2C:44-1. a. In determining the appropriate sentence to be
imposed on a person who has been convicted of an offense, the
court shall consider the following aggravating circumstances:
(1) The nature and circumstances of the offense, and the role of
the actor in committing the offense, including whether or not it was
committed in an especially heinous, cruel, or depraved manner;
(2) The gravity and seriousness of harm inflicted on the victim,
including whether or not the defendant knew or reasonably should
have known that the victim of the offense was particularly
vulnerable or incapable of resistance due to advanced age, ill-
health, or extreme youth, or was for any other reason substantially
incapable of exercising normal physical or mental power of
resistance;
(3) The risk that the defendant will commit another offense;
(4) A lesser sentence will depreciate the seriousness of the
defendant's offense because it involved a breach of the public trust
under chapters 27 and 30 of this title, or the defendant took
advantage of a position of trust or confidence to commit the
offense;
(5) There is a substantial likelihood that the defendant is
involved in organized criminal activity;
(6) The extent of the defendant's prior criminal record and the
seriousness of the offenses of which the defendant has been
convicted;
(7) The defendant committed the offense pursuant to an
agreement to either pay or be paid for the commission of the
offense and the pecuniary incentive was beyond that inherent in the
offense itself;

defendant committed the offense because of the status of the victim
as a public servant; [or] the defendant committed the offense
against a sports official, athletic coach or manager, acting in or
immediately following the performance of the person's duties or
because of the person's status as a sports official, coach or manager;
or the defendant committed the offense against any [worker
employed by a licensed health care facility or a] health care
professional [licensed or otherwise authorized pursuant to Title 26
or Title 45 of the New Jersey Statutes to practice a health care
profession while clearly identifiable as being engaged in the duties
of providing direct patient care, practicing the health care
profession, or any other professional duties], volunteer working for
a health care professional or working at a health care facility, or
employee of a health care professional or [health care] facility,
while the health care professional, volunteer, or employee is
performing official duties.

For the purposes of this paragraph, “health care facility” and
“health care professional” mean the same as those terms are defined
in subsection b. of section 3 of P.L. , c. (C. )(pending before the
Legislature as this bill);1:
(9) The need for deterring the defendant and others from
violating the law;
(10) The offense involved fraudulent or deceptive practices
committed against any department or division of State government;
(11) The imposition of a fine, penalty, or order of restitution
without also imposing a term of imprisonment would be perceived
by the defendant or others merely as part of the cost of doing
business, or as an acceptable contingent business or operating
expense associated with the initial decision to resort to unlawful
practices;
(12) The defendant committed the offense against a person who
the defendant knew or should have known was 60 years of age or
older, or disabled;
(13) The defendant, while in the course of committing or
attempting to commit the crime, including the immediate flight
therefrom, used or was in possession of a stolen motor vehicle;
(14) The offense involved an act of domestic violence, as that
term is defined in subsection a. of section 3 of P.L.1991, c.261
(C.2C:25-19), committed in the presence of a child under 16 years
of age; and
(15) The offense involved an act of domestic violence, as that
term is defined in subsection a. of section 3 of P.L.1991, c.261
(C.2C:25-19) and the defendant committed at least one act of
domestic violence on more than one occasion.

b. In determining the appropriate sentence to be imposed on a
person who has been convicted of an offense, the court may
properly consider the following mitigating circumstances:
(1) The defendant's conduct neither caused nor threatened serious harm;
(2) The defendant did not contemplate that the defendant's conduct would cause or threaten serious harm;
(3) The defendant acted under a strong provocation;
(4) There were substantial grounds tending to excuse or justify the defendant's conduct, though failing to establish a defense;
(5) The victim of the defendant's conduct induced or facilitated its commission;
(6) The defendant has compensated or will compensate the victim of the defendant's conduct for the damage or injury that the victim sustained, or will participate in a program of community service;
(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present offense;
(8) The defendant's conduct was the result of circumstances unlikely to recur;
(9) The character and attitude of the defendant indicate that the defendant is unlikely to commit another offense;
(10) The defendant is particularly likely to respond affirmatively to probationary treatment;
(11) The imprisonment of the defendant would entail excessive hardship to the defendant or the defendant's dependents;
(12) The willingness of the defendant to cooperate with law enforcement authorities;
(13) The conduct of a youthful defendant was substantially influenced by another person more mature than the defendant; and
(14) The defendant was under 26 years of age at the time of the commission of the offense.

c. (1) A plea of guilty by a defendant or failure to so plead shall not be considered in withholding or imposing a sentence of imprisonment.
(2) When imposing a sentence of imprisonment the court shall consider the defendant's eligibility for release under the law governing parole, including time credits awarded pursuant to Title 30 of the Revised Statutes, in determining the appropriate term of imprisonment.

d. Presumption of imprisonment. The court shall deal with a person who has been convicted of a crime of the first or second degree, or a crime of the third degree where the court finds that the aggravating factor in paragraph (5), (14), or (15) of subsection a. of this section applies, by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that the defendant's imprisonment would be a serious injustice which overrides the need to deter such conduct by others. Notwithstanding the provisions of subsection e. of this section, the court shall deal with a person who has been convicted of theft of a motor vehicle or of the unlawful taking of a motor vehicle and who
has previously been convicted of either offense by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that imprisonment would be a serious injustice which overrides the need to deter such conduct by others.

e. The court shall deal with a person convicted of an offense other than a crime of the first or second degree, who has not previously been convicted of an offense, without imposing a sentence of imprisonment unless, having regard to the nature and circumstances of the offense and the history, character, and condition of the defendant, it is of the opinion that imprisonment is necessary for the protection of the public under the criteria set forth in subsection a. of this section, except that this subsection shall not apply if the court finds that the aggravating factor in paragraph (5), (14) or (15) of subsection a. of this section applies or if the person is convicted of any of the following crimes of the third degree: theft of a motor vehicle; unlawful taking of a motor vehicle; eluding; strict liability vehicular homicide pursuant to section 1 of P.L.2017, c.165 (C.2C:11-5.3); if the person is convicted of a crime of the third degree constituting use of a false government document in violation of subsection c. of section 1 of P.L.1983, c.565 (C.2C:21-2.1); if the person is convicted of a crime of the third degree constituting distribution, manufacture or possession of an item containing personal identifying information in violation of subsection b. of section 6 of P.L.2003, c.184 (C.2C:21-17.3); if the person is convicted of a crime of the third or fourth degree constituting bias intimidation in violation of N.J.S.2C:16-1; if the person is convicted of a crime of the third degree under paragraph (12) of subsection b. of N.J.S.2C:12-1 or section 2 of P.L.1997, c.111 (C.2C:12-1.1); or if the person is convicted of a crime of the third or fourth degree under the provisions of section 1 or 2 of P.L.2007, c.341 (C.2C:33-29 or C.2C:33-30).

f. Presumptive Sentences. (1) Except for the crime of murder, unless the preponderance of aggravating or mitigating factors, as set forth in subsections a. and b. of this section, weighs in favor of a higher or lower term within the limits provided in N.J.S.2C:43-6, when a court determines that a sentence of imprisonment is warranted, it shall impose sentence as follows:

(a) To a term of 20 years for aggravated manslaughter or kidnapping pursuant to paragraph (1) of subsection c. of N.J.S.2C:13-1 when the offense constitutes a crime of the first degree;
(b) Except as provided in subparagraph (a) of this paragraph to a term of 15 years for a crime of the first degree;
(c) To a term of seven years for a crime of the second degree;
(d) To a term of four years for a crime of the third degree; and
(e) To a term of nine months for a crime of the fourth degree.

In imposing a minimum term pursuant to subsection b. of N.J.S.2C:43-6, the sentencing court shall specifically place on the
record the aggravating factors set forth in this section which justify
the imposition of a minimum term.

3

Unless the preponderance of mitigating factors set forth in
subsection b. weighs in favor of a lower term within the limits
authorized, sentences imposed pursuant to paragraph (1) of
subsection a. of N.J.S.2C:43-7 shall have a presumptive term of life
imprisonment. Unless the preponderance of aggravating and
mitigating factors set forth in subsections a. and b. of this section
weighs in favor of a higher or lower term within the limits
authorized, sentences imposed pursuant to paragraph (2) of
subsection a. of N.J.S.2C:43-7 shall have a presumptive term of 50
years' imprisonment; sentences imposed pursuant to paragraph (3)
of subsection a. of N.J.S.2C:43-7 shall have a presumptive term of
15 years' imprisonment; and sentences imposed pursuant to
paragraph (4) of subsection a. of N.J.S.2C:43-7 shall have a
presumptive term of seven years' imprisonment.

In imposing a minimum term pursuant to subsection b. of
N.J.S.2C:43-7, the sentencing court shall specifically place on the
record the aggravating factors set forth in this section which justify
the imposition of a minimum term.

(2) In cases of convictions for crimes of the first or second
degree where the court is clearly convinced that the mitigating
factors substantially outweigh the aggravating factors and where the
interest of justice demands, the court may sentence the defendant to
a term appropriate to a crime of one degree lower than that of the
crime for which the defendant was convicted. If the court does
impose sentence pursuant to this paragraph, or if the court imposes
a noncustodial or probationary sentence upon conviction for a crime
of the first or second degree, the sentence shall not become final for
10 days in order to permit the appeal of the sentence by the
prosecution.

g. Imposition of Noncustodial Sentences in Certain Cases. If
the court, in considering the aggravating factors set forth in
subsection a. of this section, finds the aggravating factor in
paragraph (2), (5), (10), or (12) of subsection a. of this section and
does not impose a custodial sentence, the court shall specifically
place on the record the mitigating factors which justify the
imposition of a noncustodial sentence.

h. Except as provided in section 2 of P.L.1993, c.123 (C.2C:43-
11), the presumption of imprisonment as provided in subsection d.
of this section shall not preclude the admission of a person to the
Intensive Supervision Program, established pursuant to the Rules
Governing the Courts of the State of New Jersey.
