STATEMENT

12

13 This bill appropriates \$70 million in federal funds to the New
14 Jersey Economic Development Authority (EDA) to support arts and
15 culture organizations, including for-profit businesses and non-profit
16 organizations, that were negatively impacted by the COVID-19
17 pandemic.

18 Under the bill, the EDA, in consultation with the New Jersey
19 State Council on the Arts (council), would be required to award \$50
20 million in grants to support the financial recovery, resiliency, and
21 growth of qualifying arts and culture organizations. However, of
22 this total, \$10 million in grants would be dedicated to arts education
23 organizations that provide programs and services for public schools
24 or afterschool programs. Specifically, these grants may be used to
25 offset any revenue losses that occurred as a direct result of the
26 COVID-19 pandemic or provide the cash reserves necessary to
27 ensure continued operations in the event of future pandemic-related
28 shutdowns.

29 Additionally, the bill requires the EDA, in consultation with the
30 council, to award \$20 million in grants to qualifying arts and culture
31 organizations to support the completion of placemaking projects in
32 public spaces. Under the bill, placemaking projects would include
33 any creative or artistic project intended to beautify or enrich public
34 spaces, such as artistic paintings on roadways or sidewalks,
35 landscape plantings in public areas, educational signage, and other
36 artistic, cultural, or educational installations.

37 The monies appropriated under the bill would be provided from
38 the State’s allocation of funds from the federal “Coronavirus State
39 Fiscal Recovery Fund,” established pursuant to the federal
40 “American Rescue Plan Act of 2021,” Pub.L. 117-2.
