Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Local Recreational Improvement Grants shall be used to provide grants to local units for repairs and improvements to public recreational facilities pursuant to a competitive process administered by the Division of Local Government Services, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed on the following schedule: on or before August 1, 45% of the total amount due; September 1, 30% of the total amount due; October 1, 15% of the total amount due; November 1, 5% of the total amount due; December 1 for municipalities operating under a calendar fiscal year, 5% of the total amount due; and June 1 for municipalities operating under the State fiscal year, 5% of the total amount due; provided, however, that notwithstanding the provisions of any law or regulation to the contrary, the Director of Local Government Services, in consultation with the Commissioner of Community Affairs and the State Treasurer, may direct the Director of the Division of Budget and Accounting to provide such payments on an accelerated schedule if necessary to ensure fiscal stability for a municipality.

Notwithstanding the provisions of any law or regulation to the contrary, from the amounts received from the appropriation to the Consolidated Municipal Property Tax Relief Aid program and received from amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Aid account, each municipality shall be required to distribute to each fire district within its boundaries the amount received by the fire district from the Supplementary Aid for Fire Services program pursuant to the provisions of the fiscal year 1995 annual appropriations act, P.L.1994, c.67, less an amount proportional to reductions in the combined total amount received by the municipality from Consolidated Municipal Property Tax Relief Aid and from the Energy Tax Receipts Property Tax Relief Fund/Aid account since fiscal year 2008.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed in the same amounts, and to the same municipalities that received funding pursuant to the previous fiscal year's annual appropriations act; provided further, however, that from the amount hereinabove appropriated there are transferred to the Energy Tax Receipts Property Tax Relief Aid account such amounts as were determined for fiscal year 2022 and prior fiscal years pursuant to subsection e. of section 2 of P.L.1997, c.167 (C.52:27D-439), as amended by P.L.1999, c.168; the amount of Consolidated Municipal Property Tax Relief Aid received by any other municipality shall be increased by such amounts of Transitional Aid to Localities deemed to constitute Consolidated Municipal Property Tax Relief Aid by the Director of the Division of Local Government Services in the previous fiscal year.

Notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services shall take such actions as may be necessary to ensure that proportional amounts of the Consolidated Municipal Property Tax Relief Aid and the amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Aid account appropriated to offset losses from business personal property tax that would have otherwise been used for the support of public schools will be used to reduce the school property tax levy for those affected school districts with the remaining State Aid used as municipal property tax relief. The chief financial officer of the municipality shall pay to the school districts such amounts as may be due by December 31.

Notwithstanding the provisions of any law or regulation to the contrary, the release of the total annual amount due for the current fiscal year from Consolidated Municipal Property Tax Relief Aid to municipalities is subject to the following condition: the municipality shall submit to the Director of the Division of Local Government Services a report describing the municipality's compliance with the "Best Practices Inventory" established by the Director of the Division of Local Government Services and shall receive at least a minimum score on such inventory as determined by the Director of the Division of Local Government Services; provided, however, that the director may take into account the particular circumstances of

1 a municipality. In preparing the "Best Practices Inventory," the director shall identify best
3 municipal practices in the areas of general administration, fiscal management, and
operational activities, as well as the particular circumstances of a municipality, in
5 determining the minimum score acceptable for the release of the total annual amount due for
the current fiscal year.

7 The Director of the Division of Local Government Services may permit any municipality that
received "Regional Efficiency Aid Program" funds pursuant to the annual appropriations act
for fiscal year 2010, P.L.2009, c.68, to use a portion of its Consolidated Municipal Property
9 Tax Relief Aid or Energy Tax Receipts Property Tax Relief Aid, or both Consolidated
Municipal Property Tax Relief Aid and Energy Tax Receipts Property Tax Relief Aid, to
11 provide "Regional Efficiency Aid Program" benefits pursuant to P.L.1999, c.61 (C.54:4-8.76
et seq.).

13 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for Trenton Capital City Aid is subject to the following condition: The City of
15 Trenton shall enter into an agreement with the Department of Community Affairs setting
forth the terms and conditions for receipt of such aid, which shall include financial and
17 operational oversight by the Director of the Division of Local Government Services in the
Department of Community Affairs.

19 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for Consolidation Implementation shall be allocated to provide reimbursement
21 to local government units that consolidate pursuant to any law, including but not limited to
P.L.2007, c.63 (C.40A:65-1 et seq.) and P.L.2009, c.118 (C.54:1-86 et seq.), or to a
23 municipality that is wholly annexed by another municipality pursuant to N.J.S.40A:7-1 et
seq., for non-recurring costs that the Director of the Division of Local Government Services,
25 or in the case of a school district consolidation the Commissioner of Education, determines
to be necessary to implement such consolidation or annexation, subject to the approval of
27 the Director of the Division of Budget and Accounting; provided, however, that in addition
to the amounts hereinabove appropriated, there are appropriated such additional amounts as
29 are determined to be necessary for reimbursement of non-recurring costs associated with
local government unit consolidations, subject to the approval of the Director of the Division
31 of Budget and Accounting; provided further that there are appropriated such additional
amounts, not to exceed \$15,000,000, as the Director of the Division of Budget and
33 Accounting, in consultation with the Commissioner of Community Affairs and the Director
of the Division of Local Government Services, shall determine to be necessary to design and
35 implement one or more voluntary county-based demonstration projects to achieve
efficiencies and future cost savings in the provision of services at the local level.

37 Of the amount hereinabove appropriated for Transitional Aid to Localities, an amount may be
allocated by the Director of the Division of Local Government Services to provide
39 short-term financial assistance to a local government unit that is determined by the director
to be experiencing financial distress caused by the destruction or loss of a major local
41 business ratable. For purposes of this paragraph, a "major local business ratable" means one
or more related parcels of property owned by a single business entity, classified as
43 commercial or industrial, which comprised the largest assessed valuation of any one or more
line items of taxable property in a municipality, or generated an annual PILOT payment in
45 excess of 10% of the total municipal levy, or is otherwise determined by the director to be
of such significance to a municipality that its destruction or loss has resulted in financial
47 distress; provided, however, that notwithstanding the provisions of any law or regulation to
the contrary, the Director of the Division of Local Government Services may direct that part
49 of any such allocation be paid to an affected school district or county, or to both, in the same
manner as if the award of Transitional Aid were raised as revenue from the municipal tax
51 levy; and provided further that a local government unit determined to be experiencing
financial distress because of the loss or destruction of a major local business ratable shall not
53 be required to be subject to any additional conditions, requirements, orders, or other
operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144
55 (C.52:27D-118.42a), except as determined to be appropriate by the Director of the Division
of Local Government Services.

57 Of the amount hereinabove appropriated for Transitional Aid to Localities, amounts may be
allocated by the Director of the Division of Local Government Services to any State agency
59 or department, county, or county improvement authority to pay for services provided to or
on behalf of a participating municipal government unit pursuant to a memorandum of
61 understanding between that State agency or department, county, or county improvement

1 authority, as applicable and the Division of Local Government Services, subject to the
2 approval of the Director of the Division of Budget and Accounting

3 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
4 following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or
5 regulation to the contrary, the Commissioner of Labor and Workforce Development, in
6 consultation with the Commissioner of Community Affairs, is authorized to enter into
7 individualized payment plan agreements with municipalities that receive Transitional Aid
8 for the reimbursement of unemployment benefits paid to former employees of such
9 municipal government units, at reasonable interest rates based on current market conditions,
10 and on such other terms and conditions as may be determined to be appropriate by the
11 Commissioner of Labor and Workforce Development. Any municipality that enters into an
12 individualized payment plan agreement pursuant to this section shall be required to expend
13 all funds budgeted for this activity remaining as of the last day of its budget year for the
14 repayment of outstanding obligations under the plan.

15 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
16 appropriated for Transitional Aid to Localities shall be allocated to provide short-term
17 financial assistance where needed to help a municipality that is in serious fiscal distress meet
18 immediate budgetary needs and regain financial stability. A municipality shall be deemed
19 to be eligible for transitional aid if it is identified by the Director of the Division of Local
20 Government Services as experiencing serious fiscal distress where the director determines
21 that, despite local officials having implemented substantive cost reduction strategies, there
22 continue to exist conditions of serious fiscal distress, which may include but shall not be
23 limited to: substantial structural or accumulated deficits; ongoing reliance on non-recurring
24 revenues; limited ability to raise supplemental non-property tax revenues; extraordinary
25 demands for public safety appropriations; and other factors indicating a constrained ability
26 to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the
27 fiscal integrity of the municipality. Municipalities seeking transitional aid shall file an
28 application on a form prescribed by the director, which application, among other things, shall
29 set forth the minimum criteria that must be met in order for an application to be considered
30 by the director for a determination of eligibility. The director shall determine whether a
31 municipality which files an application meeting such minimum criteria is in serious fiscal
32 distress, and, if so, what amount of transitional aid should be provided to address the
33 municipality's serious fiscal distress. The transitional aid shall be provided to the
34 municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c.144
35 (C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as
36 determined by the Director of the Division of Local Government Services for a municipality
37 may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount
38 not in excess of the amount of Transitional Aid to Localities such municipality received in
39 the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property
40 Tax Relief Aid such municipality shall receive for the current fiscal year. Provided, however,
41 if the Director of the Division of Local Government Services deems an amount of
42 Transitional Aid to Localities for a municipality as constituting Consolidated Municipal
43 Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from
44 compliance with the requirements for transitional aid.

45 Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29)
46 or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
47 the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State
48 and non-profit organizations for recreation and conservation purposes shall be retained by
49 the municipality and not apportioned in the same manner as the general tax rate of the
50 municipality.

51 Notwithstanding the provisions of any law or regulation to the contrary, payments to
52 municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
53 for recreation and conservation purposes shall be provided only to municipalities whose
54 payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds
55 of the payment amount provided in fiscal year 2010, subject to the approval of the Director
56 of the Division of Budget and Accounting.

57 Notwithstanding the provisions of any law or regulation to the contrary, any qualifying
58 municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal
59 year, shall continue to be a qualifying municipality thereunder during the current fiscal year.

60 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds
61 appropriated as State Aid and payable to any municipality, which municipality requests and
receives the approval of the Local Finance Board, such funds may be pledged as a guarantee

for payment of principal and interest on any bond anticipation notes issued pursuant to section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available by the State Treasurer upon receipt of a written notification by the Director of the Division of Local Government Services that the municipality does not have sufficient funds available for prompt payment of principal and interest on such notes, and shall be paid by the State Treasurer directly to the holders of such notes at such time and in such amounts as specified by the director, notwithstanding that payment of such funds does not coincide with any date for payment otherwise fixed by law.

The State Treasurer, in consultation with the Commissioner of Community Affairs, is empowered to direct the Director of the Division of Budget and Accounting to transfer appropriations from any State department to any other State department as may be necessary to provide a loan for a term not to exceed 180 days to a local government unit faced with a fiscal crisis, including but not limited to a potential default on tax anticipation notes and on such other terms and conditions as may be required by the commissioner.

Notwithstanding the provisions of section 3 of P.L.2004, c.113 (C.26:2H-18.59i) or any law or regulation to the contrary, the appropriation for Health Care Subsidy Fund Payments is subject to the following conditions: the distribution of Charity Care funding shall be calculated in the following manner: (a) source data for the most recent census data shall be from the 2019 5-Year American Community Survey; (b) source data used shall be from calendar year (CY) 2019 for documented charity care claims data and hospital-specific gross revenue for charity care patients and shall include all adjustments and void claims related to CY 2019 and any prior year submitted claims, as submitted by each acute care hospital or determined by the Department of Health (DOH); (c) source data used for CY 2019 documented charity care for each hospital's total gross revenue for all patients shall be from the CY 2019 audited Acute Care Hospital Cost Report as defined by Form E4, Line 1, Column E data and shall be according to the DOH due date of August 31, 2020, as submitted by January 31, 2021 by each acute care hospital and audited by March 1, 2021; (d) source data used for CY 2019 documented charity care shall be from CY 2019 Medicaid Cost Report submitted by each acute care hospital by February 14, 2021; (e) in the event that an eligible hospital failed to submit the CY 2019 Acute Care Hospital Cost Report, source data from their CY 2018 Acute Care Hospital Cost Report shall be used for hospital-specific gross revenue for charity care patients and for hospital total gross revenue for all patients as defined by Form E4, Line 1, Column E; (f) in the event that an eligible hospital failed to submit a full year CY 2019 Acute Care Hospital Cost Report, source data from a supplemental 2019 Acute Care Hospital Cost Report shall be used for hospital-specific gross revenue for charity care patients and for hospital total gross revenue for all patients as defined by Form E4, Line 1, Column E; (g) for each eligible hospital, except those designated 96% by their hospital-specific reimbursed documented charity care, a proportionate decrease shall be applied to its calculated subsidy based on its percentage of total subsidy such that the total calculated subsidy for all hospitals shall equal \$342,000,000; and (h) the resulting value will constitute each eligible hospital's SFY 2023 charity care subsidy allocation.

Notwithstanding the provisions of any law or regulation to the contrary, as a condition of the receipt of any monies hereunder by an acute care hospital that is requesting an advance of charity care/NJ FamilyCare or payments from the "Health Care Facilities Improvement

Fund" or any payments over and above this act, the hospital shall comply with a request by the Commissioner of Health for a review of its finances and operations to ensure that access to health care is maintained and public funds are utilized for their intended purposes. The cost of such review shall be borne by the acute care hospital and shall comply with any financial and operational performance requirements imposed by the commissioner as deemed necessary as a result of the review.

The amounts hereinabove appropriated for Health Care Subsidy Fund Payments are conditioned upon the following provision: the Department of Health shall review, examine, or audit any and all financial information maintained by an acute care hospital to ensure appropriate use of public funds.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated from the Health Care Subsidy Fund for Charity Care payments are subject to the following condition: A disproportionate share hospital eligible for funding through the Charity Care program may decline Charity Care payments for the fiscal year by notifying the Commissioner of Health on a form designated by the Department of Health on or before the fifteenth day following enactment. If a disproportionate share hospital declines Charity Care payments for the fiscal year the amount declined will be redistributed in accordance with the provisions of section 3 of P.L.2004, c.113 (C.26:2H-18.59i), as modified by this act.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Charity Care Subsidy is subject to the condition that participating hospitals shall demonstrate participation in the New Jersey Department of Health's New Jersey Health Information Network (NJHIN). For purposes of this paragraph, demonstrated participation in the NJHIN shall mean: (1) the hospital has directly, or indirectly through another Trusted Data Sharing Organization, executed the NJHIN Data Use and Reciprocal Support Agreement and the NJHIN Business Associate Agreement; (2) the hospital executed and participates in the NJHIN Core Use Case; and (3) the hospital executed and participates in the Statewide Admission, Discharge, Transfer Notification Use Case, as determined by the Commissioner of Health.

There are appropriated such additional sums as are required to pay all amounts due from the State pursuant to any contract entered into between the State Treasurer and the New Jersey Health Care Facilities Financing Authority pursuant to section 6 of P.L.2000, c.98 (C.26:2I-7.1) in connection with the Hospital Asset Transformation Program.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated from the Health Care Subsidy Fund for Charity Care payments are subject to the following condition: In a manner determined by the Commissioner of Health and subject to the approval of the Director of the Division of Budget and Accounting, eligible hospitals shall receive (1) their charity care subsidy payments beginning in July 2022, and (2) their January 2023 payments in December 2022. If an eligible hospital closes before June 30, 2023, the hospital shall reimburse to the State upon closure any subsidy payments attributed on the normal monthly payment basis to after the hospital's date of closure.

Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval and full Federal Financial Participation, \$24,000,000 from the amounts hereinabove appropriated from Graduate Medical Education (GME) shall be designated as Supplemental Graduate Medical Education Subsidy (GME-S), and shall be available to hospitals that meet the following eligibility criteria: (a) an eligible hospital has a Relative Medicaid Percentage (RMP) that is among the top fourteen acute care hospitals with a residency program; (b) the RMP is a ratio calculated using the 2019 Audited Acute Care Hospital (ACH) Cost Reports according to the DOH due date of August 31, 2020, as submitted by January 31, 2021 by each acute care hospital and audited by March 1, 2021; (c) the RMP numerator equals a hospital's gross revenue from patient care for Medicaid and Medicaid HMO payers as reported on Forms E5 and E6, Line 1, Column D & Column H; (d) the RMP denominator equals a hospital's gross revenue from patient care as reported on Form E4, Line 1, Column E; (e) for instances where hospitals that have a single Medicaid identification number submit a separate ACH Cost Report for each individually licensed hospital, the ACH Cost Report data for those hospitals shall be consolidated to the single Medicaid identification number; (f) the GME-S Subsidy shall be calculated using the same methodology as the GME Subsidy is calculated in this act, except the total amount of the GME-S Subsidy payments shall not exceed \$24,000,000.

Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval and full Federal Financial Participation, \$218,000,000 from amounts hereinabove appropriated for Graduate

In the event the hospital completed a merger, acquisition, or business combination resulting in two cost reports filed during the calendar year, two cost reports will be combined into one or a supplemental cost report for the calendar year 2019 submitted by the affected acute care hospital by January 31, 2021 shall be used. In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State as per source data defined in (b) above; (d) Medicaid managed care DME cost begins with the intern and residency program costs using the 2019 submitted Medicaid cost report total residency costs, reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I Column 22 Line 22 divided by the 2019 resident full time equivalent employees (FTE), reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per resident FTE for each hospital; (e) median cost per resident FTE is calculated based on the average cost per resident FTE for each hospital; (f) the median cost per resident FTE is multiplied by the 2019 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 to develop total median residency program cost for each hospital; (g) median residency costs are multiplied by the ratio of Medicaid managed care days, reported on Worksheet S-3 Column 7 Line 2, divided by the difference of total days, reported on Worksheet S-3 Column 8 Line 14, less nursery days, reported on Worksheet S-3 Column 8 Line 13 to determine the Medicaid managed care DME cost of each hospital; (h) Medicaid managed care IME cost is defined as the Medicare IME factor multiplied by Medicaid managed care encounter payments as per source data defined in (b) above; (i) the IME factor is calculated using the Medicare IME formula as follows: $1.35 * [(1 + x)^{0.405} - 1]$, in which "x" is the ratio of submitted IME resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 divided by the difference of total available beds, reported on Worksheet S-3 Column 2 Line 14, less nursery beds, reported on Worksheet S-3 Column 2 Line 13; (j) total 2019 Medicaid managed care GME costs shall equal total 2019 Medicaid managed care IME costs plus total 2019 Medicaid managed care DME costs; (k) the 2019 total Medicaid managed care DME costs is divided by the total 2019 Medicaid managed care GME costs; (l) the DME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (k) above; (m) each hospital's percentage of total 2019 Medicaid managed care DME costs shall be multiplied by the DME allocation to calculate its DME payment; (n) the 2019 total Medicaid managed care IME costs are divided by the total 2019 Medicaid managed care GME costs; (o) the IME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (n) above; (p) each hospital's percentage of total 2019 Medicaid managed care IME costs shall be multiplied by the IME allocation to calculate its IME payment; (q) the sum of a hospital's DME and IME payments shall equal its subsidy payment. The total GME Subsidy amount and these payments shall not exceed \$218,000,000 and shall be paid in 12 monthly payments; (r) in the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued; (s) each hospital receiving a GME allocation shall, on or before May 31, 2023, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Graduate Medical Education (GME) is subject to the following condition: participating hospitals shall provide to residents and fellows participating in the GME program instruction concerning prevention of opioid addiction as well as diagnosis, assessment, and treatment strategies: provided, however, that such instruction may also be

provided to other students and providers including, but not limited to, physicians, nurses, pharmacists, and social workers, working within the hospital or in the outpatient setting. State Aid:

08	Support of Patients in County Psychiatric Hospitals (PTRF)	(\$122,711,000)
----	--	-----------------

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated for the same purpose.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State share of payments from the Support of Patients in County Psychiatric Hospitals account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period July 1 to December 31 and at the rate of 45 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period January 1 to June 30 such that the total amount to be paid by the

State on behalf of county indigent patients for the calendar year shall not exceed 85 percent of the total reasonable per capita cost; and further provided that the rate at which the State will reimburse the county psychiatric hospitals shall not exceed 100 percent of the per capita rate at which each county pays to the State for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility, excluding the depreciation, interest and carry-forward adjustment components of this rate, and including the depreciation, interest, and carry-forward adjustment components of each individual county psychiatric hospital's rate established for the period January 1 to December 31 by the Commissioner of Human Services in consultation with the Commissioner of Health. The initial determination of whether a county hospital rate exceeds the per capita rate that counties pay to the State on behalf of applicable patients residing in a State psychiatric facility will be based on a comparison of estimated cost used to set reimbursement rates for the upcoming calendar year. A second comparison of the actual per diem costs of the county psychiatric hospital and State psychiatric hospitals will be completed after actual cost reports for the period are available including an inflationary adjustment for the six-month difference in fiscal reporting periods between State and county hospitals. The county hospital carry-forward adjustment to be included in rates paid by the State will exclude costs found to exceed 100 percent of the actual cost rate of the State psychiatric facilities.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provision: payments to county psychiatric hospitals will only be made after receipt of their claims by the Division of Mental Health and Addiction Services. County psychiatric hospitals shall submit such claims no less frequently than quarterly and within 15 days of the close of each quarter.

With the exception of all past, present, and future revenues representing federal financial participation received by the State from the United States that is based on payments to hospitals that serve a disproportionate share of low-income patients, which shall be retained by the State, the sharing of revenues received to defray the State Aid appropriation for the costs of maintaining patients in State and county psychiatric hospitals shall be based on the same percent as costs are shared between the State and counties.

The amount hereinabove appropriated for State Aid reimbursement payments for maintenance of patients in county psychiatric facilities shall be limited to inpatient services only, except that such reimbursement shall be paid to a county for outpatient and partial hospitalization services as defined by the Department of Human Services, if outpatient and/or partial hospitalization services had been previously provided at the county psychiatric facility prior to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed the amount of State Aid funds paid to reimburse outpatient and partial hospitalization services provided during calendar year 1997. In addition, any revision or expansion to the number of inpatient beds or inpatient services provided at such hospitals which will have a material impact on the amount of State Aid payments made for such services, must first be approved by the Department of Human Services before such change is implemented.

The amount hereinabove appropriated for the Division of Mental Health and Addiction Services for State facility operations and the amount appropriated as State Aid for the costs of county facility operations are first charged to the federal Disproportionate Share Hospital (DSH) reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues earned by the State related to services provided by county psychiatric hospitals which are supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.

In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health and Addiction Services determines that, in order to provide the least restrictive setting appropriate, a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional amounts as may be required, as determined by the Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2) complete or pursue in good faith the completion of eligibility applications for patients who

could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the county psychiatric hospitals providing and certifying all information that is required by the State, in the form specified by the Division of Mental Health and Addiction Services, to prepare a complete, accurate, and timely claim to federal authorities for Medicaid Disproportionate Share Hospital claim revenues.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services, in consultation with the Commissioner of Health, shall set: (1) the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric facility, including outpatient psychiatric services, (2) the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), (3) the rates to be paid for the reasonable cost of maintenance and clothing of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the Commissioner of Human Services to the clerk of the respective boards of chosen freeholders.

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, with respect to the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals, commencing January 1, 2010, the State shall pay to each county an amount equal to 35 percent of the total per capita costs for the reasonable cost of maintenance and clothing of county patients in State psychiatric facilities.

16 following conditions: in order to promote accuracy, efficiency and accountability in the third
18 party liability (TPL) program, the Division of Medical Assistance and Health Services shall
20 require that any third party as defined in subsection m. of section 3 of P.L.1968, c.413
22 (C.30:4D-3), or in 42 U.S.C. s.1396a(a)(25)(A), including, but not limited to, a pharmacy

the three-year period beginning on the date on which the item or service was furnished; and
any action by the State to enforce its rights with respect to the claim is commenced within

44 Notwithstanding the provisions of any law or regulation to the contrary and subject to any
46 required federal approval, from the amounts hereinabove appropriated in the General
Medical Services program classification, payment may be made for services provided as part

Notwithstanding the provisions of subparagraph (8) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3) and subparagraphs (3), (4), and (5) of subsection g. of section 6 of P.L.1968, c.413 (C.30:4D-6), or any other law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following conditions: in order to encourage home and community services as an alternative to nursing home placement, consistent with the federally approved Section 1115 Medicaid demonstration waiver and any approved amendments thereto, the Commissioner of Human Services is authorized to adjust financial eligibility and other requirements and services for medically needy eligibility groups and the Managed Long Term Services and Supports population, subject to the approval of the Director of the Division of Budget and Accounting and subject to any other required federal approval.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following condition: effective January 1, 2015, the Commissioner of Human Services is authorized to provide any or all types and levels of services that are provided through the Medicaid State Plan's Alternative Benefit Plan to any or all of the types of qualified applicants described in subparagraphs (1), (2), (4), (6), (7), (9), (10), (11), (12), (13), (16(a)), (17), (18) and (19) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3), subject to the approval of the Director of the Division of Budget and Accounting and subject to any required federal approval.

Notwithstanding the provisions of subsection f. of section 5 of P.L.2015, c.154 (C.30:4J-12) or any other law or regulation to the contrary and subject to any required federal approval, the amounts appropriated for the General Medical Services program classification are subject to the following condition: disenrollment from employer-sponsored group or other health insurance coverage shall not cause a child or parent to be ineligible to enroll in the NJ FamilyCare program established pursuant to P.L.2005, c.156 (C.30:4J-8 et al.), as amended.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: when any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25 percent of the gross recovery.

In addition to the amounts hereinabove appropriated for payments to providers on behalf of medical assistance recipients, such additional amounts as may be required are appropriated from the General Fund to cover costs consequent to the establishment of presumptive eligibility for children, pregnant women, single adults or couples without dependent children, and parents and caretaker relatives in the NJ FamilyCare program, as established pursuant to P.L.2005, c.156 (C.30:4J-8 et al.).

Of the amount hereinabove appropriated within the General Medical Services program classification, the Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current NJ FamilyCare rules to avoid payment for that care. The Division shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources that is not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: the Commissioner of Human Services shall have the authority to convert individuals enrolled in a State-funded program who are also eligible for a federally matchable program, to the federally matchable program without the need for regulations.

Notwithstanding the provisions of any law or regulation to the contrary, and subject to federal approval, of the amounts appropriated in the General Medical Services program classification, the Commissioner of Human Services is authorized to develop and introduce optional service plan innovations to enhance client choice for users of NJ FamilyCare optional services, while containing expenditures.

The appropriations within the General Medical Services program classification are subject to the following conditions: the Division of Medical Assistance and Health Services, in coordination with the county welfare agencies, shall continue a program to outstation eligibility workers in disproportionate share hospitals and federally qualified health centers, provided, however, that if an alternate eligibility function at an outstanding location complies with the outstation process at 42 U.S.C. s.1396a(a)(55), the county welfare agency worker may be removed from the outstation location.

For the purposes of account balance maintenance, all object accounts appropriated in the General Medical Services program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification.

The amounts hereinabove appropriated for the General Medical Services program classification are conditioned upon the Commissioner of Human Services making changes to such programs to make them consistent with the federal "Deficit Reduction Act of 2005," Pub.L.109-171.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to providers in the same program classification from which the recovery originated.

The amount hereinabove appropriated for the Division of Medical Assistance and Health Services first shall be charged to the federal disproportionate share hospital reimbursements anticipated as Medicaid uncompensated care.

Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.) or any law or regulation to the contrary, no funds are appropriated to the Medical Assistance for the Aged program, which has been eliminated.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the following condition: Non-contracted hospitals providing emergency services to NJ FamilyCare members enrolled in the managed care program shall accept as payment in full 90 percent of the amounts that the non-contracted hospital would receive from NJ FamilyCare for the emergency services and/or any related hospitalization if the beneficiary were enrolled in NJ FamilyCare fee-for-service.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the following condition: Effective July 1, 2011, the following services, which were previously covered by NJ FamilyCare fee-for-service, shall be covered and provided instead through a managed care delivery system for all clients served by and/or enrolled in that system: 1) home health agency services; 2) medical day care, including both adult day health services and pediatric medical day care; 3) prescription drugs; and 4) rehabilitation services, including occupational, physical, and speech therapies. The above condition shall be effective for personal care assistant services.

Of the revenues received as a result of sanctions to health maintenance organizations participating in NJ FamilyCare managed care, an amount not to exceed \$500,000 is appropriated to the General Medical Services program classification or NJ KidCare - Administration account to improve access to medical services and quality care through such activities as outreach, education, and awareness, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the following condition: the Director of the Division of Medical Assistance and Health Services may restrict the number of provider agreements with managed care entities, if such restriction does not substantially impair access to services.

In addition to the amounts hereinabove appropriated for the General Medical Services program classification, there are appropriated such amounts as may be necessary for the same purpose, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, effective at the beginning of the current fiscal year and subject to federal approval, of the amounts hereinabove appropriated for the General Medical Services program classification, inpatient medical services provided through the Division of Medical Assistance and Health Services shall be conditioned upon the following provision: No funds shall be expended for hospital services during which a preventable hospital error occurred or for hospital services provided for the necessary inpatient treatment arising from a preventable hospital error, as shall be defined by the Commissioner of Human Services.

2 Of the amount hereinabove appropriated for the General Medical Services program
classification, the Division of Medical Assistance and Health Services is authorized to
4 competitively bid and contract for performance of federally mandated inpatient hospital
utilization reviews, and the funds necessary for the contracted utilization review of these
6 hospital services are made available from the General Medical Services program
classification, subject to the approval of the Director of the Division of Budget and
Accounting.

8 Such amounts as may be necessary are appropriated from enhanced audit recoveries obtained by
the Division of Medical Assistance and Health Services to fund the costs of enhanced audit
10 recovery efforts of the division within the General Medical Services program classification,
subject to the approval of the Director of the Division of Budget and Accounting.

12 Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries
obtained through the efforts of any entity authorized to undertake the prevention and
14 detection of NJ FamilyCare fraud, waste, and abuse are appropriated to the General Medical

16 Notwithstanding the provisions of any law or regulation to the contrary and subject to notice
provisions of 42 C.F.R. s.447.205 where applicable, the amount hereinabove appropriated
18 for fee-for-service prescription drugs in the General Medical Services program classification
is subject to the following conditions: the maximum allowable cost for legend and
20 non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined as the
lowest of: (i) the National Average Drug Acquisition Cost (NADAC) Retail Price Survey,
22 in accordance with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale
Acquisition Cost (WAC) less a volume discount of two percent in the absence of a NADAC
24 price; (iii) the federal upper limit; (iv) the State upper limit (SUL); (v) cost acquisition data
submitted by providers of pharmaceutical services for brand-name multi-source and
26 multi-source drugs in the absence of any alternative pricing benchmarks. For legend and
non-legend drugs purchased through the 340B program, the maximum allowable cost shall
28 be based on the 340B ceiling price. In the absence of a 340B ceiling price, the alternative
benchmark used shall be the WAC minus a volume discount of 25 percent. The 340B ceiling
30 price or the alternative benchmark shall only apply when its price is the lowest compared to
the pricing formulas described by (i) through (v) above. Reimbursement for covered
32 outpatient drugs shall be calculated based on: (i) the lower of the AAC plus a professional
fee of \$10.92; or a provider's usual and customary charge; or (ii) the lower of cost acquisition
34 data submitted by providers of pharmaceutical services for brand-name multi-source and
multi-source drugs, where an alternative pricing benchmark is not available, plus a
36 professional fee of \$10.92; or a provider's usual and customary charge; or (iii) for COVID-19
vaccinations, an administration fee(s) equivalent to the Medicare rate(s) or a provider's usual
38 and customary charge. To effectuate the calculation of SUL rates and/or the calculation of
single-source and brand-name multi-source legend and non-legend drug costs where an
40 alternative pricing benchmark is not available, the Department of Human Services shall
mandate ongoing submission of current drug acquisition data by providers of pharmaceutical

The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs, as determined by the Commissioner of Human Services, associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior Gold Prescription Discount programs, and for Medicare Part D premium costs for PAAD beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled program is subject to the following condition: any third party, as defined in subsection m. of section 3 of P.L.1968, c.413 (C.30:4D-3), or in 42 U.S.C. s.1396a(a)(25)(A), including, but not limited to, a pharmacy benefit manager writing health, casualty, or malpractice insurance policies in the State or covering residents of this State, shall enter into an agreement with the Department of Human Services to permit and assist the matching of the Department of Human Services' program eligibility and/or adjudication claims files against that third party's eligibility and/or adjudicated claims files for the purpose of the coordination of benefits, utilizing, if necessary, social security numbers as common identifiers.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to providers in the same program classification from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in the Medical Services for the Aged or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount Program payments shall be made as a result of any such provision.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition Cost less a volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare Program; (iii) the federal upper limit; or (iv) the State upper limit (SUL); and (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source drugs and multi-source drugs in the absence of any alternative pricing benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a

provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program (Senior Gold), pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturer's rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount Programs. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled and the Senior Gold Prescription Discount programs, there are appropriated such additional amounts from the General Fund and available federal matching funds as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs and Senior Gold Prescription Discount Program recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold Prescription Discount Program accounts shall be expended for any individual unless the individual enrolled in the PAAD program or Senior Gold Prescription Discount Program provides all data necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount Program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription Discount Program as the primary payer until such time as the original prescription is 85 percent finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program

or the Senior Gold Prescription Discount Program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended to cover medications not on the formulary of a PAAD program or Senior Gold Prescription Discount Program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by the PAAD program and Senior Gold Prescription Discount Program which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), and Community Based Senior Programs are available for the payment of obligations applicable to prior fiscal years.

From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged - Claims and Senior Gold Prescription Discount Program, an amount not to exceed \$2,850,000 may be transferred to various accounts as required, including Direct State Services accounts, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or the Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription Discount Program is conditioned on the Senior Gold Prescription Discount Program being designated the authorized representative for the purpose of coordinating benefits with the Medicare drug program, including appeals of coverage determinations. The Senior Gold Prescription Discount Program is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold Prescription Discount Program representation shall include, but not be limited to, the following actions: pursuit of appeals, grievances, and coverage determinations.

In order to permit flexibility in implementing ElderCare Initiatives hereinabove appropriated as part of Community Based Senior Programs, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled program, there are appropriated such additional amounts as may be required from the Casino Revenue Fund and available federal matching funds for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in the Casino Revenue Fund or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year's annual appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provision contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Human Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program shall continue during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid as secondary to Medicare Part D shall apply only to the amount paid by the State under the PAAD program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail-order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is conditioned upon the Department of Human Services coordinating the benefits of the PAAD program with the prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs, as determined by the Commissioner of Human Services, associated with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold Prescription Discount Program, and for Medicare Part D premium costs for PAAD program beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program recipients, no funds hereinabove appropriated from the PAAD account shall be expended for any individual enrolled in the PAAD program unless the individual provides all data that may be necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug paid by PAAD as a primary payer until such time as the original prescription is 85 percent finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended to cover medications not on the formulary of a PAAD program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by PAAD which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition Cost less a volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare Program; (iii) the federal upper limit or (iv) the State upper limit (SUL); and (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source drugs and multi-source drugs in the absence of any alternative pricing benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same program classification from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Community Based Senior Programs (CRF) account, \$172,000 shall be charged to the Casino Simulcasting Fund.

Total Appropriation, The Judiciary	<u>\$123,909,000</u>
 Total Appropriation, Federal Funds	 <u>\$24,082,639,850</u>

Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds including grants for preventive measures; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first \$500,000 of unanticipated grant awards plus an additional 25 percent of any remaining award amount that is greater than \$500,000, and up to 25 percent of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated; and any such grants intended to prevent threats to homeland security up to 100 percent of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided, however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants.

For the purposes of federal funds appropriations, "political subdivisions of the State" means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; "discretion" refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and "grants" refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1 of the current fiscal year of any unexpended balances which are continued, including any unexpended balances of federal Coronavirus State Fiscal Recovery Fund assistance.

Notwithstanding the provisions of any law or regulation to the contrary, funding allocated to the State from the federal "Coronavirus State Fiscal Recovery Fund" (SFRF) established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2, and any other similar type of federal law that may be hereafter enacted, are appropriated and are subject to the following conditions:

- a. with regard to individual items of appropriation in this act, that are eligible for SFRF funding, as determined by the Executive Director of the Governor's Disaster Recovery Office, such eligible items may be paid for using SFRF funds, subject to the approval of the Director of the Division of Budget and Accounting;
- b. with regard to additional programs, projects, and uses of SFRF funds, moneys appropriated by this provision shall be used solely to pay for costs authorized to be paid pursuant to SFRF, which may include, but shall not be limited to, support for the public health response to the COVID-19 Pandemic and the public health emergency and economic distress resulting therefrom; grants to improve ventilation in school facilities and private businesses; responses to the negative economic impacts of the public health emergency, including rent, mortgage, or utility assistance to households; aid to businesses in impacted industries such as tourism, travel, and hospitality; costs of programs to address health disparities including through the remediation of lead hazards; water, sewer, and broadband infrastructure; costs to address educational disparities; costs to promote healthy childhood environments, including the creation of a child care revitalization fund; support for

COVID-19 response, recovery, and improvements at health care facilities and hospitals; and costs to support local governments impacted by the pandemic. The determination of eligibility of the specific programs, projects, and uses recommended to be funded by this appropriation shall be made by the Executive Director of the Governor's Disaster Recovery Office, who shall establish an application and review process based on Statewide need, in compliance with federal eligibility requirements, subject to the approval of the Director of the Division of Budget and Accounting. Funding recommendations shall be subject to the approval of the Joint Budget Oversight Committee (JBOC); provided, however, there is appropriated \$300,000,000 from federal funds provided to the State of New Jersey pursuant to the SFRF, an amount not to exceed \$60 million of which may be directly allocated on a one-time basis to pandemic-related programs without JBOC approval and not subject to N.J.S.A. 52:14-34.4, and the remainder of which may be directly allocated to pandemic-related programs not to exceed \$20,000,000 for each such allocation, without JBOC approval and not subject to N.J.S.A. 52:14-34.4, subject to SFRF eligibility rules as determined by the Executive Director of the Governor's Disaster Recovery Office, subject to the approval of the Director of the Division of Budget and Accounting. Notice shall be provided to JBOC with respect to each such appropriation. With respect to recommended appropriations of more than \$20,000,000, except the one-time \$60,000,000 allocation authorized herein, and with respect to appropriations exceeding a total of \$300,000,000, approval of the Joint Budget Oversight Committee shall be required; provided, however, that all such recommended appropriations submitted by the Executive Director of the Governor's Recovery Office shall be considered by JBOC at a meeting which shall occur not less frequently than quarterly, with the first quarter of the fiscal year beginning on July 1 and ending on September 30. JBOC shall meet during the third month of the first quarter of the fiscal year. In the event that JBOC fails to meet during a given quarter, any recommendation submitted to JBOC more than 45 days prior to the last day of the quarter shall be deemed approved. Nothing in this paragraph shall be construed to limit the ability of JBOC to meet more than once quarterly.

- c. subject to the approval of the Director of the Division of Budget and Accounting, appropriations shall include necessary administrative costs of the respective agencies in administering the individual programs and for the SFRF grants management costs incurred by the Department of Community Affairs, Division of Disaster Recovery & Mitigation, as the State's designated grants manager, in its oversight of the entire portfolio of funds, consistent with SFRF requirements. The administrative costs authorized in this subparagraph for an individual program shall be no more than 5 percent of the cost of that program. In the event that the administrative costs of the agencies and the division administering the programs and projects funded by the SFRF are not permitted to be paid from the federal monies received by the State, there are appropriated from the General Fund such additional sums as are required, subject to the limitations contained in this subparagraph and subject to the approval of the Director of the Division of Budget and Accounting and subject to the approval of the Joint Budget Oversight Committee.

Notwithstanding the provisions of any law or regulation to the contrary, moneys are appropriated from the federal "Coronavirus State Fiscal Recovery Fund" (SFRF) established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2, in the following amounts for the following purposes without the additional approval by the Joint Budget Oversight Committee:

24 Notwithstanding the provisions of any law or regulation to the contrary, \$50,000,000 from
26 funding allocated to the State from the federal "Coronavirus State Fiscal Recovery Fund"
28 established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2 is
30 appropriated to the New Jersey Economic Development Authority to study and plan for
32 new health care facilities at the University Hospital site to meet community health care
34 needs in the City of Newark, and to fund site development and capital construction. The
study shall take into consideration how new facilities would complement existing health
care services and facilities in the region, and shall be submitted to the Governor, the
Legislature, and the University Hospital Board of Directors upon completion. Funding will
be made available subject to a determination by the Executive Director of the Governor's
Disaster Recovery Office that the proposed use of the funds is an eligible purpose under
the American Rescue Plan Act of 2021, subject to the approval of the Director of the
Division of Budget and Accounting.

36 Notwithstanding the provisions of any law or regulation to the contrary, \$305,000,000 from
38 funding allocated to the State from the federal "Coronavirus State Fiscal Recovery Fund"
40 established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2 is
appropriated for deposit into the affordable housing production fund.

42 Out of the appropriations herein, the Director of the Division of Budget and Accounting is
44 empowered to approve payments to liquidate any unrecorded liabilities for materials
delivered or services rendered in prior fiscal years, upon the written recommendations of
any department head or the department head's designated representative. The Director of
the Division of Budget and Accounting shall reject any recommendations for payment
which the director deems improper.

46 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
48 claims to providers of medical services, amounts may be transferred to and from the
various items of appropriation within the General Medical Services program classification,
and within the federal matching funding, in the Division of Medical Assistance and Health
50 Services and Division of Disability Services in the Department of Human Services, and
within the Medical Services for the Aged program classification, and within the federal
52 matching funding, in the Division of Aging Services in the Department of Human
Services, subject to the approval of the Director of the Division of Budget and Accounting.
54 Notice thereof shall be provided to the Legislative Budget and Finance Officer on the
effective date of the approved transfer.

56 Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any
58 purchase by the State or by a State agency or local government unit of equipment, goods
or services related to homeland security and domestic preparedness, that is paid for or
reimbursed by federal funds awarded by the U.S. Department of Homeland Security or
60 other federal agency, appropriated in the current fiscal year, may be made through the
receipt of public bids or as an alternative to public bidding and subject to the provisions

of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development's agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal funds hereinabove appropriated, there are appropriated to the appropriate executive agencies, subject to the approval of the Director of the Division of Budget and Accounting, such additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program or any other similar federal program for the purposes, projects, and programs set forth in such law; provided, however, that if the federal law does not delineate the specific purposes, projects, and programs to be funded by the federal funds, the purposes, projects, and programs to be funded by the federal funds shall be subject to the approval of the Joint Budget Oversight Committee, and further provided, however, that the State Treasurer shall report to the President of the Senate, the Speaker of the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization of all additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program.

Officials from the appropriate executive agencies are hereby authorized to take such steps, if any, as may be necessary to qualify for, apply for, receive and expend such federal funds and to make such commitments, representations and other agreements as may be required by the federal government to receive federal funds under federal law authorizing the federal economic stimulus program or any other similar federal law. Furthermore, and notwithstanding the provisions of any other law or regulation to the contrary, officials from the appropriate executive agencies may encumber any of these federal funds appropriated pursuant to this provision prior to entering into any contract, grant or other agreement obligating the federal funds, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block

Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment Act, Pub.L.111-5 and any other similar type of federal stimulus law which may be hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject to the approval of the Director of the Division of Budget and Accounting as set forth below, such appropriations are to include the administrative costs of the respective agencies in administering the specified programs provided such use is consistent with ARRA and federal approvals. In the event that the administrative costs are not permitted to be paid from the ARRA monies received by the State, there is hereby appropriated from the Clean Energy Fund, subject to the approval of the Director of the Division of Budget and Accounting such amounts as shall be necessary to pay for the administrative costs of the agencies administering the specified programs listed below. Notwithstanding the specific appropriations made below, in the event that the federal funds received under ARRA are not in their entirety or in part allocated to the specific purposes listed below, to permit flexibility in the handling of appropriations, amounts may be transferred to and from the various items of the appropriations listed below or may be used for such other purposes permitted under ARRA subject to the approval of the Director of the Division of Budget and Accounting and upon the recommendation of the State Treasurer. The federal funds provided pursuant to ARRA with respect to the SEP shall be used only for purposes allowed under part D of Title III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds provided pursuant to ARRA with respect to the Block Grant Program shall be used only for implementation of programs authorized under subtitle E of Title V of the Energy Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all federal funds which are appropriated pursuant to this provision, New Jersey Economic Development Authority (NJEDA), New Jersey Housing Mortgage Finance Agency (HMFA), the Office of Energy Savings, and the Board of Public Utilities (BPU) shall prepare and timely submit to the United States Department of Energy (USDOE) the reports required under subsection (c) of section 1512 of Pub.L.111-5, including without limitation the detailed information required with respect to all projects or activities for which such federal funds were expended or obligated.

a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean Energy Fund and shall be allocated by the BPU as follows. The BPU shall enter into memoranda of understanding with the applicable agencies listed below which memoranda of understanding shall provide for the transfer of such monies to the applicable agencies for the purposes listed below.

(1) \$14,216,606 to the NJEDA for a grant and loan program to be developed and administered by the NJEDA to fund public and private renewable energy, energy efficiency and alternative energy projects, with applications prioritized based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

(2) \$20,187,801 for a program to be developed and administered by the BPU for grants to State departments, agencies, authorities and public colleges and universities for renewable and energy efficiency projects at such entities, including but not limited to, wind, solar, or hydro energy, biofuels, geothermal, and energy storage applications, with applications prioritized by an interagency evaluation team consisting of one representative each from each of the following, BPU, NJEDA, Office of Economic Growth, New Jersey Commission on Science and Technology, and the Office of Energy Savings, based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

(3) \$9,110,306.50 to the HMFA for a program to be developed and administered by the HMFA to provide financing for the construction of solar energy projects on qualified multi-family housing financed through the HMFA, such funds to be leveraged with existing State energy rebate programs and the federal investment tax credit, with grants prioritized based on the ability to create jobs, generate energy, provide benefits to property residents and to meet HMFA timeframes, and with HMFA retaining ownership of all related solar renewable energy certificates for the purpose of establishing a revolving fund to support additional solar energy projects at HMFA-supported residential properties;

(4) \$1,331,402 to the HMFA for a low-interest loan program to be developed and administered by the HMFA for energy efficiency upgrades at single-family and multi-family facilities that are at or below 250 percent of the area median income (the higher of statewide or county median income) based on a family of four, and affordable multi-family housing owners which meet HMFA's affordability requirements, and which

are not eligible for equivalent financing programs offered by the utilities or the Clean Energy Program;

(5) \$15,500,870.50 to the Clean Energy Program for energy efficiency programs administered by the BPU, to be issued to public and private entities on a first-come, first-served basis and specifically targeting customers who are either not currently eligible for Clean Energy Fund incentives or whose energy consumption patterns do not make them likely applicants;

(6) \$6,328,000 to the Office of Energy Savings in the Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons;

(7) \$4,871,651 to the State Energy Office for implementing energy conservation measures in State-owned and operated facilities; and

(8) \$2,093,363 for grants administered by the BPU to State departments, agencies, authorities and public colleges and universities for energy efficient equipment purposes which will reduce energy demand and greenhouse gas emissions by replacing aging, energy intense equipment with new, more efficient models.

In the event that any of the SEP monies appropriated pursuant to the preceding paragraph are not expended by the date required by the USDOE, the appropriations of such funds pursuant to the preceding paragraph are hereby cancelled, and such unexpended funds are hereby appropriated, subject to the approval of the USDOE and the Director of the Division of Budget and Accounting to the New Jersey Department of the Treasury to establish a revolving energy efficiency project fund (Energy Efficiency Project Fund) for the purposes of funding energy efficiency and renewable energy programs and projects in State facilities, including but not limited to State offices, State health facilities and State prisons.

The monies appropriated from the Energy Efficiency Project Fund shall be repaid to the Energy Efficiency Project Fund by the department receiving such monies as follows: of the amounts hereinabove appropriated in this Act to each department receiving monies from the Energy Efficiency Project Fund, there is hereby appropriated for deposit in the Energy Efficiency Project Fund an amount equivalent to the annual repayment due to the Energy Efficiency Project Fund or the actual savings achieved, whichever is greater.

b. Block Grant Program. Block Grant monies received by the State under ARRA are hereby appropriated as follows:

(1) \$4,160,700 to the Office of Energy Savings in the Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons; and

(2) \$10,240,000 to the BPU for grants to cities, counties and other local units of government which are not eligible to receive directly from the federal government funds under the Block Grant Program.

Notwithstanding the provisions of any law or regulation to the contrary, the Department of Labor and Workforce Development shall consider consistent with applicable federal law a formal association of community based organizations to be a "local consortium" for the purposes of receiving funding for the delivery of English as a Second Language or Civics education/training.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred among accounts in the Children's System of Care program classification. Amounts may also be transferred to and from various items of appropriation within the General Medical Services program classification of the Division of Medical Assistance and Health Services in the Department of Human Services and the Children's System of Care Services program classification in the Department of Children and Families. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

The federal grant funds hereinabove appropriated are subject to the following condition: in the event that the agency receiving the funds from the federal government enters into an agreement with another agency as the subgrantee of such federal funds, the funds may be transferred to such subgrantee agency, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, in order to permit flexibility in the management of federal grant funds, amounts appropriated or transferred

from such federal funds to State departments as subgrantees of other State departments may be transferred back to an item of appropriation in the original grant recipient department upon completion of the funded activity, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, the federal funds hereinabove appropriated to the Department of Transportation are subject to the following condition: in order to ensure the continued flow of necessary federal funds for important State and local transportation projects, in the event the Federal Highway Administration (FHWA) objects to the form of the department's request for submission of competitive bids or to the form or contents of related grant agreements funded with federal funds, the department shall make any changes to such requests or contracts as may be determined by the FHWA to be necessary to comply with federal law; and any other department, agency or authority affected by such action is required to take any further actions required in order for it to be in accordance with the changes required by FHWA.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of mental health and substance use disorder services, amounts may be transferred to and from the various items of appropriation and within the federal matching funding, within the General Medical Services program classification in the Division of Medical Assistance and Health Services and the Community Services and Addiction Services program classifications in the Division of Mental Health and Addiction Services, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of subsection d. of section 21 of P.L.1984, c.73 (C.27:1B-21), or any other law or regulation to the contrary, transfers among the Federal Highway Administration and the Federal Transit Administration federal appropriations by project, under the category of Public Transportation, shall not require approval by the Joint Budget Oversight Committee. Notice of a transfer approved by the Director of the Division of Budget and Accounting pursuant to that section shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of section 2 of PL.2021, c.200 (C.48:3-106.2) or any other law or regulation to the contrary, the unexpended balance at the end of the preceding fiscal year in the School and Small Business Energy Efficiency Stimulus Program Fund may be reallocated for any of the purposes set forth in P.L.2021, c.200 as determined by the President of the Board of Public Utilities, subject to the approval of the Director of the Division of Budget and Accounting.

(6) Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.
