STATEMENT

29

30 This bill allows the holder of a limited brewery license to hold
31 events on the licensed premises and coordinate with food vendors.
32 Under current law, the holder of a limited brewery license is
33 entitled to brew and distribute beer to retailers and manufacturers,
34 but is limited in the amount of beer that he or she may brew in one
35 year. A person holding this license is prohibited from brewing an
36 amount in excess of 300,000 barrels of 31 fluid gallons capacity per
37 year.

38 This bill allows limited breweries to offer to consumers or
39 maintain on the licensed premises menus for the sale of food by any
40 restaurant, food vendor, or food truck. Under the bill, brewery
41 patrons would be permitted to receive and consume deliveries of
42 food that was prepared by a restaurant, food vendor, or food truck.
43 A food truck may be located on or in close proximity to the licensed
44 premises in accordance with any ordinance concerning the
45 operation of food trucks that is adopted by the municipality in
46 which the licensed premises is located. The bill also allows limited
47 breweries to offer for sale or make the gratuitous offering of
48 packaged crackers, chips, nuts, and similar snacks to consumers.

1 Under the bill, a license holder would be entitled to sell coffee
2 brewed on the licensed premises.

3 This bill also allows limited breweries to hold an unlimited
4 number of on-premises special events for which the license holder
5 may advertise and sell tickets. In addition, breweries may hold an
6 unlimited number of private parties for which the license holder
7 may charge a fee to the party host. A license holder would not be
8 required to obtain a permit or provide electronic notification to the
9 Division of Alcoholic Beverage Control (ABC) prior to holding on-
10 premises special events or private parties.

11 This bill is in response to a recent special ruling issued by the
12 Director of ABC to limit the number of special events and private
13 parties held by limited breweries. It is the sponsor's intent to foster
14 and encourage New Jersey's flourishing craft beer industry and its
15 contribution to the local economy by allowing limited breweries to
16 hold these events and collaborate with the restaurant industry.
