But if any individual or individuals actually performing such services also performed for the contributor other services during the same period, and the manner of payment was such that payment for the services contributed cannot readily be segregated from contemporary payment for the other services, the contributor shall in his statement to the treasurer so state and shall either (1) set forth his best estimate of the dollar amount of payment to each such individual which is attributable to the contribution of his paid personal services, and shall certify the substantial accuracy of the same, or (2) if unable to determine such amount with sufficient accuracy, set forth the total compensation paid by him to each such individual for the period of time during which the services contributed by him were performed. If any candidate is a holder of public office to whom there is attached or assigned, by virtue of said office, any

aide or aides whose services are of a personal or confidential nature in assisting him to carry out the duties of said office, and whose salary or other compensation is paid in whole or part out of public funds, the services of such aide or aides which are paid for out of public funds shall be for public purposes only; but they may contribute their personal services, on a voluntary basis, to such candidate for election campaign purposes.

The organizational or campaign treasurer shall retain that record for a period of not less than four years. All funds so received shall be deposited by the campaign or organizational treasurer or deputy campaign or organizational treasurer in a campaign depository of the candidate committee or joint candidates committee, the continuing political committee, political committee, independent expenditure committee, political party committee or legislative leadership committee no later than the tenth calendar day following receipt of such funds; except that any such treasurer or deputy treasurer may, when authorized by the candidate, candidates or committee of which he is the campaign or organizational treasurer or deputy campaign or organizational treasurer, transfer any such funds to the duly designated campaign or organizational treasurer or deputy campaign or organizational treasurer of another candidate or committee, for inclusion in the campaign depository thereof, without first so depositing them; provided, however, that the amount so transferred shall not be in excess of the amount that may be contributed by one candidate to another candidate in an election pursuant to section 18 of P.L.1993, c.65 (C.19:44A-11.3), but this proviso shall not be construed to prohibit a county or municipal committee of a political party from making a contribution or contributions, or from transferring funds as hereinabove authorized, to any candidate, candidate committee, joint candidates committee, political committee, continuing political committee, independent expenditure committee, political party committee, or legislative leadership committee. A record of all nondeposited funds so transferred shall be attached to the statement required under this section, identifying them as to source and amount in the same manner as deposited funds.

7. Section 18 of P.L.1973, c.83 (C.19:44A-18) is amended to read as follows:

C.19:44A-18 Post-election contributions, expenditures, testimonial affairs or public solicitations; reports.

18. If any former candidate or any political committee or any person or association of persons in behalf of such political committee or former candidate shall receive any contributions or make any expenditures with relation to any election after the date set in section 16 of P.L.1973, c.83 (C.19:44A-16) for the final report subsequent to such election, or shall conduct any testimonial affair or public solicitation for the purpose of raising funds to cover any part of the expenses of a candidate, political committee, independent expenditure committee, or other organization in such election, all such contributions, expenditures, testimonial affairs or public solicitations shall be reported to the Election Law Enforcement Commission by the person or persons receiving such contributions or making such expenditures or conducting such testimonial affairs or public solicitations. Such report shall be made by any person receiving any such contribution or contributions, or making any such expenditure or expenditures, which in the aggregate total more than \$100.00, or

conducting any testimonial affair or public solicitation of which the net proceeds exceed \$100.00; and shall be made within 20 days from the date upon which the aggregate of such contributions, expenditures or proceeds exceed \$100.00 for the period commencing with the 19th day following such election or with the date upon which any previous report was made pursuant to this section, whichever is sooner. Such report shall be made in the same form and shall contain the same detail prescribed for any other report made pursuant to section 8 or 16 of P.L.1973, c.83 (C.19:44A-8 or C.19:44A-16).

8. Section 19 of P.L.1973, c.83 (C.19:44A-19) is amended to read as follows:

C.19:44A-19 Public solicitations.

19. a. No person shall conduct any public solicitation as defined in this act except (1) upon written authorization of the campaign or organizational treasurer of the candidate committee or joint candidates committee, political committee, continuing political committee, political party committee, independent expenditure committee, or legislative leadership committee on whose behalf such solicitation is conducted, or (2) in accordance with the provisions of subsection c. of this section. A person with such written authorization may employ and accept the services of others as solicitors, and shall be responsible for reporting to the treasurer the information required under subsection b. of this section and for delivery to the treasurer the net proceeds of such solicitation in compliance with section 11 of P.L.1973, c.83 (C.19:44A-11). A contribution made through donation or purchase in response to a public solicitation conducted pursuant to written authorization of a treasurer shall be deemed to have been made through such treasurer.

b. Whenever a public solicitation has been authorized by a treasurer during a period covered by a report required to be filed under sections 8 and 16 of P.L.1973, c.83 (C.19:44A-8 and C.19:44A-16), there shall be filed with such report and as a part thereof an itemized report on any such solicitation of which the net proceeds exceed \$200, in such form and detail as required by the rules of the Election Law Enforcement Commission, which report shall include:

(1) The name and mailing address of the person authorized to conduct such solicitation, the method of solicitation and, where the person is an individual, the occupation of the individual and the name and mailing address of the individual's employer;

(2) The gross receipts and expenses involved in the solicitation including the actual amount paid for any items purchased for resale in connection with the solicitation, or, if such items or any portion of the cost thereof was donated, the estimated actual value thereof and the actual amount paid therefor, and the names and addresses of any such donors. If it is not practicable for such itemized report to be completed in time to be included with the report due under sections 8 and 16 of P.L.1973, c.83 (C.19:44A-8 and C.19:44A-16) for the period during which such solicitation was held, then such itemized report may be omitted from said report and if so omitted shall be included in the report for the next succeeding period.

Adjustments to the \$200 limit established in this subsection which have been made by the Election Law Enforcement Commission, pursuant to section 22 of P.L.1993, c.65 (C.19:44A-7.2), prior to the effective date of P.L.2004, c.28 are rescinded. The \$200 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

c. Notwithstanding the provisions of subsection b. of this section, it shall be lawful for any natural person, not acting in concert with any other person or group, to make personally a public solicitation the entire proceeds of which, without deduction for the expenses of

solicitation, are to be expended by him personally or under his personal direction to finance any lawful activity in support of or opposition to any candidate or public question or to provide political information on any candidate or public question or to seek to influence the content, introduction, passage or defeat of legislation; provided, however, that any individual making such solicitation who receives gross contributions exceeding \$200 in respect to activities relating to any one election shall be required to make a report stating (1) the amount so collected, (2) the method of solicitation, (3) the purpose or purposes for which the funds so collected were expended and the amount expended for each such purpose and (4) the individual's name and mailing address, the individual's occupation and the name and mailing address of the individual's employer. Adjustments to the \$200 limit established in this subsection which have been made by the Election Law Enforcement Commission, pursuant to section 22 of P.L.1993, c.65 (C.19:44A-7.2), prior to the effective date of P.L.2004, c.28 are rescinded. The \$200 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

Such report shall be made to the Election Law Enforcement Commission at the same time and in the same manner as a political committee, continuing political committee, political party committee, independent expenditure committee, or a legislative leadership committee subject to the provisions of section 8 of P.L.1973, c.83 (C.19:44A-8).

d. Contributions or purchases made in response to a public solicitation conducted in conformity with the requirements and conditions of P.L.1973, c.83 (C.19:44A-1 et seq.) shall not be deemed anonymous within the meaning of sections 11 and 20 of the act.

e. No person contributing in good faith to a public solicitation not duly authorized in compliance with the provisions of P.L.1973, c.83 (C.19:44A-1 et seq.) shall be liable to any penalty under the act by reason of having made such contribution.

9. Section 20 of P.L.1973, c.83 (C.19:44A-20) is amended to read as follows:

C.19:44A-20 Prohibited contributions, expenditures.

20. No contribution of money or other thing of value, nor obligation therefor, shall be made, and no expenditure of money or other thing of value, nor obligation therefor, shall be made or incurred whether anonymously, in a fictitious name, or by one person or group in the name of another, to support or defeat a candidate in an election or to aid the passage or defeat of any public question or to provide political information on any candidate or public question or to seek to influence the content, introduction, passage or defeat of legislation.

No individual, either alone or jointly with one or more other individuals, and no corporation, partnership, membership organization or other incorporated or unincorporated association shall loan or advance to any individual, group of individuals, corporation, partnership, membership organization or other incorporated or unincorporated association any money or other thing of value expressly for the purpose of inducing the recipient thereof, or any other individual, group, corporation, partnership, organization or association, to make a contribution, either directly or indirectly, of money or other thing of value to a candidate or the candidate committee or joint candidates committee of a candidate.

No person shall contribute, or purport to contribute, to any candidate, candidate committee or joint candidates committee, political committee, continuing political committee, independent expenditure committee, political party committee or legislative leadership committee funds or property which does not actually belong to him and is not in his full custody and control; which has been given or furnished to him by any other person or

group for the purpose of making a contribution thereof, except in the case of group contributions by persons who are members of the contributing group; or which has been loaned or advanced expressly for the purpose of inducing the making of a contribution to a candidate, candidate committee or joint candidates committee.

No treasurer, candidate or member of a candidate committee, joint candidates committee, political committee, continuing political committee, independent expenditure committee, political party committee or legislative leadership committee shall solicit or knowingly accept, agree to accept or concur in or abet the solicitation or acceptance of any contribution contrary to the provisions of this section.

C.19:44A-22.3 Identification of source of financing of communications; requirements; enforcement.

2. a. Whenever a candidate committee, joint candidates committee, political committee, continuing political committee, independent expenditure committee, political party committee or legislative leadership committee, or any group other than such a committee, or any person makes, incurs or authorizes an expenditure for the purpose of financing a communication aiding or promoting the nomination, election or defeat of any candidate or providing political information on any candidate which is an expenditure that the committee, group or person is required to report to the Election Law Enforcement Commission pursuant to P.L.1973, c.83 (C.19:44A-1 et seq.), the communication shall clearly state the name and business or residence address of the committee, group or person, as that information appears on reports filed with the commission, and that the communication has been financed by that committee, group or person.

b. Whenever a candidate committee, joint candidates committee, political committee, continuing political committee, independent expenditure committee, political party committee or legislative leadership committee, or any group other than such a committee, or any person makes, incurs or authorizes an expenditure for the purpose of financing a communication aiding the passage or defeat of any public question or providing political information on any public question, or aiding the passage or defeat of legislation or regulation in the case of an independent expenditure committee, which is an expenditure that the committee, group or person is required to report to the Election Law Enforcement Commission pursuant to P.L.1973, c.83 (C.19:44A-1 et seq.), the communication shall clearly state the name and business or residence address of the committee, group or person, as that information appears on reports filed with the commission, and that the communication has been financed by that committee, group or person.

c. A communication that is financed by an independent expenditure committee or by any person, not acting in concert with a candidate or any person or committee acting on behalf of a candidate, shall contain a clear and conspicuous statement that the expenditure was not made with the cooperation or prior consent of, or in consultation with or at the request or suggestion of, any such candidate, person or committee.

d. Any person who accepts compensation from a committee, group or individual described in subsection a. or b. of this section for the purpose of printing, broadcasting, or otherwise disseminating to the electorate a communication shall require the committee, group, or individual to file a copy of the statement of registration required to be filed with the Election Law Enforcement Commission pursuant to section 21 of P.L.1993, c.65 (C.19:44A-8.1) and shall maintain a record of the transaction which shall include an exact copy of the communication and a statement of the number of copies made or the dates and times that the communication was broadcast or otherwise transmitted, and the name and address of the committee, group or

individual paying for the communication. The record shall be maintained on file at the principal office of the person accepting the communication for at least two years and shall be available for public inspection during normal business hours.

e. As used in this section, "communication" means a press release, pamphlet, flyer, form letter, sign, billboard, paid advertisement printed in any newspaper or other publication or broadcast on radio or television, or telephone call featuring a recorded message, or any other form of advertising, including Internet and digital advertising, directed to the electorate.

f. The provisions of this section shall not be construed to apply to any bona fide news item or editorial contained in any publication of bona fide general circulation.

g. (1) A person who violates a provision of this section shall be subject to the civil penalties provided in section 22 of P.L.1973, c.83 (C.19:44A-22).

(2) A person who, with intent to injure anyone or to conceal wrongdoing, purposely falsifies, conceals or misrepresents information required by this section to be disclosed or maintained on file is guilty of a crime of the fourth degree.

h. The Election Law Enforcement Commission shall promulgate rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to effectuate the purpose of this section. The commission may, by regulation, exempt from the provisions of this section small, tangible items of de minimis value which are commonly used in campaigns to convey a political message, including, but not limited to, buttons, combs, and nail files. The commission may also, by regulation, exempt from the provisions of this section advertising space purchased by a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, legislative leadership committee or other person, in a political program book distributed at a fund-raising event if the financial transaction is otherwise subject to disclosure. An exemption granted by the commission with respect to any item shall not relieve the committee, group or individual making an expenditure therefor from any applicable campaign finance reporting requirements.

In addition, the commission shall have the authority to provide, by regulation, that a communication need not include the address of the committee, group or person financing the communication in circumstances where the name of a committee, group or person would be sufficient to identify it from the commission's records.

C.19:44A-3.1 Determination as to coordinated communication expenditure; criteria.

11. To determine whether a person, candidate committee, joint candidates committee, continuing political committee, or independent expenditure committee has made a coordinated expenditure with any candidate or political party, the Election Law Enforcement Commission shall consider whether the candidate or political party, the candidate committee, or any staff member or agent thereof:

g. engaged in any other activity the Election Law Enforcement Commission determines, by regulation, constitutes a coordinated expenditure.

12. If any provision of this act, P.L.2019, c.124, or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications which can be given effect without the invalid provisions or applications, and to this end the provisions of this act are declared to be severable.

13. This act shall take effect on the first date, following enactment, that occurs after July 16, 2019 by which a quarterly report would be required to be filed pursuant to paragraph (1) of subsection d. of section 8 of P.L.1973, c.83 (C.19:44A-8), but the first such report shall not be required to be filed until the next quarterly report filing deadline thereafter as specified in that paragraph and shall include only those reportable items which occur after the effective date of this act.
