9 2. Section 5 of P.L.1992, c.161 (C.17B:27A-6) is amended to  
10 read as follows:

11 5. An individual health benefits plan issued pursuant to section  
12 3 of **[this act]** P.L.1992, c.161 (C.17B:27A-4) is subject to the  
13 following provisions:

14 a. The health benefits plan shall guarantee coverage for an  
15 eligible person and his dependents on a modified community rated  
16 basis.

17 b. A health benefits plan shall be renewable with respect to an  
18 eligible person and his dependents at the option of the policy or  
19 contract holder. A carrier may terminate a health benefits plan  
20 under the following circumstances:

21 (1) the policy or contract holder has failed to pay premiums in  
22 accordance with the terms of the policy or contract or the carrier has  
23 not received timely premium payments;

24 (2) the policy or contract holder has performed an act or practice  
25 that constitutes fraud or made an intentional misrepresentation of  
26 material fact under the terms of the coverage.

27 c. A carrier may not renew a health benefits plan only under  
28 the following circumstances:

29 (1) termination of eligibility of the policy or contract holder if  
30 the person is no longer a resident or becomes eligible for a group  
31 health benefits plan, group health plan, governmental plan or church  
32 plan;

33 (2) cancellation or amendment by the board of the specific  
34 individual health benefits plan;

35 (3) approval by the commissioner of a request by the individual  
36 carrier to not renew a particular type of health benefits plan, in  
37 accordance with rules adopted by the commissioner. After  
38 receiving approval by the commissioner, a carrier may not renew a  
39 type of health benefits plan only if the carrier: (a) provides notice to  
40 each covered individual provided coverage of this type of the  
41 nonrenewal at least 90 days prior to the date of the nonrenewal of  
42 the coverage; (b) offers to each individual provided coverage of this  
43 type the option to purchase any other individual health benefits plan  
44 currently being offered by the carrier; and (c) in exercising the  
45 option to not renew coverage of this type and in offering coverage  
46 as required under (b) above, the carrier acts uniformly without  
47 regard to any health status-related factor of enrolled individuals or  
48 individuals who may become eligible for coverage;

1 (4) approval by the commissioner of a request by the individual  
2 carrier to cease doing business in the individual health benefits  
3 market. A carrier may not renew all individual health benefits plans  
4 only if the carrier: (a) first receives approval from the  
5 commissioner; and (b) provides notice to each individual of the  
6 nonrenewal at least 180 days prior to the date of the expiration of  
7 such coverage. A carrier ceasing to do business in the individual  
8 health benefits market may not provide for the issuance of any  
9 health benefits plan in the individual or small employer markets  
10 during the five-year period beginning on the date of the termination  
11 of the last health benefits plan not so renewed<sup>1</sup>. The  
12 commissioner may impose a five-year prohibition on the issuance  
13 of any health benefits plan in the individual or small employer  
14 markets if the commissioner determines the prohibition would be  
15 beneficial to the small employer and individual health benefits  
16 markets<sup>1</sup>; and

17 (5) In the case of a health benefits plan made available by a  
18 health maintenance organization carrier, the carrier shall not be  
19 required to renew coverage to an eligible individual who no longer  
20 resides, lives, or works in the service area, or in an area for which  
21 the carrier is authorized to do business, but only if coverage is  
22 terminated under this paragraph uniformly without regard to any  
23 health status-related factor of covered individuals.

26 3. Section 3 of P.L.1992, c.162 (C.17B:27A-19) is amended to  
27 read as follows:

28 3. a. Except as provided in subsection f. of this section, every  
29 small employer carrier shall, as a condition of transacting business  
30 in this State, offer to every small employer at least three of the  
31 health benefit plans established by the board, as provided in this  
32 section, and also offer and make a good faith effort to market  
33 individual health benefits plans as provided in section 3 of  
34 P.L.1992, c.161 (C.17B:27A-4). The board shall establish a  
35 standard policy form for each of the plans, which except as  
36 otherwise provided in subsection j. of this section, shall be the only  
37 plans offered to small groups on or after January 1, 1994. One  
38 policy form shall contain the benefits provided for in sections 55,  
39 57, and 59 of P.L.1991, c. 187 (C.17:48E-22.2, 17B:26B-2 and  
40 26:2J-4.3). In the case of indemnity carriers, one policy form shall  
41 be established which contains benefits and cost sharing levels which  
42 are equivalent to the health benefits plans of health maintenance  
43 organizations pursuant to the "Health Maintenance Organization  
44 Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.). The  
45 remaining policy forms shall contain basic hospital and medical-  
46 surgical benefits, including, but not limited to:

- 47 (1) Basic inpatient and outpatient hospital care;  
48 (2) Basic and extended medical-surgical benefits;

- 1       (3) Diagnostic tests, including X-rays;  
2       (4) Maternity benefits, including prenatal and postnatal care;  
3       and  
4       (5) Preventive medicine, including periodic physical  
5       examinations and inoculations.

6       At least three of the forms shall provide for major medical  
7       benefits in varying lifetime aggregates, one of which shall provide  
8       at least \$1,000,000 in lifetime aggregate benefits. The policy forms  
9       provided pursuant to this section shall contain benefits representing  
10      progressively greater actuarial values.

11      Notwithstanding the provisions of this subsection to the contrary,  
12      the board also may establish additional policy forms by which a  
13      small employer carrier, other than a health maintenance  
14      organization, may provide indemnity benefits or health maintenance  
15      organization enrollees by direct contract with the enrollees' small  
16      employer through a dual arrangement with the health maintenance  
17      organization. The dual arrangement shall be filed with the  
18      commissioner for approval. The additional policy forms shall be  
19      consistent with the general requirements of P.L.1992, c.162  
20      (C.17B:27A-17 et seq.).

21      b. Initially, a carrier shall offer a plan within 90 days of the  
22      approval of such plan by the commissioner. Thereafter, the plans  
23      shall be available to all small employers on a continuing basis.  
24      Every small employer which elects to be covered under any health  
25      benefits plan who pays the premium therefor and who satisfies the  
26      participation requirements of the plan shall be issued a policy or  
27      contract by the carrier.

28      c. The carrier may establish a premium payment plan which  
29      provides installment payments and which may contain reasonable  
30      provisions to ensure payment security, provided that provisions to  
31      ensure payment security are uniformly applied.

32      d. In addition to the standard policies described in subsection a.  
33      of this section, the board may develop up to five rider packages.  
34      Any such package which a carrier chooses to offer shall be issued to  
35      a small employer who pays the premium therefor, and shall be  
36      subject to rating methodology set forth in section 9 of P.L.1992,  
37      c.162 (C.17B:27A-25).

38      e. (Deleted by amendment, P.L.2008, c.38).

39      f. Notwithstanding the provisions of this section to the  
40      contrary, a health maintenance organization which is a qualified  
41      health maintenance organization pursuant to the "Health  
42      Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C.  
43      s.300e et seq.) shall be permitted to offer health benefits plans  
44      formulated by the board and approved by the commissioner which  
45      are in accordance with the provisions of that law in lieu of the five  
46      plans required pursuant to this section.

47      Notwithstanding the provisions of this section to the contrary, a  
48      health maintenance organization which is approved pursuant to  
49      P.L.1973, c.337 (C.26:2J-1 et seq.) shall be permitted to offer health

1 benefits plans formulated by the board and approved by the  
2 commissioner which are in accordance with the provisions of that  
3 law in lieu of the plans required pursuant to this section, except that  
4 the plans shall provide the same level of benefits as required for a  
5 federally qualified health maintenance organization, including any  
6 requirements concerning copayments by enrollees.

7 g. A carrier shall not be required to own or control a health  
8 maintenance organization or otherwise affiliate with a health  
9 maintenance organization in order to comply with the provisions of  
10 this section, but the carrier shall be required to offer at least three of  
11 the benefits plans which are formulated by the board and approved  
12 by the commissioner, including one plan which contains benefits  
13 and cost sharing levels that are equivalent to those required for  
14 health maintenance organizations.

15 h. Notwithstanding the provisions of subsection a. of this  
16 section to the contrary, the board may modify the benefits provided  
17 for in sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2,  
18 17B:26B-2 and 26:2J-4.3).

19 i. (1) In addition to the rider packages provided for in  
20 subsection d. of this section, every carrier may offer, in connection  
21 with the health benefits plans required to be offered by this section,  
22 any number of riders which may revise the coverage offered by the  
23 plans in any way, provided, however, that any form of such rider or  
24 amendment thereof which decreases benefits or decreases the  
25 actuarial value of a plan shall be filed for informational purposes  
26 with the board and for approval by the commissioner before such  
27 rider may be sold. Any rider or amendment thereof which adds  
28 benefits or increases the actuarial value of a plan shall be filed with  
29 the board for informational purposes before such rider may be sold.  
30 The added premium or reduction in premium for each rider, as  
31 applicable, shall be listed separately from the premium for the  
32 standard plan.

33 The commissioner shall disapprove any rider filed pursuant to  
34 this subsection that is unjust, unfair, inequitable, unreasonably  
35 discriminatory, misleading, contrary to law or the public policy of  
36 this State. The commissioner shall not approve any rider which  
37 reduces benefits below those required by sections 55, 57 and 59 of  
38 P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3) and  
39 required to be sold pursuant to this section. The commissioner's  
40 determination shall be in writing and shall be appealable.

41 (2) The benefit riders provided for in paragraph (1) of this  
42 subsection shall be subject to the provisions of section 2, subsection  
43 b. of section 3, and sections 5, 7, 8, 9 and 11 of P.L.1992, c.162  
44 (C.17B:27A-18, 17B:27A-19, 17B:27A-22, 17B:27A-23, 17B:27A-  
45 24, 17B:27A-25, and 17B:27A-27).

46 j. (1) Notwithstanding the provisions of P.L.1992, c.162  
47 (C.17B:27A-17 et seq.) to the contrary, a health benefits plan issued  
48 by or through a carrier, association, or multiple employer  
49 arrangement prior to January 1, 1994 or, if the requirements of

1 subparagraph (c) of paragraph (6) of this subsection are met, issued  
2 by or through an out-of-State trust prior to January 1, 1994, at the  
3 option of a small employer policy or contract holder, may be  
4 renewed or continued after February 28, 1994, or in the case of such  
5 a health benefits plan whose anniversary date occurred between  
6 March 1, 1994 and the effective date of P.L.1994, c.11 (C.17B:27A-  
7 19.1 et al.), may be reinstated within 60 days of that anniversary  
8 date and renewed or continued if, beginning on the first 12-month  
9 anniversary date occurring on or after the sixtieth day after the  
10 board adopts regulations concerning the implementation of the  
11 rating factors permitted by section 9 of P.L.1992, c.162  
12 (C.17B:27A-25) and, regardless of the situs of delivery of the health  
13 benefits plan, the health benefits plan renewed, continued or  
14 reinstated pursuant to this subsection complies with the provisions  
15 of section 2, subsection b. of section 3, and sections 6, 7, 8, 9 and  
16 11 of P.L.1992, c.162 (C.17B:27A-18, 17B:27A-19, 17B:27A-22,  
17 17B:27A-23, 17B:27A-24, 17B:27A-25 and 17B:27A-27) and  
18 section 7 of P.L.1995, c.340 (C17B:27A-19.3).

19 Nothing in this subsection shall be construed to require an  
20 association, multiple employer arrangement or out-of-State trust to  
21 provide health benefits coverage to small employers that are not  
22 contemplated by the organizational documents, bylaws, or other  
23 regulations governing the purpose and operation of the association,  
24 multiple employer arrangement or out-of-State trust.  
25 Notwithstanding the foregoing provision to the contrary, an  
26 association, multiple employer arrangement or out-of-State trust  
27 that offers health benefits coverage to its members' employees and  
28 dependents:

29 (a) shall offer coverage to all eligible employees and their  
30 dependents within the membership of the association, multiple  
31 employer arrangement or out-of-State trust;

32 (b) shall not use actual or expected health status in determining  
33 its membership; and

34 (c) shall make available to its small employer members at least  
35 one of the standard benefits plans, as determined by the  
36 commissioner, in addition to any health benefits plan permitted to  
37 be renewed or continued pursuant to this subsection.

38 (2) Notwithstanding the provisions of this subsection to the  
39 contrary, a carrier or out-of-State trust which writes the health  
40 benefits plans required pursuant to subsection a. of this section shall  
41 be required to offer those plans to any small employer, association  
42 or multiple employer arrangement.

43 (3) (a) A carrier, association, multiple employer arrangement, or  
44 out-of-State trust may withdraw a health benefits plan marketed to  
45 small employers that was in effect on December 31, 1993 with the  
46 approval of the commissioner. The commissioner shall approve a  
47 request to withdraw a plan, consistent with regulations adopted by  
48 the commissioner, only on the grounds that retention of the plan  
49 would cause an unreasonable financial burden to the issuing carrier,

1 taking into account the rating provisions of section 9 of P.L.1992,  
2 c.162 (C.17B:27A-25) and section 7 of P.L.1995, c.340  
3 (C.17B:27A-19.3).

4 (b) A carrier which has renewed, continued or reinstated a  
5 health benefits plan pursuant to this subsection that has not been  
6 newly issued to a new small employer group since January 1, 1994,  
7 may, upon approval of the commissioner, continue to establish its  
8 rates for that plan based on the loss experience of that plan if the  
9 carrier does not issue that health benefits plan to any new small  
10 employer groups.

11 (4) (Deleted by amendment, P.L.1995, c.340).

12 (5) A health benefits plan that otherwise conforms to the  
13 requirements of this subsection shall be deemed to be in compliance  
14 with this subsection, notwithstanding any change in the plan's  
15 deductible or copayment.

16 (6) (a) Except as otherwise provided in subparagraphs (b) and  
17 (c) of this paragraph, a health benefits plan renewed, continued or  
18 reinstated pursuant to this subsection shall be filed with the  
19 commissioner for informational purposes within 30 days after its  
20 renewal date. No later than 60 days after the board adopts  
21 regulations concerning the implementation of the rating factors  
22 permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) the filing  
23 shall be amended to show any modifications in the plan that are  
24 necessary to comply with the provisions of this subsection. The  
25 commissioner shall monitor compliance of any such plan with the  
26 requirements of this subsection, except that the board shall enforce  
27 the loss ratio requirements.

28 (b) A health benefits plan filed with the commissioner pursuant  
29 to subparagraph (a) of this paragraph may be amended as to its  
30 benefit structure if the amendment does not reduce the actuarial  
31 value and benefits coverage of the health benefits plan below that of  
32 the lowest standard health benefits plan established by the board  
33 pursuant to subsection a. of this section. The amendment shall be  
34 filed with the commissioner for approval pursuant to the terms of  
35 sections 4, 8, 12 and 25 of P.L.1995, c.73 (C.17:48-8.2, 17:48A-9.2,  
36 17:48E-13.2 and 26:2J-43), N.J.S.17B:26-1 and N.J.S.17B:27-49, as  
37 applicable, and shall comply with the provisions of sections 2 and 9  
38 of P.L.1992, c.162 (C.17B:27A-18 and 17B:27A-25) and section 7  
39 of P.L.1995, c.340 (C.17B:27A-19.3).

40 (c) A health benefits plan issued by a carrier through an out-of-  
41 State trust shall be permitted to be renewed or continued pursuant to  
42 paragraph (1) of this subsection upon approval by the commissioner  
43 and only if the benefits offered under the plan are at least equal to  
44 the actuarial value and benefits coverage of the lowest standard  
45 health benefits plan established by the board pursuant to subsection  
46 a. of this section. For the purposes of meeting the requirements of  
47 this subparagraph, carriers shall be required to file with the  
48 commissioner the health benefits plans issued through an out-of-  
49 State trust no later than 180 days after the date of enactment of

1 P.L.1995, c.340. A health benefits plan issued by a carrier through  
2 an out-of-State trust that is not filed with the commissioner pursuant  
3 to this subparagraph, shall not be permitted to be continued or  
4 renewed after the 180-day period.

5 (7) Notwithstanding the provisions of P.L.1992, c.162  
6 (C.17B:27A-17 et seq.) to the contrary, an association, multiple  
7 employer arrangement or out-of-State trust may offer a health  
8 benefits plan authorized to be renewed, continued or reinstated  
9 pursuant to this subsection to small employer groups that are  
10 otherwise eligible pursuant to paragraph (1) of subsection j. of this  
11 section during the period for which such health benefits plan is  
12 otherwise authorized to be renewed, continued or reinstated.

13 (8) Notwithstanding the provisions of P.L.1992, c.162  
14 (C.17B:27A-17 et seq.) to the contrary, a carrier, association,  
15 multiple employer arrangement or out-of-State trust may offer  
16 coverage under a health benefits plan authorized to be renewed,  
17 continued or reinstated pursuant to this subsection to new  
18 employees of small employer groups covered by the health benefits  
19 plan in accordance with the provisions of paragraph (1) of this  
20 subsection.

21 (9) Notwithstanding the provisions of P.L.1992, c.162

23 the contrary, any individual, who is eligible for small employer

49 benefits plan directly from a carrier on or before March 1, 1994 and

1 subsequently changes the issuing carrier for that plan after the  
2 effective date of P.L.1995, c.340, the new issuing carrier shall file  
3 the health benefits plan with the commissioner for approval in order  
4 to be deemed eligible to continue and renew that plan pursuant to  
5 paragraph (1) of this subsection.

6 Notwithstanding the provisions of subparagraph (b) of paragraph

8 its health benefits plan's issuing carrier pursuant to the provisions of  
9 this paragraph, shall not, upon changing carriers, modify the benefit  
10 structure of that health benefits plan within six months of the date  
11 the issuing carrier was changed.

12 k. Effective immediately for a health benefits plan issued on or

21 to be medically necessary, and when the covered infant has not been  
22 responsive to trials of standard non-cow milk-based formulas,  
23 including soybean and goat milk. The coverage may be subject to  
24 utilization review, including periodic review, of the continued  
25 medical necessity of the specialized infant formula.

26 The benefits shall be provided to the same extent as for any other  
27 prescribed items under the health benefits plan.

28 This subsection shall apply to all small employer health benefits

44 that federal law.

45 The benefits provided pursuant to this subsection shall be  
46 provided to the same extent as for any other medical condition  
47 under the health benefits plan, except that no deductible shall be

 43 P.L.1992, c.162 (C.17B:27A-19) shall not be greater than **【200%】**  
 44 300% of the premium rate charged for the lowest rated small group  
 45 purchasing that same health benefits plan; provided, however, that  
 46 the only factors upon which the rate differential may be based are  
 47 age**【, gender】** and geography. Such factors shall be applied in a  
 48 manner consistent with regulations adopted by the commissioner.

1 For the purposes of this paragraph (3), policies or contracts offered

15 paragraph (3) of this subsection, which rate restrictions shall be  
16 effective on the date the policy or contract is issued.

17 (6) The board shall establish, pursuant to section 17 of  
18 P.L.1993, c.162 (C.17B:27A-51):

19 (a) up to six geographic territories, none of which is smaller

23 b. (Deleted by amendment, P.L.1993, c.162).

24 c. (Deleted by amendment, P.L.1995, c.298).

25 d. Notwithstanding any other provision of law to the contrary,  
26 **【this act】** P.L.1992, c.162 (C.17B:27A-17 et seq.) shall apply to a  
27 carrier which provides a health benefits plan to one or more small  
28 employers through a policy issued to an association or trust of  
29 employers.

30 A carrier which provides a health benefits plan to one or more  
31 small employers through a policy issued to an association or trust of  
32 employers after the effective date of P.L.1992, c.162 (C.17B:27A-  
33 17 et seq.), shall be required to offer small employer health benefits  
34 plans to non-association or trust employers in the same manner as  
35 any other small employer carrier is required pursuant to P.L.1992,  
36 c.162 (C.17B:27A-17 et seq.).

37 e. Nothing contained herein shall prohibit the use of premium  
38 rate structures to establish different premium rates for individuals  
39 and family units.

40 f. No insurance contract or policy subject to **【this act】**  
41 P.L.1992, c.162 (C.17B:27A-17 et seq.), including a contract or  
42 policy entered into with a small employer who is a member of a  
43 Small Employer Purchasing Alliance pursuant to the provisions of  
44 P.L.2001, c.225 (C.17B:27A-25.1 et al.), may be entered into unless  
45 and until the carrier has made an informational filing with the  
46 commissioner of a schedule of premiums, not to exceed 12 months  
47 in duration, to be paid pursuant to such contract or policy, of the  
48 carrier's rating plan and classification system in connection with  
49 such contract or policy, and of the actuarial assumptions and

1 methods used by the carrier in establishing premium rates for such  
2 contract or policy.

3 g. (1) Beginning January 1, 1995, a carrier desiring to increase  
4 or decrease premiums for any policy form or benefit rider offered  
5 pursuant to subsection i. of section 3 of P.L.1992, c.162  
6 (C.17B:27A-19) subject to **[this act]** P.L.1992, c.162 (C.17B:27A-  
7 17 et seq.) may implement such increase or decrease upon making  
8 an informational filing with the commissioner of such increase or  
9 decrease, along with the actuarial assumptions and methods used by  
10 the carrier in establishing such increase or decrease, provided that  
11 the anticipated minimum loss ratio for all policy forms shall not be  
12 less than 80% of the premium therefor as provided in paragraph (2)  
13 of this subsection. The commissioner may disapprove any  
14 informational filing on a finding that it is incomplete and not in  
15 substantial compliance with P.L.1992, c.162 (C.17B:27A-17 et  
16 seq.), or that the rates are inadequate or unfairly discriminatory.  
17 Until December 31, 1996, the informational filing shall also include  
18 the carrier's rating plan and classification system in connection with  
19 such increase or decrease.

20 (2) Each calendar year, a carrier shall return, in the form of  
21 aggregate benefits for all of the standard policy forms offered by  
22 the carrier pursuant to subsection a. of section 3 of P.L.1992, c.162  
23 (C.17B:27A-19), at least 80% of the aggregate premiums collected  
24 for all of the standard policy forms, other than alliance policy  
25 forms, and at least 80% of the aggregate premiums collected for all  
26 of the non-standard policy forms during that calendar year. A  
27 carrier shall return at least 80% of the premiums collected for all of  
28 the alliances during that calendar year, which loss ratio may be  
29 calculated in the aggregate for all of the alliances or separately for  
30 each alliance. Carriers shall annually report, no later than August  
31 1st of each year, the loss ratio calculated pursuant to this section for  
32 all of the standard, other than alliance policy forms, non-standard  
33 policy forms and alliance policy forms for the previous calendar  
34 year, provided that a carrier may annually report the loss ratio  
35 calculated pursuant to this section for all of the alliances in the  
36 aggregate or separately for each alliance. In each case where the  
37 loss ratio fails to substantially comply with the 80% loss ratio  
38 requirement, the carrier shall issue a dividend or credit against  
39 future premiums for all policyholders with the standard, other than  
40 alliance policy forms, nonstandard policy forms or alliance policy  
41 forms, as applicable, in an amount sufficient to assure that the  
42 aggregate benefits paid in the previous calendar year plus the  
43 amount of the dividends and credits shall equal 80% of the  
44 aggregate premiums collected for the respective policy forms in the  
45 previous calendar year. All dividends and credits must be  
46 distributed by December 31 of the year following the calendar year  
47 in which the loss ratio requirements were not satisfied. The annual  
48 report required by this paragraph shall include a carrier's calculation  
49 of the dividends and credits applicable to standard, other than

1 alliance policy forms, non-standard policy forms and alliance policy  
2 forms, as well as an explanation of the carrier's plan to issue  
3 dividends or credits. The instructions and format for calculating  
4 and reporting loss ratios and issuing dividends or credits shall be  
5 specified by the commissioner by regulation. Such regulations shall  
6 include provisions for the distribution of a dividend or credit in the  
7 event of cancellation or termination by a policyholder. For  
8 purposes of this paragraph, "alliance policy forms" means policies  
9 purchased by small employers who are members of Small Employer  
10 Purchasing Alliances.

11 (3) The loss ratio of a health benefits plan issued pursuant to  
12 subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19) shall  
13 be calculated in accordance with the provisions of section 7 of  
14 P.L.1995, c.340 (C.17B:27A-19.3), for the purposes of meeting the  
15 requirements of this subsection.

16 h. (Deleted by amendment, P.L.1993, c.162).

17 i. The provisions of **【this act】** P.L.1992, c.162 (C.17B:27A-17  
18 et seq.) shall apply to health benefits plans which are delivered,
