7 (5) any financial relationship related to the medical practice
- 8 with any individual who is not a health care professional.

9 b. The State Board of Medical Examiners shall not approve a  
10 licensee's renewal application unless the applicant provides all  
11 information required by the division pursuant to subsection a. of  
12 this section.

13

14 10. Section 1 of P.L.1997, c.249 (C.45:9-22.19) is amended to  
15 read as follows:

16 1. a. A physician licensed pursuant to chapter 9 of Title 45 of  
17 the Revised Statutes may prescribe a Schedule II controlled  
18 dangerous substance for the use of a patient in any quantity which  
19 does not exceed a 30-day supply, as defined by regulations adopted  
20 by the State Board of Medical Examiners in consultation with the  
21 Department of Health [and Senior Services]. The physician shall  
22 document the diagnosis and the medical need for the prescription in  
23 the patient's medical record, in accordance with guidelines  
24 established by the State Board of Medical Examiners.

25 b. A physician may issue multiple prescriptions authorizing the  
26 patient to receive a total of up to a 90-day supply of a Schedule II  
27 controlled dangerous substance, provided that the following  
28 conditions are met:

29 (1) each separate prescription is issued for a legitimate medical  
30 purpose by the physician acting in the usual course of professional  
31 practice;

32 (2) the physician provides written instructions on each  
33 prescription, other than the first prescription if it is to be filled  
34 immediately, indicating the earliest date on which a pharmacy may  
35 fill each prescription;

36 (3) the physician determines that providing the patient with  
37 multiple prescriptions in this manner does not create an undue risk  
38 of diversion or abuse; and

39 (4) the physician complies with all other applicable State and  
40 federal laws and regulations.

41 c. The State Board of Medical Examiners shall, by regulation,  
42 adopt a policy setting forth clear standards for the use of  
43 prescription drugs in pain management. The policy shall emphasize  
44 the primary goal of ensuring that suffering patients find relief, and  
45 shall also consider the need to protect the public health and safety  
46 by limiting access to controlled dangerous substances. In  
47 developing the policy, the State Board of Medical Examiners shall

1 consider the provisions of the model policy established by the  
2 Federation of State Medical Boards.

3 (cf: P.L.2009, c.165, s.1)

4  
5 11. Section 20 of P.L.2003, c.280 (C.45:14-59) is amended to  
6 read as follows:

7 20. The Division of Consumer Affairs in the Department of Law  
8 and Public Safety shall establish the format for uniform, non-  
9 reproducible, non-erasable safety paper prescription blanks, to be  
10 known as New Jersey Prescription Blanks, which format shall  
11 include an identifiable logo or symbol that will appear on all  
12 prescription blanks and additional security features to prevent  
13 erasure or duplication of prescription blanks that can be  
14 accomplished with widely available computer technology. The  
15 prescription blanks for each prescriber or health care facility shall  
16 be numbered consecutively and, if the prescriber or health care  
17 facility has a National Provider Identifier, the prescription blank  
18 shall include the National Provider Identifier. The division shall  
19 approve a sufficient number of vendors to ensure production of an  
20 adequate supply of New Jersey Prescription Blanks for practitioners  
21 and health care facilities Statewide, but shall limit the number of  
22 vendors as necessary to ensure that vendors may be appropriately  
23 monitored to ensure that prescription blanks are delivered only to  
24 intended prescribers and health care facilities.

25 (cf: P.L.2007, c.244, s.22)

26  
27 12. (New section) a. As used in this section:

28 “Content” means any information concerning the substance,  
29 purport, or meaning of a communication.

30 “Driver’s license” or “non-driver photographic identification  
31 card” means a valid New Jersey driver’s license with photographic  
32 identification or a non-driver photographic identification card  
33 issued by the New Jersey Motor Vehicle Commission, or a valid  
34 driver’s license with photographic identification or similar non-  
35 driver photographic identification card issued pursuant to the laws  
36 of another state.

37 “Prepaid wireless telephone equipment” or “equipment” means a  
38 wireless telephone handset used in conjunction with prepaid  
39 wireless telephone service.

40 “Prepaid wireless telephone service” or “service” means a type  
41 of wireless telephone service that is purchased in advance of use by  
42 means of payment for a finite dollar amount of service or for a  
43 finite set of minutes that terminate either upon use by a customer  
44 and delivery by the seller of an agreed-upon amount of service  
45 corresponding to the total dollar amount paid in advance, or within  
46 a certain period of time following the initial purchase or activation,  
47 unless additional payments are made, and for which service the  
48 customer does not receive a monthly billing statement.

1       “Prepaid wireless telephone service provider” or “provider”  
2 means an individual who sells wireless telephone service or  
3 equipment that is purchased in advance.

4       “Wireless telephone service” means commercial mobile service,  
5 as defined in subsection (d) of section 332 of the Communications  
6 Act of 1934 (47 U.S.C. s.332).

7       b. It shall be unlawful for a prepaid wireless telephone service  
8 provider to sell prepaid wireless telephone service or equipment to  
9 an individual, or activate prepaid wireless telephone service or  
10 equipment on behalf of an individual, unless the provider first  
11 records the following information: a photocopy of the individual’s  
12 driver’s license or non-driver photographic identification card; the  
13 telephone number assigned to the prepaid wireless telephone service  
14 or equipment; the serial number assigned to the prepaid wireless  
15 telephone equipment; and the date of sale.

16       c. A prepaid wireless telephone service provider shall retain  
17 the information recorded pursuant to this section for a period of not  
18 less than two years after the date of purchase of service or  
19 equipment. After the two-year period, the prepaid wireless  
20 telephone service provider shall destroy or arrange for the  
21 destruction of the photocopy of the individual’s driver’s license or  
22 non-driver photographic identification card by shredding, erasing,  
23 or otherwise modifying the personal information in those records to  
24 make it unreadable, undecipherable, or nonreconstructable through  
25 generally available means.

26       d. A prepaid wireless telephone service provider shall retain  
27 the content of all text messages sent through its prepaid wireless  
28 telephone service for a period of not less than 14 calendar days.

29       e. It shall be an unlawful practice and a violation of P.L.1960,  
30 c.39 (C.56:8-1 et seq.) to violate the provisions of this section.

31

32       13. a. The Director of the Division of Consumer Affairs, in  
33 consultation with the State Board of Medical Examiners, and  
34 pursuant to the “Administrative Procedure Act,” P.L.1968, c.410  
35 (C.52:14B-1 et seq.), shall adopt rules and regulations to effectuate  
36 the purposes of section 6 of this act.

37       b. The Director of the Division of Consumer Affairs in the  
38 Department of Law and Public Safety, pursuant to the  
39 “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et  
40 seq.), shall adopt rules and regulations to effectuate the purposes of  
41 sections 7 through 9, 11, and 12 of this act.

42       c. The State Board of Medical Examiners, pursuant to the  
43 “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et  
44 seq.), shall adopt rules and regulations to effectuate the purposes of  
45 section 10 of this act.

46

47       14. Sections 1 through 5 and 12 of this act shall take effect  
48 immediately. Sections 6 through 11 shall take effect on the first

1 day of the seventh month next following the date of enactment, but  
2 the State Board of Medical Examiners and the Director of the  
3 Division of Consumer Affairs may take such anticipatory  
4 administrative action in advance thereof as shall be necessary for  
5 the implementation of this act.

7  
8 STATEMENT

9  
10 This bill implements all but one of the recommendations of the  
11 State Commission of Investigation's July 2013 report entitled  
12 "Scenes from an Epidemic: A Report on the SCI's Investigation of  
13 Prescription Pill and Heroin Abuse." (Separate legislation is to be  
14 introduced to implement recommendation number seven of the  
15 report.) The recommendations expand on current law in several  
16 areas to strengthen the ability of law enforcement agencies to  
17 combat illicit drug distribution and drug use, increase civil and  
18 criminal penalties related to prescription drug abuse and heroin, and  
19 impose stronger controls over access to prescription drugs.

20 This bill establishes a global positioning data warrant which  
21 would permit a law enforcement agency to track the geographic  
22 location of a specific suspect by attaching a global positioning  
23 system to any vehicle operated by the suspect, or any vehicle in  
24 which the suspect is a passenger. In order to obtain the warrant  
25 from a court, a law enforcement agency would have to show that  
26 there is probable cause to believe that tracking the geographic  
27 location of a specific suspect by attaching a global positioning  
28 system to any vehicle operated by that suspect, or vehicle in which  
29 a suspect is a passenger, is relevant and material to a criminal  
30 investigation. The bill specifically states that this warrant may be  
31 issued by a judge to track the geographic location of a motor  
32 vehicle that is rented from rental company. (Section 1 of the bill  
33 corresponds to recommendation number 10.)

34 The bill also upgrades crimes related to the unlawful distribution  
35 of certain Schedule I or Schedule II narcotics (including many  
36 prescription pain medications) by one degree level. Under current  
37 law, unlawful dispensation or distribution of these drugs constitutes,  
38 at maximum, an offense of the second degree. The bill only  
39 upgrades offenses related to Schedule I and II narcotic drugs that  
40 are not specifically covered by current criminal law. (Section 2 of  
41 the bill corresponds to the second part of recommendation number  
42 two.)

43 The bill would also make it a third degree crime to knowingly  
44 design, build, construct, or fabricate a motor vehicle equipped with  
45 a hidden compartment to be used to unlawfully conceal a controlled  
46 dangerous substance, or to alter a motor vehicle to add such a  
47 hidden compartment. The bill also makes it a fourth degree crime  
48 to operate or possess a vehicle with a hidden compartment.

1 (Section 3 of the bill corresponds to recommendation number  
2 eight.)

3 The bill requires the Attorney General to establish a Statewide  
4 Opioid Law Enforcement Coordinating Task Force within the  
5 Department of Law and Public Safety. The task force will have as  
6 its purpose to: identify, investigate, and prosecute the illegal  
7 sources and distribution of prescription opioid drugs; and provide  
8 training for law enforcement officials, physicians, pharmacists, and  
9 other health care professionals in state-of-the-art methods to detect  
10 prescription drug diversion and related abuses. The task force is to  
11 include: the First Assistant Attorney General, who is to serve as  
12 chair of the task force; the Director of the Division of Consumer  
13 Affairs, the Director of the Division of Criminal Justice, the  
14 Director of the New Jersey State Board of Pharmacy, the Director  
15 of the State Board of Medical Examiners, the Director of the New  
16 Jersey Board of Nursing, and the Director of the New Jersey State  
17 Board of Dentistry, or their designated representatives; at least one  
18 representative each from county prosecutors' offices, sheriffs'  
19 offices, and local law enforcement agencies; and any  
20 representatives of federal law enforcement agencies that are  
21 available and are invited by the Attorney General to serve on the  
22 task force. The task force is to report at least quarterly to the  
23 Attorney General on its activities, and to include in that report any  
24 recommendations that it deems necessary to fulfill its purposes.  
25 (Section 4 of the bill corresponds to recommendation number  
26 three.)

27 The bill further provides that, in addition to any other penalty  
28 provided by law, a health care professional who engages in  
29 improper prescribing is liable to a civil penalty of not less than  
30 \$10,000 for the first violation and not less than \$20,000 for the  
31 second and each subsequent violation. Current law provides a  
32 maximum fine of \$10,000 for the first violation and \$20,000 for a  
33 second or subsequent violation. The bill also specifies that any  
34 prescription and any refill of a prescription is each to be counted as  
35 a separate instance of improper prescribing. (Section 5 of the bill  
36 corresponds to the first part of recommendation number two.)

37 The bill requires pharmacies to submit information on dispensed  
38 prescriptions at least once each business day, or according to a  
39 schedule to be determined by the Director of the Division of  
40 Consumer Affairs if federal law, regulation, or funding eligibility  
41 otherwise requires. Pharmacies are currently required by the  
42 Division of Consumer Affairs to report once each 15 days. (Section  
43 6 of the bill corresponds to the third part of recommendation  
44 number five.)

45 The bill also provides greater access to prescription monitoring  
46 information by law enforcement agencies. Under the bill, an officer  
47 of a law enforcement agency who is engaged in a bona fide specific  
48 investigation of a designated practitioner or patient may access

1 prescription monitoring information without a court order or grand  
2 jury subpoena (required by current law), so long as the agency  
3 complies with security protocols established by the director by  
4 regulation. The security protocols must, at minimum, include:  
5 clearly defined rules of conduct for viewing, disseminating, and  
6 destroying prescription monitoring information; official  
7 documentation signed by a representative of the law enforcement  
8 agency agreeing to all security requirements; designation of an  
9 assigned agency coordinator to serve as a point of contact on  
10 matters involving access to prescription monitoring information; a  
11 case number and description for each request for prescription  
12 monitoring information, which may be used to track requests to the  
13 party that receives the information; submission to periodic audits to  
14 ensure compliance with security requirements; and penalties for  
15 improper use of prescription monitoring information, which may  
16 include termination of employment and any applicable criminal  
17 penalties. (Section 7 of the bill corresponds to the first part of  
18 recommendation number five.)

19 The bill requires health care practitioners who prescribe, and  
20 pharmacists who dispense, Schedule II drugs to check the  
21 information available through the prescription monitoring program  
22 prior to doing so in order to determine if the patient has received  
23 other prescriptions that indicate prescription abuse or diversion.  
24 (Section 8 of the bill corresponds to the second part of  
25 recommendation number five.)

26 In addition, the bill grants the Division of Consumer Affairs  
27 authority to gather information on any significant business  
28 relationships involving the medical practice of a licensee of the  
29 State Board of Medical Examiners. The division may, at the time of  
30 a licensee's biennial license renewal, require that a licensee provide  
31 information on any medical practice in which the licensee is an  
32 owner, part owner, partner, associate, shareholder, or employee, or  
33 in which the licensee otherwise has a significant financial interest.  
34 This information may include, but need not be limited to: the name  
35 and address of the practice; parties that conduct business on the  
36 premises of the practice, including those not formally associated  
37 with the practice; non-medical personnel employed by the practice;  
38 any non-medical business associations, including associations with  
39 management companies; and any financial relationships related to  
40 the medical practice with individuals who are not health care  
41 professionals. The bill prohibits the State Board of Medical  
42 Examiners from approving a licensee's renewal application unless  
43 the applicant provides all information required by the division.  
44 (Section 9 of the bill corresponds to recommendation number four.)

45 Furthermore, the bill directs the State Board of Medical  
46 Examiners to adopt regulations setting forth clear standards for the  
47 use of prescription drugs in pain management. The bill requires  
48 that the standards emphasize the primary goal of ensuring that

1 suffering patients find relief, and also consider the need to protect  
2 the public health and safety by limiting access to controlled  
3 dangerous substances. In developing the standards, the State Board  
4 of Medical Examiners would be required to consider the provisions  
5 of the model policy established by the Federation of State Medical  
6 Boards. (Section 10 of the bill corresponds to recommendation  
7 number one.)

8 The bill also requires that New Jersey Prescription Blanks  
9 incorporate additional security features to prevent erasure or  
10 duplication of prescription blanks that can be accomplished with  
11 widely available computer technology. It is expected that this  
12 provision will encourage the adoption of regulations similar or  
13 identical to those proposed by the Division of Consumer Affairs in  
14 November 2012. The bill also requires the Division of Consumer  
15 Affairs to limit the number of vendors as necessary to ensure that  
16 vendors may be appropriately monitored to ensure that prescription  
17 blanks are delivered only to intended prescribers and health care  
18 facilities. (Section 11 of the bill corresponds to recommendation  
19 number six.)

20 Finally, the bill establishes new restrictions on prepaid cell  
21 phones, which are often used by drug dealers to evade law  
22 enforcement efforts to determine owner identities or lawfully  
23 monitor potentially criminal communications. The bill makes it  
24 unlawful for a prepaid wireless telephone service provider  
25 (provider) to sell prepaid wireless telephone service or equipment  
26 to, or activate service on behalf of, an individual unless the provider  
27 first records the following information: a photocopy of the  
28 individual's driver's license or non-driver photographic  
29 identification card; the telephone number assigned to the prepaid  
30 wireless telephone service or prepaid wireless telephone equipment;  
31 the serial number assigned to the prepaid wireless telephone  
32 equipment; and the date of sale. Under the bill, a provider is to  
33 retain the recorded information for a period of not less than two  
34 years after the date of purchase of such service or equipment. After  
35 the two-year period, the provider is to destroy or arrange for the  
36 destruction of the photocopy of the individual's driver's license or  
37 non-driver photographic identification card by shredding, erasing,  
38 or otherwise modifying the personal information in those records to  
39 make it unreadable, undecipherable, or nonreconstructable through  
40 generally available means. Further, a prepaid wireless telephone  
41 service provider is to retain the content of all text messages sent  
42 through its prepaid wireless telephone service for a period of not  
43 less than 14 calendar days. (Section 12 of the bill corresponds to  
44 recommendation number nine.)
