SYNOPSIS
Provides certain protections and rights for temporary laborers.

CURRENT VERSION OF TEXT
As amended by the General Assembly on June 16, 2022.

(Sponsorship Updated As Of: 8/8/2022)
AN ACT concerning employment and protection of temporary laborers, supplementing Title 34 of the Revised Statutes, and amending P.L.1989, c.331.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. (New section) The Legislature finds and declares:
   a. At least 127,000 individuals work for temporary help service firms, sometimes referred to as temp agencies or staffing agencies, in New Jersey. Approximately 100 temporary help service firms with several branch offices are licensed throughout the State. Moreover, there are a large, though unknown, number of unlicensed temporary help service firms that operate outside the purview of law enforcement.
   b. Recent national data indicate that the share of Black and Latino temporary and staffing workers far outstrips their proportion of the workforce in general. In addition to a heavy concentration in service occupations, temporary laborers are heavily concentrated in the production, transportation, and material moving occupations and manufacturing industries. Further, full-time temporary help service firm workers earn 41 percent less than workers in traditional work arrangements, and these workers are far less likely than other workers to receive employer-sponsored retirement and health benefits.
   c. Recent studies and a survey of low-wage temporary laborers themselves find that, generally, these workers are particularly vulnerable to abuse of their labor rights, including unpaid wages, failure to pay for all hours worked, minimum wage and overtime violations, unsafe working conditions, unlawful deductions from pay for meals, transportation, equipment, and other items, as well as discriminatory practices.
   d. This act is intended to further protect the labor and employment rights of these workers.

2. (New section) As used in P.L.  , c. (C. ) (pending before the Legislature as this bill):
   “Commissioner” means Commissioner of Labor and Workforce Development, or a designee of the commissioner.
   “Director” means Director of the Division of Consumer Affairs in the Department of Law and Public Safety.
   “Employ” means to suffer or permit to work for compensation, including by means of ongoing, contractual relationships in which the employer retains substantial direct or indirect control over the

employment.

“Employer” means any person or corporation, partnership, individual proprietorship, joint venture, firm, company, or other similar legal entity who engages the services of an employee and who pays the employee’s wages, salary, or other compensation, or any person acting directly or indirectly in the interest of an employer in relation to an employee.

“Hours worked” means all of the time that the employee is required to be at the employee’s place of work or on duty. Nothing in P.L. , c. (C. ) (pending before the Legislature as this bill) requires an employer to pay an employee for hours the employee is not required to be at the employee’s place of work because of holidays, vacation, lunch hours, illness, and similar reasons.

“Person” means any natural person or their legal representative, partnership, corporation, company, trust, business entity, or association, and any agent, employee, salesman, partner, officer, director, member, stockholder, associate, trustee, or beneficiary of a trust thereof.

“Temporary laborer” means a person who contracts for employment with a temporary help service firm. Temporary laborer does not include agricultural crew leaders who are registered under the federal Migrant and Seasonal Agricultural Worker Protection Act, 29 U.S.C. s.1801 et seq., P.L.1971, c.192 (C.34:8A-7 et seq.), or P.L.1945, c.71 (C.34:9A-1 et seq.).

“Temporary labor applicant” means a person who requests a job assignment through a temporary help service firm, whether in the presence of the firm, in writing, or through an online application process.

“Temporary labor” means work performed by a temporary laborer at the business of, or for, a third party client of a temporary help service firm, the duration of which may be specific or undefined, pursuant to a contract or understanding between the temporary help service firm and the third party client. Temporary labor does not include labor or employment of a professional employee, as defined in 29 U.S.C. s.152; or to employees who are secretaries or administrative assistants whose main or primary duties are described by the bureau of labor statistics of the United States Department of Labor as involving one or more of the following: drafting or revising correspondence, scheduling appointments, creating, organizing, and maintaining paper and electronic files, and providing information to callers or visitors.

“Temporary help service firm” means any person or entity who operates a business which consists of employing individuals directly or indirectly for the purpose of assigning the employed individuals to assist the firm's customers in the handling of the customers' temporary, excess or special work loads, and who, in
addition to the payment of wages or salaries to the employed individuals, pays federal social security taxes and State and federal unemployment insurance; carries workers’ compensation insurance as required by State law; and sustains responsibility for the actions of the employed individuals while they render services to the firm’s customers. A temporary help service firm is required to comply with the provisions of P.L.1960, c. 39 (C.56:8-1 et seq.).

“Third party client” means any person who contracts with a temporary help service firm for obtaining temporary laborers.

Third party client does not include the State or any office, department, division, bureau, board, commission, agency, or political subdivision thereof that utilize the services of temporary help service firms.

3. (New section) a. Whenever a temporary help service firm agrees to send a person to work as a temporary laborer, the temporary help service firm shall provide the temporary laborer, at the time of dispatch, a statement, in writing in English and in the language identified by the employee as the employee’s primary language, containing the following items on a form approved by the commissioner, in a manner appropriate to whether the assignment is accepted at the temporary help service firm’s office, or remotely by telephone, text, email, or other electronic exchange:

(1) the name of the temporary laborer;
(2) the name, address, and telephone number of:
   (a) the temporary help service firm, or the contact information of the firm’s agent facilitating the placement;
   (b) its workers’ compensation carrier;
   (c) the worksite employer or third party client; and
   (d) the Department of Labor and Workforce Development;
(3) the name and nature of the work to be performed;
(4) the wages offered;
(5) the name and address of the assigned worksite of each temporary laborer;
(6) the terms of transportation offered to the temporary laborer;
(7) a description of the position and whether it shall require any special clothing, protective equipment, and training, and what training and clothing will be provided by the temporary help service firm or the third party client; and any licenses and any costs charged to the employee for supplies or training;
(8) whether a meal or equipment, or both, are provided, either by the temporary help service firm or the third party client, and the cost of the meal and equipment, if any;
(9) for multi-day assignments, the schedule;
(10) the length of the assignment, if known; and
the amount of sick leave to which temporary workers are
ettitled under P.L.2018, c.10 (C.34:11D-1 et seq.), and the terms of
its use.

In the event of a change in the schedule, shift, or location of an
assignment for a multi-day assignment of a temporary laborer, the
temporary help service firm shall provide notice of the
change not less than 48 hours in advance to the temporary laborer,
when possible, in a manner appropriate to whether the assignment
is accepted at the temporary help service firm’s office, or remotely
by telephone, text, email, or other electronic exchange. The
temporary help service firm shall bear the burden of showing that it
was not possible to provide the required notice. If a dispute arises
concerning whether it was possible for a temporary help service
firm to provide the required notice, an aggrieved party shall make
an application to the commissioner, in a manner and form
prescribed by the commissioner, for a determination on the matter.

If a temporary laborer is assigned to the same assignment for
more than one day, the temporary help service firm shall be
required to provide the employment notice only on the first day of
the assignment and on any day that any of the terms listed on the
employment notice are changed.

If the temporary laborer is not placed with a third party client or
otherwise contracted to work for that day, the temporary help
service firm shall, upon request, provide the temporary laborer with
a confirmation that the temporary laborer sought work, signed by an
employee of the temporary help service firm, which shall include
the name of the firm, the name and address of the temporary
laborer, and the date and the time that the temporary laborer
receives the confirmation.

b. No temporary help service firm shall send any temporary
laborer to any place where a strike, a lockout, or other labor dispute
exists without providing, at the time of dispatch, a statement, in
writing, informing the temporary laborer of the labor dispute, and
the laborer’s right to refuse the assignment.

c. The commissioner shall require temporary help service firms
to employ personnel who can effectively communicate the
information required in subsections a. and b. of this section to
temporary laborers in Spanish or in any other language that is
generally understood in the locale of the temporary help service
firm.

d. Any temporary help service firm that violates this section
shall be subject to a civil penalty of not less than $500 and not to
exceed $1,000 for each violation found by the commissioner. That
penalty shall be collected by the commissioner in a summary
proceeding in accordance with the "Penalty Enforcement Law of
e. The commissioner shall develop and implement a multilingual outreach program to inform temporary laborers about their rights pursuant to P.L. , c. (C. ) (pending before the Legislature as this bill). The program shall include the distribution of written materials in English, Spanish and any other language that is the primary language of 10 percent or more of the registered voters in the State to community-based organizations and worker centers who work with temporary workers, and regular outreach to these organizations to determine how the commissioner can better inform temporary laborers of their rights.

4. (New Section) a. Whenever a temporary help service firm sends one or more persons to work as temporary laborers, the temporary help service firm shall keep the following records relating to that transaction:

1. the name, address, and telephone number of the third party client, including each worksite, to which temporary laborers were sent by the temporary help service firm and the date of the transaction;

2. for each temporary laborer: the name and address, the specific location sent to work, the type of work performed, the number of hours worked, the hourly rate of pay, and the date sent.

The third party client shall be required to remit all information required under this paragraph to the temporary help service firm no later than seven days following the last day of the work week worked by the temporary laborer;

3. the name and title of the individual or individuals at each third party client's place of business responsible for the transaction;

4. any specific qualifications or attributes of a temporary laborer, requested by each third party client;

5. copies of all contracts, if any, with the third party client and copies of all invoices for the third party client;

6. copies of all employment notices provided in accordance with subsection a. of section 3 of P.L. , c. (C. ) (pending before the Legislature as this bill);

7. the amounts of any deductions to be made from each temporary laborer's compensation by either the third party client or by the temporary help service firm for the temporary laborer's food, equipment, withheld income tax, withheld Social Security deductions, and every other deduction;

8. verification of the actual cost of any equipment or meal charged to a temporary laborer; and.

9. the race, ethnicity, and gender of each temporary laborer or applicant, as provided by that laborer or applicant, who requests employment with, or is contracted by, the temporary help service firm. For each applicant, the temporary help service firm shall provide the applicant with and retain a copy of a written notice specifying the date, time, and location at which the applicant
requested employment, signed by an employee of the temporary
help service firm; and
(10) any additional information required by the commissioner.
b. The temporary help service firm shall maintain all records
under this section for a period of six years from their creation. The
records shall be open to inspection by the commissioner during
normal business hours. Records described in paragraphs (1), (2),
(3), (6), (7), and (8) of subsection a. of this section shall be
available for review or copying by that temporary laborer or an
authorized representative of the temporary laborer during normal
business hours within five days following a written request.
In addition, a temporary help service firm shall make records
related to the number of hours billed to a third party client for that
individual temporary laborer's hours of work available for review or
copying during normal business hours within five days following a
written request. The temporary help service firm shall make forms,
in duplicate, for those requests available to temporary laborers at
the dispatch office. The temporary laborer shall be given a copy of
the request form. It shall be a violation of this section to make any
false, inaccurate, or incomplete entry into, or to delete required
information from, any record required by this section.
c. (1) Failure by the third party client to maintain and remit
accurate time records to the temporary help service firm as provided
in paragraph (2) of subsection a. of this section shall constitute a
violation by a third party client under section 11 of
P.L. , c. (C. ) (pending before the Legislature as this bill),
unless the third party client has been precluded from submitting
those time records for reasons beyond its control. A third party
client that violates paragraph (2) of subsection a. of this section
shall be subject to a civil penalty not to exceed $500 for each
violation found by the commissioner. The penalty shall be
collected in a summary proceeding in accordance with the “Penalty
(2) A failure by the third party client to provide time records in
accordance with subsection b. of this section shall not be a violation
and shall not be the basis for a suit or other action under section 11
of P.L. , c. (C. ) (pending before the Legislature as this
bill), against the temporary help service firm.
(3) Failure of a third party client to remit any information
required by this section to a temporary help service firm shall not be
a defense to the temporary help service firm recordkeeping
requirements of this section.
5. (New section) a. A temporary help service firm or a third
party client, or a contractor or agent of either, shall charge no fee to
a temporary laborer to transport a temporary laborer to or from the
designated work site.
b. A temporary help service firm shall be responsible for the conduct and performance of any person who transports a temporary laborer from the firm to a work site, unless the transporter is:

(1) a public mass transportation system;

(2) a common carrier;

(3) the temporary laborer providing his or her own transportation; or

(4) selected exclusively by and at the sole choice of the temporary laborer for transportation in a vehicle not owned or operated by the temporary help service firm.

If any temporary help service firm provides transportation to a temporary laborer or refers a temporary laborer as provided in subsection c. of this section, the temporary help service firm shall not allow a motor vehicle to be used for the transporting of temporary laborers if the temporary help service firm knows or should know that the motor vehicle used for the transportation of temporary laborers is unsafe or not equipped as required by P.L. , (pending before the Legislature as this bill), unless the vehicle is:

(1) the property of a public mass transportation system;

(2) the property of a common carrier;

(3) the temporary laborer's personal vehicle; or

(4) a vehicle of a temporary laborer used to carpool other temporary laborers and which is selected exclusively by and at the sole choice of the temporary laborer for transportation.

c. A temporary help service firm shall not refer a temporary laborer to any person for transportation to a work site unless that person is:

(1) a public mass transportation system; or

(2) providing the transportation at no fee to the temporary laborer.

Directing the temporary laborer to accept a specific car pool as a condition of work shall be considered a referral by the temporary help service firm. Any mention or discussion of the cost of a car pool shall be considered a referral by the temporary help service firm. Informing a temporary laborer of the availability of a car pool driven by another temporary laborer shall not be considered a referral by the temporary help service firm.

The temporary help service firm shall obtain, and keep on file, documentation that any provider of transportation to the temporary laborer that the temporary help service firm makes referrals to or contracts with is in compliance with the requirements of subsections d., e., and f. of this section.

d. Any motor vehicle that is owned or operated by the temporary help service firm or a third party client, or a contractor or agent of either, or to which a temporary help service firm refers a temporary laborer, which is used for the transportation of temporary laborers shall comply with minimum insurance requirements set by the State
of New Jersey. The driver of the vehicle shall hold a valid license
to operate motor vehicles in the correct classification and shall be
required to produce the license immediately upon demand by the
commissioner or any other person authorized to enforce
P.L. , c. ( ) (pending before the Legislature as this bill).
The commissioner shall forward a violation of this subsection to the
appropriate law enforcement authority or regulatory agency.

e. A motor vehicle that is owned or operated by the temporary
help service firm or a third party client, or a contractor or agent of
either, or to which a temporary help service firm refers a temporary
laborer, which is used for the transportation of temporary laborers
shall have a seat and a safety belt for each passenger. The
commissioner shall forward a violation of this subsection to the
appropriate law enforcement authority or regulatory agency.

f. Unless the temporary laborer requests otherwise, when a
temporary laborer has been transported to a work site, the
temporary help service firm or a third party client, or a contractor or
agent of either, shall provide transportation back to the point of hire
at the end of each work day.

6. (New section) a. At the time of payment of wages, a
temporary help service firm shall provide each temporary laborer
with a detailed itemized statement, on the temporary laborer's
paycheck stub or on a form approved by the commissioner, listing
the following:

(1) the name, address, and telephone number of each third party
client at which the temporary laborer worked. If this information is
provided on the temporary laborer's paycheck stub, a code for each
third party client may be used so long as the required information
for each coded third party client is made available to the temporary
laborer;

(2) the number of hours worked by the temporary laborer at each
third party client each day during the pay period. If the temporary
laborer is assigned to work at the same work site of the same third
party client for multiple days in the same work week, the temporary
help service firm may record a summary of hours worked at that
third party client's worksite so long as the first and last day of that
work week are identified as well;

(3) the rate of payment for each hour worked, including any
premium rate or bonus. Overtime pay shall be paid in accordance
with the provisions of subsection b. of section 5 of P.L.1966, c.113
(C.34:11-56a4);

(4) the total pay period earnings;

(5) the amount of each deduction made from the temporary
laborer's compensation made either by the third party client or by
the temporary help service firm, and the purpose for which each
deduction was made, including for the temporary laborer's food,
equipment, withheld income tax, withheld Social Security
deductions, and every other deduction; the current maximum amount of a placement fee which the temporary help service firm may charge to a third party client to directly hire the temporary laborer pursuant to subsection a. of section 7 of P.L. ,
c. (C. ) (pending before the Legislature as this bill); and
(6) any additional information required by the commissioner.

For each temporary laborer who is contracted to work a single day, the third party client shall, at the end of the work day, provide such temporary laborer with a work verification form, approved by the commissioner, which shall contain the date, the temporary laborer's name, the work location, and the hours worked on that day. Any third party client who violates this section shall be subject to a civil penalty not to exceed $500 for each violation found by the commissioner. The maximum civil penalty shall increase to $2,500 for a second or subsequent violation. Each violation of paragraph 1 of this subsection for each temporary laborer and for each day the violation continues shall constitute a separate and distinct violation. That penalty shall be collected by the commissioner in a summary proceeding in accordance with the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

b. A temporary help service firm shall provide each temporary laborer an annual earnings summary within a reasonable time after the preceding calendar year, but in no case later than February 1 of each year. A temporary help service firm shall, at the time of each wage payment, give notice to temporary laborers of the availability of the annual earnings summary or post such a notice in a conspicuous place in the public reception area.

c. At the request of a temporary laborer, a temporary help service firm shall hold the daily wages of the temporary laborer and make either weekly, bi-weekly, or semi-monthly payments. The wages shall be paid in a single check, or, at the temporary laborer's sole option, by direct deposit or other manner approved by the commissioner, representing the wages earned during the period, either weekly, bi-weekly, or semi-monthly, designated by the temporary laborer in accordance with P.L.1965, c.173 (C.34:11-4.1 et seq.).

Vouchers or any other method of payment which are not negotiable shall be prohibited as a method of payment of wages. Temporary help service firms that make daily wage payments shall provide written notification to all temporary laborers of the right to request weekly, bi-weekly, or semi-monthly checks. The temporary help service firm may provide this notice by conspicuously posting the notice at the location where the wages are received by the temporary laborers.

d. No temporary help service firm shall charge any temporary laborer for cashing a check issued by the temporary help service firm for wages earned by a temporary laborer who performed work through that temporary help service firm. No temporary help service
firm or third party client shall charge any temporary laborer for the expense of conducting any consumer report, as that term is defined in the “Fair Credit Reporting Act,” (15 U.S.C. s.1681 et seq.), any criminal background check of any kind, or any drug test of any kind.

e. Temporary laborers shall be paid no less than the wage rate stated in the notice as provided in section 3 of P.L. , c. (C. ) (pending before the Legislature as this bill), for all the work performed on behalf of the third party client in addition to the work listed in the written description.

f. 1(1) The total amount deducted for meals and equipment shall not cause a temporary laborer's hourly wage to fall below the State or federal minimum wage, whichever is greater. 1(However, a)  

   (2) A temporary help service firm may deduct the actual market value of reusable equipment provided to the temporary laborer by the temporary help service firm which the temporary laborer fails to return, if the temporary laborer provides a written authorization for that deduction at the time the deduction is made. 1(For any additional equipment, clothing, accessories, or other items which are not required by the nature of the work, either by law, custom, or as a requirement of the third party client that the temporary help service firm makes available for purchase, the temporary help service firm shall charge no more than actual market value.  

   (3) A temporary help service firm shall not charge temporary laborer for any meal not consumed by the temporary laborer and, if consumed, no more than the actual cost of a meal. The purchase of a meal shall not be a condition of employment for a temporary laborer. 1  

g. A temporary laborer who is contracted by a temporary help service firm to work at a third party client's worksite but is not utilized by the third party client shall be paid by the temporary help service firm for a minimum of four hours of pay at the agreed upon rate of pay. However, in the event the temporary help service firm contracts the temporary laborer to work at another location during the same shift, the temporary laborer shall be paid by the temporary help service firm for a minimum of two hours of pay at the agreed upon rate of pay.  

h. A third party client is required to reimburse a temporary help service firm wages and related payroll taxes for services performed by the temporary laborer for the third party client according to payment terms outlined on invoices, service agreements, or stated terms provided by the temporary help service firm. A third party client who fails to comply with this subsection is subject to the penalties provided in section 11 of P.L. , c. (C. ) (pending before the Legislature as this bill).

The commissioner shall review a complaint filed by a licensed temporary help service firm against a third party client. The
commissioner shall review the payroll and accounting records of the
temporary help service firm and the third party client for the period
in which the violation of P.L. , c. (pending before the
Legislature as this bill) is alleged to have occurred to determine if
wages and payroll taxes have been paid to the temporary help
service firm and that the temporary laborer has been paid the wages
owed.

i. Any temporary help service firm that violates this section
shall be subject to a civil penalty not to exceed $500 for each
violation found by the commissioner. That penalty shall be
collected by the commissioner in a summary proceeding in
accordance with the "Penalty Enforcement Law of 1999," P.L.1999,
c.274 (C.2A:58-10 et seq.).

7. (New section) a. (1) No temporary help service firm shall
restrict the right of a temporary laborer to accept a permanent
position with a third party client to whom the temporary laborer has
been referred for work, restrict the right of a third party client to
offer employment to a temporary laborer, or restrict the right of a
temporary laborer to accept a permanent position for any other
employment. A temporary help service firm may charge a
placement fee to a third party client for employing a temporary
laborer for whom a contract for work was effected by the temporary
help service firm not to exceed the equivalent of the total daily
commission rate the temporary help service firm would have
received over a 60-day period, reduced by the equivalent of the
daily commission rate the temporary help service firm would have
received for each day the temporary laborer has performed work for
the temporary help service firm in the preceding 12 months.

(2) Any temporary help service firm which charges a placement
fee to a third party client for employing a temporary laborer shall
include on the wage payment and notice form of each affected
temporary laborer the maximum amount of a fee that shall be
charged to a third party client by the temporary help service firm,
and the total amount of actual charges to the third party client for
the temporary laborer during each pay period compared to the total
compensation cost for the temporary laborer, including costs of any
benefits provided. Failure to provide the required information shall
constitute a separate violation for each day the temporary help
service firm fails to provide the required information. No fee
provided for under this section shall be assessed or collected by the
temporary help service firm when the temporary laborer is offered
permanent work following the suspension or revocation of the
temporary help service firm's registration by the commissioner.

b. Each year, at the time of registration with the commissioner
as required by section 8 of P.L. , c. (pending before
the Legislature as this bill), each temporary help service firm shall
submit to the commissioner, on a form created by the
commissioner, the number of temporary laborers the temporary help
service firm has placed in a permanent position with a third party
client in the preceding 12 months as well as the percentage those
permanent placements represent of the total number of temporary
laborers contracted by the temporary help service firm during the
same period. Each day that the temporary help service firm fails to
fully comply with the requirements of this subsection shall
constitute a separate notice violation.

c. Any temporary laborer assigned to work at a third party client
shall not be paid less than the same average rate of pay and
equivalent benefits as a permanent employee of the third party
client performing the same or substantially similar work on jobs the
performance of which requires equal skill, effort, and responsibility,
and which are performed under similar working conditions. Each
violation of this subsection for each affected temporary laborer
shall constitute a separate violation under section 11 of
P.L. [C. ] (pending before the Legislature as this bill).

d. Any temporary help service firm that violates this section
shall be subject to a civil penalty not to exceed $5,000 for
each violation found by the commissioner. That penalty shall be
collected by the commissioner in a summary
proceeding in accordance with the "Penalty Enforcement Law of

e. If a third party client leases or contracts with a temporary
help service firm for the services of a temporary laborer, the third
party client shall be, with the temporary help service firm, jointly
and severally responsible for any violation of this section, including
with respect to relief provided by section 11 of P.L. [C. ] (pending before the Legislature as this bill) and civil
penalties found by the commissioner.

8. (New section) a. A temporary help service firm which is
located, operates, or transacts business within this State shall
register with the commissioner in accordance with rules adopted by
the commissioner for temporary help service firms and shall be
subject to P.L. [C. ] (pending before the Legislature as
this bill). Each temporary help service firm shall provide proof of
an employer account number issued by the commissioner for the
payment of unemployment insurance contributions as required
under the “unemployment compensation law,” R.S.43:21-1 et seq.,
and proof of valid workers' compensation insurance in effect at the
time of registration covering all of its employees. If, at any time, a
temporary help service firm's workers' compensation insurance
coverage lapses, the temporary help service firm shall have an
affirmative duty to report the lapse of coverage to the commissioner
and the temporary help service firm's registration shall be
suspended until the firm's workers' compensation insurance is
reinstated.
The commissioner shall assess each temporary help service firm a non-refundable registration fee not exceeding $2,000 per year per temporary help service firm and a non-refundable fee not to exceed $750 for each branch office or other location where the temporary help service firm regularly contracts with temporary laborers for services. The fee shall be paid by check or money order, and the commissioner may not refuse to accept a check on the basis that it is not a certified check or a cashier's check. The commissioner may charge an additional fee to be paid by a temporary help service firm if the firm, or any person on the firm's behalf, issues or delivers a check to the commissioner that is not honored by the financial institution upon which it is drawn. The commissioner shall adopt rules for violation hearings and penalties for violations of P.L. , c. (pending before the Legislature as this bill).

At the time of registration with the commissioner each year, a temporary help service firm shall provide the commissioner with a report containing the information identified in paragraph (9) of subsection a. of section 4 of P.L. , c. (pending before the Legislature as this bill), broken down by branch office, in the aggregate for all temporary laborers assigned within New Jersey in the prior year to be submitted on a form created by the commissioner.

b. It is a violation of P.L. , c. (pending before the Legislature as this bill) to operate a temporary help service firm without being registered with the commissioner in accordance with subsection a. of this section. The Commissioner shall share a list of all registered temporary help service firms with the Division of Consumer Affairs in the Department of Law and Public Safety, and the division shall create and maintain on its Internet website, accessible to the public:

(1) a list of all registered temporary help service firms in the State whose registration is in good standing;
(2) a list of temporary help service firms in the State whose registration has been suspended, including the reason for the suspension, the date that the suspension was initiated, and the date, if known, that the suspension is to be lifted; and
(3) a list of temporary help service firms in the State whose registration has been revoked, including the reason for the revocation and the date that the registration was revoked.

The commissioner shall assess a penalty against any temporary help service firm that fails to register with the commissioner in accordance with P.L. , c. (pending before the Legislature as this bill) or any rules adopted under P.L. , c. (pending before the Legislature as this bill) of $5,000 for each violation. Each day during which a person operates as a temporary help service firm without being registered as a temporary help service firm with the commissioner shall be a separate and distinct violation of P.L. , c. (

rights granted under P.L. , c. (C. ) (pending before the
Legislature as this bill). The termination or disciplinary action by a
temporary help service firm against a temporary laborer within 90
days of the person's exercise of rights protected under P.L. ,
c. (C. ) (pending before the Legislature as this bill) shall raise a
rebuttable presumption of having done so in retaliation for the
exercise of those rights. Such retaliation shall subject a temporary
help service firm or third party client, or both, to civil penalties
pursuant to P.L. , c. (C. ) (pending before the Legislature as
this bill) or a private cause of action.

Legislature as this bill).

c. When the commissioner finds that a temporary help service
firm or third party client has violated this section, the commissioner
is authorized to assess and collect administrative penalties, up to a
maximum of $250 for a first violation and up to a maximum of
$500 for each subsequent violation, specified in a schedule of
penalties to be promulgated as a rule or regulation by the
commissioner in accordance with the "Administrative Procedure
Act," P.L.1968, c.410 (C.52:14B-1 et seq.). When determining the
amount of the penalty imposed because of a violation, the
commissioner shall consider factors which include the history of
previous violations by the employer, the seriousness of the
violation, the good faith of the employer and the size of the
employer's business. No administrative penalty shall be levied
pursuant to this section unless the commissioner provides the
alleged violator with notification of the violation and of the amount
of the penalty by certified mail and an opportunity to request a
hearing before the commissioner or his designee within 15 days
following the receipt of the notice. If a hearing is requested, the
commissioner shall issue a final order upon such hearing and a
finding that a violation has occurred. If no hearing is requested, the
notice shall become a final order upon expiration of the 15-day
period. Payment of the penalty is due when a final order is issued
or when the notice becomes a final order. Any penalty imposed
pursuant to this section may be recovered with costs in a summary proceeding commenced by the commissioner pursuant to "the penalty enforcement law" (N.J.S. 2A:58-1 et seq.). (C. ) (pending before the Legislature as this bill).

A temporary help service firm aggrieved by a violation of P.L. , c. (C. ) (pending before the Legislature as this bill) by a third party client may institute a civil action in the Superior Court, in the county where the alleged offense occurred or where the temporary help service firm which is party to the action is located.

An action may be brought by one or more temporary laborers employed by the temporary help service firm for and on behalf of themselves and other temporary laborers similarly situated against the temporary help service firm or a third party client.

Notwithstanding any other relief provided under any other provision of law, a temporary laborer whose rights have been violated under P.L. , c. (C. ) (pending before the Legislature as this bill) by a temporary help service firm or a third party client or a temporary help service firm whose rights have been violated under P.L. , c.
