1 **A JOINT RESOLUTION** Designating the month of April of each year
2 as “Military Child Appreciation Month” in New Jersey and
3 designating the last full week of April of each year as “Military
4 Child Appreciation Week” in New Jersey.

5
6 **WHEREAS**, According to the Military Child Education Coalition, there
7 are approximately two million United States military children under
8 the age of eighteen, 1.1 million of whom are school-aged; and

9 **WHEREAS**, Many military children have known only war since
10 September 11, 2001, including some military children whose parent
11 made the ultimate sacrifice; and

12 **WHEREAS**, Military children often have to adapt their lives to the
13 requirements of their parent’s military obligations, and shoulder
14 responsibilities beyond their years and burdens outside of their
15 control; and

16 **WHEREAS**, Military children face an average of six to nine relocations
17 and school transitions during their school years, creating
18 disruptions due to separation from family and friends, as well as the
19 necessity of adjusting to new schools and environments; and

20 **WHEREAS**, The average military family moves three times more often
21 than their civilian counterpart, and those moves are often to areas
22 not chosen by the military family; and

23 **WHEREAS**, In 1986, Secretary of Defense Caspar Weinberger
24 established the month of April as the United States Department of
25 Defense’s “Month of the Military Child” in an effort to increase
26 public knowledge and understanding of the issues surrounding
27 children who have a parent in the military; and

28 **WHEREAS**, Since 1986, there have been an increasing number of
29 awareness campaigns aimed at recognizing the needs of military
30 children in all areas, such as coping with the deployment of a parent
31 to war zones; and

32 **WHEREAS**, Every April, the United States military services and
33 communities around the world recognize military children for their
34 daily sacrifices and the challenges they must overcome; and

35 **WHEREAS**, In 2009, New Jersey joined the Interstate Compact on
36 Educational Opportunity for Military Children to remove barriers to
37 educational success imposed on the children of military families
38 due to the frequent moves and deployment of a parent; and

39 **WHEREAS**, New Jersey will further its commitment to the brave men
40 and women who serve their country and State by supporting and
41 recognizing these children and young American heroes, and by
42 pledging its gratitude for their sacrifices; now, therefore,

43
44 **BE IT RESOLVED** *by the Senate and General Assembly of the*
45 *State of New Jersey:*

1 1. In order to recognize the sacrifice and bravery of military
2 children and to encourage the State of New Jersey's continued
3 commitment and support for military children living in this State:

4 a. The month of April of each year is designated as "Military
5 Child Appreciation Month" in New Jersey.

6 b. The last full week of April of each year is designated as
7 "Military Child Appreciation Week" in New Jersey.

8

10 proclamation calling upon public officials and the citizens of the
11 State to observe "Military Child Appreciation Month" and "Military
12 Child Appreciation Week" with appropriate activities and programs.

13

STATEMENT

18

19 This resolution designates the month of April of each year as
20 "Military Appreciation Month" and the last full week of April of
21 each year as "Military Appreciation Week" in New Jersey.

22 In 1986, Secretary of Defense Caspar Weinberger established the
23 month of April as the "Month of the Military Child." Secretary
24 Weinberger wanted to highlight the trials and tribulations that
25 military children endure from having a parent who serves in the
26 Armed Forces. Military families move three times more often than
27 civilian families and military children are often asked to shoulder
28 responsibilities and burdens well beyond their years.

29 Since 1986, the Department of Defense has commemorated April
30 as the "Month of the Military Child," and implemented various
31 programs to aid military children and families. There has also been
32 an increasing number of awareness campaigns aimed at recognizing
33 the needs of military children. It is therefore proper and fitting for
34 the State of New Jersey to commemorate military children by
35 designating the month of April of each year as "Military Child
36 Appreciation Month" and the last full week of April of each year as
37 "Military Child Appreciation Week" in New Jersey.
