6 receiving children directly from a school or a summer day camp or
7 any school connected activity or discharging children to enter a
8 school, or a summer day camp or any school connected activity,
9 which is located on the same side of the street as that on which the
10 bus is parked, drivers of vehicles shall be permitted to pass **【said】**
11 the bus without stopping, but at a speed not in excess of 10 miles
12 per hour.

13 Whenever a school bus is parked at the curb for the purpose of

32 terms as the court shall deem appropriate for each subsequent
33 offense. The penalties shall be enforced and recovered pursuant to
34 the provisions of chapter 5 of Title 39 of the Revised Statutes.
35 There shall be a rebuttable presumption that the registered owner of
36 the vehicle which was involved in the violation of this section was
37 the person who committed the act. Any person who suppresses, by
38 way of concealment or destruction, any evidence of a violation of
39 this section or who suppresses the identity of the violator shall be
40 subject to a fine of \$100.

41 The Chief Administrator of the New Jersey Motor Vehicle
42 Commission may also revoke the license to drive a motor vehicle of
43 any person who shall have been guilty of **【such】** the willful
44 violation of any of the provisions of this act as shall, in the
45 discretion of the chief administrator, justify **【such】** the revocation,
46 but the chief administrator shall, at all times, have power to validate
47 **【such】** a license which has been revoked, or to grant a new license

1 to any person whose license to drive a motor vehicle shall have
2 been revoked pursuant to this act.
3 c. Notwithstanding any provision of this section to the
4 contrary, a person who violates any provision of subsection a. of
5 this section where the evidence of the violation is captured by a
6 school bus monitoring system administered pursuant to section 4 of
7 P.L. , c. (C.) (pending before the Legislature as this bill),
8 shall be subject solely to a civil penalty of \$250, which shall be

14 points pursuant to section 26 of P.L.1990, c.8 (C.17:33B-14).
15 Notwithstanding any provisions of R.S.39:5-41 to the contrary,
16 wherever a municipality or school district installs, operates, and
17 maintains a school bus monitoring system, or contracts with a
18 private vendor for a system and those services, any civil penalty
19 imposed and collected pursuant to this subsection that is based upon
20 recorded images captured by the school bus monitoring system shall
21 be forwarded to the financial officer of that municipality and used
22 for general municipal and school district purposes, including efforts
23 to improve the monitoring and enforcement of subsection a. of this
24 section through the utilization of a school bus monitoring system
25 and other public education safety programs. There shall be a
26 rebuttable presumption that the registered owner of the vehicle
27 which was involved in the violation of this section was the operator
28 of the vehicle at the time the violation occurred. A person who
29 suppresses, by way of concealment or destruction, any evidence of a
30 violation of this section or who suppresses the identity of the
31 violator shall be subject to a fine of \$100.

32 (cf: P.L.2012, c.20, s.2)

33

34 2. (New section) The Legislature finds and declares that:

35 a. Motorists who illegally pass a school bus that is stopped to
36 pick up or discharge children dramatically increase the likelihood of
37 accidents that endanger the safety and well-being of bus riding
38 children.

39 b. The installation and use of a school bus monitoring system,
40 which complements the efforts of local law enforcement, could
41 serve as an effective public safety tool to keep children safer while
42 entering, exiting, or riding a school bus.

43 c. It is altogether fitting and proper, and within the public
44 interest, to authorize a program to permit municipalities and school
45 districts operating or providing Type I or Type II school buses that
46 transport students to contract with private vendors to provide for the
47 installation, operation, and maintenance of school bus monitoring

1 systems on school buses in order to assist in the enforcement of
2 section 1 of P.L.1942, c.192 (C.39:4-128.1).

3

4 3. (New section) As used in P.L. , c. (C.) (pending
5 before the Legislature as this bill):

6 “Recorded image” means a digital image or video recorded by a
7 school bus monitoring system.

8 “School bus” means a “School Vehicle Type I” and “School
9 Vehicle Type II” as defined in R.S.39:1-1.

10 “School bus monitoring system” means a system meeting the
11 requirements set forth in section 4 of P.L. , c. (C.) (pending
12 before the Legislature as this bill) and having at least one camera
13 and computer that captures and records a live digital video or image
14 of any motor vehicle operating near a school bus.

15 “School district” means a local school district, regional school
16 district, consolidated school district, county vocational school
17 district, jointure commission, county special services school
18 district, or educational services commission.

19 “Summons” means a citation alleging a violation of subsection a.
20 of section 1 of P.L.1942, c.192 (C.39:4-128.1).

21

22 4. (New section) a. A municipality or school district which
23 operates or provides school buses that transport students may
24 contract with a private vendor to provide for the installation,
25 operation, and maintenance of a school bus monitoring system on
26 any school bus to assist in the enforcement of subsection a. of
27 section 1 of P.L.1942, c.192 (C.39:4-128.1).

28 b. (1) A school bus monitoring system shall be capable of
29 capturing and producing a video record of any occurrence that may
30 be considered a violation of subsection a. of section 1 of P.L.1942,
31 c.192 (C.39:4-128.1) and high resolution color digital recorded
32 images that indicate:

33 (a) if the flashing light and crossing control arm of a school bus
34 are activated, as required pursuant to section 1 of P.L.1965, c.119
35 (C.39:3B-1);

36 (b) if a motor vehicle passes a school bus while the bus is
37 exhibiting a flashing light or crossing control arm;

38 (c) a sufficient portion of the rear of the motor vehicle that
39 passes the school bus in violation of subsection a. of section 1 of
40 P.L.1942, c.192 (C.39:4-128.1), to clearly reveal the license plate
41 and the make and model of the motor vehicle; and

42 (d) the date, time, and location of the violation.

43 (2) A digital analog or camera system may be used as part of a
44 school bus monitoring system provided the images of any violation
45 are captured by the system, or a multiple-camera system, and
46 produce a recorded image, in color, of:

1 (a) the school bus exhibiting a flashing light or an electronic
2 indicator that the flashing light is activated, noted along the bottom
3 edge of the image;

4 (b) the motor vehicle passing the school bus;

5 (c) the license plate, make, and model of the motor vehicle; and

6 (d) the date, time, and location of the violation, which shall
7 specify the minute, hour, day, month, and year.

8
9 5. (New section) a. If a school district or municipality enters
10 into a contract with a private vendor to provide for the installation,
11 operation, and maintenance of a school bus monitoring system
12 pursuant to section 4 of P.L. , c. (C.) (pending before the
13 Legislature as this bill), a recorded image of a suspected violation
14 of subsection a. of section 1 of P.L.1942, c.192 (C.39:4-128.1)
15 captured by a school bus monitoring system shall be made available
16 to the chief law enforcement officer of the municipality in which
17 the violation occurred.

18 Each chief law enforcement officer shall assign a law
19 enforcement officer of the municipality to review the recorded
20 images of a suspected violation of subsection a. of section 1 of
21 P.L.1942, c.192 (C.39:4-128.1) made available by any school bus
22 monitoring system. In conducting the review, the law enforcement
23 officer shall determine whether there is sufficient evidence to
24 conclude that a violation of subsection a. of section 1 of P.L.1942,
25 c.192 (C.39:4-128.1) occurred and shall issue, within 90 days of the
26 date on which the violation occurred, a summons if appropriate. A
27 summons shall not be issued for a violation occurring more than 90
28 days from the date of the violation.

29 A summons issued pursuant to this section shall be served by a
30 law enforcement officer in accordance with the Rules of Court.
31 Except as otherwise provided in this subsection, any recorded image
32 produced by a school bus monitoring system shall be available for
33 the exclusive use of any law enforcement officer for the purpose of
34 discharging the officer's duties under subsection a. of section 1 of
35 P.L.1942, c.192 (C.39:4-128.1).

36 b. Any recorded image or information produced in connection
37 with a school bus monitoring system shall not be deemed to be a
38 public record pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.). A
39 recorded image shall not be discoverable as a public record by any
40 person, entity, or governmental agency, except upon a subpoena
41 issued by a grand jury or a court order in a criminal matter, nor
42 shall it be offered in evidence in any civil or administrative
43 proceeding not directly related to a violation of subsection a. of
44 section 1 of P.L.1942, c.192 (C.39:4-128.1).

45 Any recorded image or information produced in connection with
46 a school bus monitoring system pertaining to a specific violation
47 shall not be retained for more than 60 days after the collection of
48 any civil penalty imposed, and shall be purged. All recorded

1 images and information collected and not resulting in the issuance
2 of a summons shall be purged within 95 days of the recording.

3 c. Except as provided in subsection d. of this section, the
4 owner of a motor vehicle shall be liable for a summons issued for a
5 violation of subsection a. of section 1 of P.L.1942, c.192 (C.39:4-
6 128.1) as evidenced by a recorded image captured by a school bus
7 monitoring system installed and used in accordance with
8 P.L. , c. (C.) (pending before the Legislature as this bill).

9 d. A lessor or owner of a motor vehicle shall not be liable for a
10 summons issued pursuant to this section if:

11 (1) the lessor demonstrates that the motor vehicle was used
12 without the lessor's express or implied consent. The lessor shall
13 notify the clerk of the court where the case is pending by a
14 notarized affidavit of the circumstances of the exception by
15 providing the name and address of the motor vehicle operator or
16 registrant;

17 (2) the lessee was operating or in possession of the motor
18 vehicle at the time of the alleged violation of subsection a. of
19 section 1 of P.L.1942, c.192 (C.39:4-128.1). The lessor at the time
20 of the offense shall notify the clerk of the court where the case is
21 pending by a notarized affidavit of the circumstances of the
22 exception by providing the name and address of the lessee, after
23 which the lessor shall not be required to attend any hearing for the
24 offense unless directed by the court; or

25 (3) the owner, lessor, or lessee demonstrates that the motor
26 vehicle was stolen at the time the violation occurred. The owner or
27 lessee shall notify the clerk of the court where the case is pending
28 by a notarized affidavit of the circumstances of the exception by
29 providing a copy of the police report regarding the theft of the
30 motor vehicle.

31 Any notarized affidavit submitted pursuant to this subsection
32 shall be in a form prescribed by the Administrative Director of the
33 Courts.

34 e. An owner or lessor of a motor vehicle who pays any civil
35 penalty or fee for a violation issued in connection with a recorded
36 image captured by a school bus monitoring system shall have the
37 right to recover that sum from the operator of the motor vehicle in a
38 court of competent jurisdiction.

39
