1 AN ACT concerning payment for certain health-related costs,  
2 amending and supplementing various parts of the statutory law.

3  
4 **BE IT ENACTED** by the Senate and General Assembly of the State  
5 of New Jersey:

6  
7 <sup>1</sup>[1. Section 1 of P.L.2019, c.257 (C.17B:27F-6) is amended to  
8 read as follows:

9 1. a. A pharmacy benefits manager, in connection with any  
10 contract or arrangement with a private health insurer, prescription  
11 benefit plan, or the State Health Benefits Program or School  
12 Employees' Health Benefits Program, shall not require a covered  
13 person to make a payment at the point of sale for any amount for a  
14 deductible, coinsurance payment, or a copayment for a prescription  
15 drug benefit in an amount that exceeds the amount the covered  
16 person would pay for the prescription drug if the covered person  
17 purchased the prescription drug without using a health benefits  
18 plan.

19 b. (1) A pharmacy benefits manager shall not prohibit a  
20 network pharmacy from disclosing, and shall not apply a penalty or  
21 any other type of disincentive to a network pharmacy that discloses,  
22 to a covered person lower cost prescription drug options, including  
23 those that are available to the covered person if the covered person  
24 purchases the prescription drug without using health insurance  
25 coverage.

26 (2) A pharmacy benefits manager shall not prohibit or apply any  
27 penalty or disincentive to a network pharmacy if a discounted price  
28 generated by a healthcare platform, as defined pursuant to section 2  
29 of P.L.2003, c.280 (C.45:14-41), is applied to the payment of a  
30 covered person with an account or membership to the healthcare  
31 platform for a prescription drug, even if the covered person  
32 maintains health insurance coverage.

33 c. Any provision of a contract that conflicts with the provisions  
34 of subsection b. of this section shall be void and unenforceable.

35 d. A violation of this section shall be an unlawful practice and  
36 a violation of P.L.1960, c.39 (C.56:8-1 et seq.), and shall also be  
37 subject to any enforcement action that the Commissioner of  
38 Banking and Insurance is authorized to take pursuant to section 5 of  
39 P.L.2015, c.179 (C.17B:27F-5)]<sup>1</sup>.

benefit plan, or the State Health Benefits Program or School Employees' Health Benefits Program, shall not require a covered person to make a payment at the point of sale for any amount for a deductible, coinsurance payment, or a copayment for a prescription drug benefit in an amount that exceeds the amount permitted pursuant to subsection d. of section 3 of P.L.2023, c.107 (C.17B:27F-3.1).

b. A pharmacy benefits manager shall not prohibit a network pharmacy from, and shall not apply a penalty or any other type of disincentive to a network pharmacy for:

(1) disclosing to a covered person lower cost prescription drug options, including those that are available to the covered person if the covered person purchases the prescription drug without using health insurance coverage;

(2) providing a covered person with the option of paying the pharmacy provider's cash price for the purchase of a prescription drug and not filing a claim with the covered person's health benefits plan if the cash price is less than the covered person's cost-sharing amount;

**[or]**

(3) providing information to a State or federal agency, law enforcement agency, or the department when such information is required by law; or

(4) applying a discounted price generated by a healthcare platform, as defined pursuant to section 2 of P.L.2003, c.280 (C.45:14-41), to the payment of a covered person with an account or membership to the healthcare platform for a prescription drug, even if the covered person maintains health insurance coverage.

c. Any provision of a contract that conflicts with the provisions of subsection b. of this section shall be void and unenforceable.

d. A violation of this section shall be an unlawful practice and a violation of P.L.1960, c.39 (C.56:8-1 et seq.), and shall also be subject to any enforcement action that the Commissioner of Banking and Insurance is authorized to take pursuant to section 5 of P.L.2015, c.179 (C.17B:27F-5).<sup>1</sup>

(cf: P.L.2023, c.107, s.10)

2. Section 2 of P.L.2003, c.280 (C.45:14-41) is amended to read as follows:

2. As used in this act:

"Administer" means the direct application of a drug to the body of a patient or research subject by subcutaneous, intramuscular or intradermal injection, inhalation or ingestion by a pharmacist engaged in collaborative practice or in accordance with regulations jointly promulgated by the board and the State Board of Medical Examiners.

"Automated medication device" means a discrete unit that performs specific drug dispensing operations.

"Automated medication system" means any process that performs operations or activities, other than compounding or

1 administration, relative to the storage, packaging, dispensing and  
2 distribution of medications and which collects, controls and  
3 maintains all transaction information.

4 "Board of Pharmacy" or "board" means the New Jersey State  
5 Board of Pharmacy.

6 "Certification" means a certification awarded by a recognized  
7 non-government specialty organization to signify that a pharmacist  
8 has met predetermined qualifications and to signify to the public  
9 that the pharmacist is competent to practice in the designated  
10 specialty.

11 "Collaborative drug therapy management" means a written  
12 protocol directed on a voluntary basis by a patient's physician, with  
13 the patient's consent, that is between a patient's physician who is  
14 treating the patient for a specific disease and a pharmacist for  
15 cooperative management of a patient's drug, biological and device-  
16 related health care needs, which shall be conducted in accordance  
17 with regulations jointly promulgated by the board and the State  
18 Board of Medical Examiners and shall only include the collecting,  
19 analyzing and monitoring of patient data; ordering or performing of  
20 laboratory tests based on the standing orders of a physician as set  
21 forth in the written protocol; ordering of clinical tests based on the  
22 standing orders of a physician as set forth in the written protocol,  
23 provided those laboratory tests are granted waived status in  
24 accordance with the provisions of the "New Jersey Clinical  
25 Laboratory Improvement Act," P.L.1975, c.166 (C.45:9-42.26 et  
26 seq.) and are for the treatment of a disease state identified jointly by  
27 the board and the State Board of Medical Examiners as subject to  
28 collaborative drug therapy management; modifying, continuing or  
29 discontinuing drug or device therapy; and therapeutic drug  
30 monitoring with appropriate modification to dose, dosage regimen,  
31 dosage forms or route of administration. The interpretation of  
32 clinical or laboratory tests under a written protocol may only be  
33 performed by a pharmacist in direct consultation with a physician.

34 "Compounding" means the preparation, mixing, assembling,  
35 packaging or labeling of a drug or device as the result of a  
36 practitioner's prescription or initiative based on the relationship of  
37 the practitioner or patient with the pharmacist in the course of  
38 professional practice or for the purpose of, or incident to, research,  
39 teaching or chemical analysis and not for sale or dispensing.  
40 Compounding also includes the preparation of drugs or devices in  
41 anticipation of prescription drug orders based on routine, regularly  
42 observed prescribing patterns. Nothing in this act is meant to limit  
43 a prescriber's ability under pre-existing law to order a compounded  
44 medication for use in the prescriber's practice, as permitted by State  
45 and federal law.

46 "Confidential information" means information that is identifiable  
47 as to the patient involved that a pharmacist accesses, transmits or

1 maintains in a patient's record or which is communicated to or by  
2 the patient as part of patient counseling.

3 "Credentialing" means the process by which an approved  
4 academic institution awards a certificate to signify that the  
5 credentialed pharmacist has completed the required courses,  
6 examinations or both, that indicate advanced knowledge of a  
7 particular area of pharmacy.

8 "Deliver" or "delivery" means the actual, constructive or  
9 attempted transfer of a drug or device from one person to another,  
10 whether or not for consideration.

11 "Device" means an instrument, apparatus, implement, machine,  
12 contrivance, implant or other similar or related article, including  
13 any component part or accessory, which is required under federal  
14 law to bear the label "RX Only."

15 "Dispense" or "dispensing" means the procedure entailing the  
16 interpretation of a practitioner's prescription order for a drug,  
17 biological or device, and pursuant to that order the proper selection,  
18 measuring, compounding, labeling and packaging in a proper  
19 container for subsequent administration to, or use by, a patient.

20 "Dosage form" means the physical formulation or medium in  
21 which the product is intended, manufactured and made available for  
22 use, including, but not limited to: tablets, capsules, oral solutions,  
23 aerosols, inhalers, gels, lotions, creams, ointments, transdermals  
24 and suppositories, and the particular form of the above which  
25 utilizes a specific technology or mechanism to control, enhance or  
26 direct the release, targeting, systemic absorption or other delivery of  
27 a dosage regimen in the body.

28 "Drug or medication" means articles recognized as drugs in any  
29 official compendium, or supplement thereto, designated from time  
30 to time by the board for use in the diagnosis, cure, mitigation,  
31 treatment or prevention of disease in humans or other animals;  
32 articles intended for use in the diagnosis, cure, mitigation, treatment  
33 or prevention of disease in humans or other animals; articles  
34 intended to affect the structure or any function of the body of  
35 humans or other animals, except that a food, dietary ingredient or  
36 dietary supplement, as those terms are defined in 21 U.S.C.s.321, is  
37 not a drug solely because the label or the labeling contains such a  
38 claim; and articles intended for use as a component of and articles  
39 specified in this definition of "drug or medication."

40 "Drug utilization review" includes, but is not limited to, the  
41 following activities:

42 (1) Evaluation of prescription drug orders and patient records  
43 for known allergies, rational therapy-contraindications, appropriate  
44 dose and route of administration and appropriate directions for use;

45 (2) Evaluation of prescription drug orders and patient records  
46 for duplication of therapy;

1 (3) Evaluation of prescription drug orders and patient records  
2 for interactions between drug-drug, drug-food, drug-disease and  
3 adverse drug reactions; and

4 (4) Evaluation of prescription drug orders and patient records  
5 for proper utilization, including over- or under-utilization, and  
6 optimum therapeutic outcomes.

7 "Extern" means any person who is in the fifth or sixth year of  
8 college or the third or fourth professional year, at an accredited  
9 school or college of pharmacy approved by the board, who is  
10 assigned to a training site for the purpose of acquiring accredited  
11 practical experience under the supervision of the school or college  
12 at which the person is enrolled.

13 "Electronic means" means any electronic or digital transmission  
14 format, including facsimile or computer generated messaging.

15 "Healthcare platform" means an Internet-based service through  
16 which a consumer, who may or may not have separate health  
17 insurance coverage, may set-up an account or become a member to  
18 obtain discounts on prescription or non-prescription drugs or  
19 devices and through which other services, including telemedicine,  
20 may be provided.

21 "Immediate supervision" means a level of control which assures  
22 that the pharmacist is physically present at the pharmacy practice  
23 site and has the responsibility for accuracy and safety with respect  
24 to the actions of pharmacy technicians, interns and externs.

25 "Intern" means any person who has graduated from an accredited  
26 school or college of pharmacy approved by the board, or if a foreign  
27 pharmacy graduate, any person who has met all of the requirements  
28 of the board, and who is being trained by an approved preceptor for  
29 the purpose of acquiring accredited practical experience and who  
30 has first registered for that purpose with the board.

31 "Labeling" means the process of preparing and affixing a label to  
32 any drug container, exclusive however, of the labeling by a  
33 manufacturer, packer or distributor of a non-prescription drug or  
34 commercially packaged legend drug or device.

35 "Licensure" means the process by which the board grants  
36 permission to an individual to engage in the practice of pharmacy  
37 upon finding that the applicant has attained the degree of  
38 competency necessary to ensure that the public health, safety and  
39 welfare will be protected.

40 "Medication error" means a preventable event that may cause or  
41 lead to inappropriate use of a medication or patient harm while the  
42 medication is in the control of the practitioner, patient or consumer.

43 "Medication order" means a prescription for a specific patient in  
44 an institutional setting.

45 "Modifying" means to change a specific drug, the dosage, or  
46 route of delivery of a drug currently being administered for an  
47 existing diagnosis pursuant to a collaborative drug therapy  
48 management.

1 "Non-prescription drug or device" means a drug or device which  
2 may be obtained without a prescription and which is labeled for  
3 consumer use in accordance with the requirements of the laws and  
4 rules of this State and the federal government.

5 "Permit" means the authorization granted by the board to a site to  
6 engage in the practice of pharmacy.

7 "Person" means an individual, corporation, partnership,  
8 association or any other legal entity including government.

9 "Pharmaceutical care" means the provision by a pharmacist of  
10 drug therapy review and other related patient care services intended  
11 to achieve positive outcomes related to the treatment, cure or  
12 prevention of a disease; control, elimination or reduction of a  
13 patient's symptoms; or arresting or slowing of a disease process as  
14 defined by the rules and regulations of the board.

15 "Pharmacist" means an individual currently licensed by this State  
16 to engage in the practice of pharmacy.

17 "Pharmacist-in-charge" means a pharmacist who accepts  
18 responsibility for the operation of a pharmacy practice site in  
19 conformance with all laws and rules pertinent to the practice of  
20 pharmacy and the distribution of drugs.

21 "Pharmacist in collaborative practice" means a pharmacist  
22 engaged in the collaborative drug therapy management of a patient's  
23 drug, biological and device-related health care needs pursuant to a  
24 written protocol, in collaboration with a licensed physician and in  
25 accordance with the regulations jointly promulgated by the board  
26 and the State Board of Medical Examiners.

27 "Pharmacy practice site" means any place in this State where  
28 drugs are dispensed or pharmaceutical care is provided by a  
29 licensed pharmacist, but shall not include a medical office under the  
30 control of a licensed physician.

31 "Pharmacy technician" means an individual working in a  
32 pharmacy practice site who, under the immediate supervision of a  
33 pharmacist, assists in pharmacy activities as permitted by section 41  
34 of this act and the rules and regulations of the board that do not  
35 require the professional judgment of a pharmacist.

36 "Practice of pharmacy" means a health care service by a  
37 pharmacist that includes: compounding, dispensing and labeling of  
38 drugs, biologicals, radio pharmaceuticals or devices; overseeing  
39 automated medication systems; interpreting and evaluating  
40 prescriptions; administering and distributing drugs, biologicals and  
41 devices; maintaining prescription drug records; advising and  
42 consulting on the therapeutic values, content, hazards and uses of  
43 drugs, biologicals and devices; managing and monitoring drug  
44 therapy; collecting, analyzing and monitoring patient data;  
45 performing drug utilization reviews; storing prescription drugs and  
46 devices; supervising technicians, interns and externs; and such other  
47 acts, services, operations or transactions necessary, or incidental to,  
48 providing pharmaceutical care and education. In accordance with

1 written guidelines or protocols established with a licensed  
2 physician, the "practice of pharmacy" also includes collaborative  
3 drug therapy management including modifying, continuing or  
4 discontinuing drug or device therapy; ordering or performing of  
5 laboratory tests under collaborative drug therapy management; and  
6 ordering clinical tests, excluding laboratory tests, unless those tests  
7 are part of collaborative drug therapy management.

8 "Practitioner" means an individual currently licensed, registered  
9 or otherwise authorized by the jurisdiction in which the individual  
10 practices to administer or prescribe drugs in the course of  
11 professional practice.

12 "Preceptor" means an individual who is a pharmacist, meets the  
13 qualifications under the rules and regulations of the board, and  
14 participates in the instructional training of pharmacy interns and  
15 externs.

16 "Prescription" means a lawful order of a practitioner for a drug, a  
17 device or diagnostic agent for a specific patient.

18 "Prescription drug" or "legend drug" means a drug which, under  
19 federal law, is required to be labeled prior to being delivered to the  
20 pharmacist, with either of the following statements: "Rx Only" or  
21 "Caution: Federal law restricts this drug to use by, or on the order  
22 of, a licensed veterinarian" or is required by any applicable federal  
23 or state law, rule or regulation to be dispensed pursuant to a  
24 prescription drug order or is restricted to use by a practitioner only.

25 "Registration" means the process of making a list or being  
26 enrolled in an existing list.

27 "Therapeutic interchange" means the substitution and dispensing  
28 of a drug chemically dissimilar from the prescription drug  
29 originally prescribed.

30 (cf: P.L.2003, c.280, s.2)

31  
32 3. Section 26 of P.L.2003, c.280 (C.45:14-65) is amended to  
33 read as follows:

34 26. In addition to the provisions of section 8 of P.L.1978, c.73  
35 (C.45:1-21), the board may refuse an application for examination or  
36 may suspend or revoke the certificate of a licensed pharmacist upon  
37 proof satisfactory to the board that such licensed pharmacist is  
38 guilty of grossly unprofessional conduct and the following acts are  
39 hereby declared to constitute grossly unprofessional conduct for the  
40 purpose of this act:

41 a. Paying rebates or entering into an agreement for payment of  
42 rebates to any physician, dentist or other person for the  
43 recommending of the services of any person.

44 b. The providing or causing to be provided to a physician,  
45 dentist, veterinarian or other person authorized to prescribe,  
46 prescription blanks or forms bearing the pharmacist's or pharmacy's  
47 name, address or other means of identification.

1 c. The claiming of professional superiority in the compounding  
2 or filling of prescriptions or in any manner implying professional  
3 superiority which may reduce public confidence in the ability,  
4 character or integrity of other pharmacists.

5 d. Fostering the interest of one group of patients at the expense  
6 of another which compromises the quality or extent of professional  
7 services or facilities made available.

8 e. The distribution of premiums or rebates of any kind  
9 whatsoever in connection with the sale of drugs and medications  
10 provided, however, that trading stamps and similar devices shall not  
11 be considered to be rebates for the purposes of this act and provided  
12 further that discounts, premiums and rebates may be provided in  
13 connection with the sale of drugs and medications to any person  
14 who is 60 years of age or older and that discounts may be provided  
15 to any person who is a member of or is an account holder with a  
16 healthcare platform.

17 f. Advertising of prescription drug prices in a manner  
18 inconsistent with rules and regulations promulgated by the Director  
19 of the Division of Consumer Affairs, except that no advertising of  
20 any drug or substance shall be authorized unless the Commissioner  
21 of Health and Senior Services shall have determined that the  
22 advertising is not harmful to public health, safety and welfare.

23 g. Engaging in activities beyond the scope of a collaborative  
24 drug therapy management agreement.

25 Before a certificate shall be refused, suspended or revoked, the  
26 accused person shall be furnished with a copy of the complaint and  
27 given a hearing before the board. Any person whose certificate is  
28 so suspended or revoked shall be deemed an unlicensed person  
29 during the period of such suspension or revocation, and as those  
30 shall be subject to the penalties prescribed in this act, but that  
31 person may, at the discretion of the board, have his certificate  
32 reinstated at any time without an examination, upon application to  
33 the board. Any person to whom a certificate shall be denied by the  
34 board or whose certificate shall be suspended or revoked by the  
35 board shall have the right to review that action by appeal to the  
36 Appellate Division of the Superior Court in lieu of prerogative writ.  
37 (cf: P.L.2003, c.280, s.26)

38  
39 4. (New section) A patient with a membership or account with  
40 a healthcare platform may apply the membership or account as part  
41 of the payment for a prescription or non-prescription drug or  
42 device.

43  
44 5. (New section) A patient with a membership or an account  
45 with a healthcare platform, as defined pursuant to section 2 of  
46 P.L.2003, c.280 (C.45:14-41), may apply the membership or  
47 account towards payment of services provided as a result of  
48 telehealth or telemedicine. A patient who uses or intends to use a

1 membership or an account with a healthcare platform to pay for  
2 telehealth or telemedicine services shall notify a provider of any  
3 identification number, if given, in connection with the membership  
4 or account with a healthcare platform to ensure the preservation of a  
5 proper patient-provider relationship pursuant to section 3 of  
6 P.L.2017, c.117 (C.45:1-63).

7

8 6. This act shall take effect immediately.
