CURRENT VERSION OF TEXT
Introduced Pending Technical Review by Legislative Counsel.

(Sponsorship Updated As Of: 6/16/2022)
AN ACT concerning the employment rights of domestic workers and amending and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. (New section) The Legislature finds and declares that:
   a. Domestic workers provide valuable services in industries such as in-home child care, house cleaning, home care, cooking, gardening, and other household occupations.
   b. The labor domestic workers provide is an important contribution to the State’s economy and prosperity, including but not limited to, by providing support services that enable other individuals to participate in the workforce.
   c. Many domestic workers are women, immigrants, and persons of color who work in or about private homes, isolated from other workers.
   d. Since 2007, the National Domestic Workers Alliance (NDWA) has advocated for respect for domestic workers by including them in national, State, and local labor protection laws. NDWA. In September 2020, NDWA affiliates, Adhikaar, Casa Freehold, New Labor and Wind of the Spirit, in collaboration with the Center for Women at Work at Rutgers University, released a report which found low pay, lack of benefits, and rampant wage theft occurs throughout the domestic worker industry, and that there is a lack of enforcement regarding existing rights of domestic workers.
   e. At least 10 other states and two cities have enacted legislation to provide rights, benefits, and protections for domestic workers.

Employees of a small employer, and employees who are engaged in seasonal employment, except for employees who customarily and regularly receive gratuities or tips who shall be subject to the provisions of subsections a. and d. of this section, shall be paid $8.85 per hour as of January 1, 2019 and, on January 1 of 2020 and January 1 of each subsequent year, that minimum wage rate shall be increased by any increase in the consumer price index for all urban wage earners and clerical workers (CPI-W) as calculated by the federal government for the 12 months prior to the September 30 preceding that January 1, except that any of the following rates shall apply if it exceeds the rate determined in accordance with the applicable increase in the CPI-W for the indicated year: on January 1, 2020, the minimum wage shall be $10.30 per hour; and on January 1 of each year from 2021 to 2025, inclusive, the minimum wage shall be increased from the rate of the preceding year by eighty cents per hour, and, in 2026, the minimum wage shall be increased from the rate of the preceding year by seventy cents per hour, and, in each year from 2027 to 2028 inclusive, the minimum wage for employees subject to this subsection c. shall be increased by the same amount as the increase for employees subject to subsection a. of this section based on CPI-W increases, plus one half of the difference between $15.00 per hour and the minimum wage in effect in 2026 for employees pursuant to subsection a. of this section, so that, by 2028, the minimum wage for employees subject to this subsection shall be the same as the minimum wage in effect for employees subject to subsection a. of this section. If the federal minimum hourly wage rate set by section 6 of the federal "Fair Labor Standards Act of 1938" (29 U.S.C. s.206), or a successor federal law, is raised to a level higher than the State minimum wage rate set by this subsection, then the State minimum wage rate shall be increased to the level of the federal minimum wage rate and subsequent increases based on increases in the CPI-W pursuant to this subsection shall be applied to the higher minimum wage rate.

d. Employees engaged on a piece-rate or regular hourly rate basis to labor on a farm shall be paid $8.85 per hour as of January 1, 2019 and, on January 1 of 2020 and January 1 of each subsequent year, that minimum wage rate shall be increased by any increase in the consumer price index for all urban wage earners and clerical workers (CPI-W) as calculated by the federal government for the 12 months prior to the September 30 preceding that January 1, except that any of the following rates shall apply if it exceeds the rate determined in accordance with the applicable increase in the CPI-W for the indicated year:

the minimum wage shall be increased from the rate of the preceding
year by eighty cents per hour; and

(2) subject to the provisions of paragraph (3) of this subsection
d., minimum wage rates shall be increased as follows: on January 1
of 2025, the minimum wage shall be increased to $13.40, and on
January 1 of each year from 2026 to 2027, inclusive, the minimum
wage shall be increased from the rate of the preceding year by
eighty cents per hour, and, in each year from 2028 to 2030
inclusive, the minimum wage for employees subject to this
subsection d. shall be increased during that year by the same
amount as the increase in that year for employees subject to
subsection a. of this section based on CPI-W increases, plus one
third of the difference between $15.00 per hour and the minimum
wage in effect in 2027 for employees pursuant to subsection a. of
this section, so that, by 2030, the minimum wage for employees
subject to this subsection shall be the same as the minimum wage in
effect for employees subject to subsection a. of this section.

(3) Not later than March 31, 2024, the commissioner and the
Secretary of Agriculture shall review the report issued by the
commissioner pursuant to subsection b. of section 4 of P.L.2019,
c.32 (C.34:11-56a.10) and shall consider any information provided
by the secretary regarding the impact on farm employers and the
viability of the State's agricultural industry of the increases of the
minimum wage made pursuant to paragraph (1) of this subsection,
and the potential impact of the increases which would be set by
paragraph (2) of this subsection, including comparisons with the
wage rates in the agricultural industries in other states, and shall
recommend: approval of the increases set forth in paragraph (2) of
this subsection; disapproval of the increases set forth in paragraph
(2) of this subsection; or an alternative manner of changing the
minimum wage after 2024 for employees engaged on a piece-rate or
regular hourly rate basis to labor on a farm. In contemplation of the
possibility that the commissioner and the secretary are unable to
agree on the recommendation required by this paragraph, by
December 31, 2021, the Governor shall appoint a public member
subject to advice and consent by the Senate, who will serve as a tie-
breaking member if needed. The increases set forth in paragraph
(2) of this subsection shall take effect unless there is a
recommendation pursuant to this paragraph to disapprove the
increases or for an alternative manner of changing the minimum
wage after 2024 for employees engaged on a piece-rate or regular
hourly rate basis to labor on a farm and the Legislature, not later
than June 30, 2024, enacts a concurrent resolution approving the
implementation of that recommendation. Beginning in 2024, the
commissioner, secretary, and public member shall meet biennially
to make either a one or two year recommendation to the Legislature
for implementation by way of concurrent resolution.

(4) If the federal minimum hourly wage rate set by section 6 of
the federal "Fair Labor Standards Act of 1938" (29 U.S.C. s.206), or
a successor federal law, is raised to a level higher than the State
minimum wage rate set by this subsection, then the State minimum
wage rate shall be increased to the level of the federal minimum
wage rate and subsequent increases based on increases in the CPI-
W pursuant to this subsection shall be applied to the higher
minimum wage rate.

e. With respect to an employee who customarily and regularly
receives gratuities or tips, every employer is entitled to a credit for
the gratuities or tips received by the employee against the hourly
wage rate that would otherwise be paid to the employee pursuant to
subsection a. of this section of the following amounts: after
December 31, 2018 and before July 1, 2019, $6.72 per hour; after

calendar years 2020, 2021 and 2022, $7.87 per hour; during
calendar year 2023, $8.87 per hour; and during calendar year 2024
and subsequent calendar years, $9.87 per hour.

f. Notwithstanding the provisions of this section to the
contrary, every trucking industry employer shall pay to all drivers,
helpers, loaders and mechanics for whom the Secretary of

Motor Carrier Act, 49 U.S.C.s.31502(b), an overtime rate not less
than 1 1/2 times the minimum wage required pursuant to this
section and N.J.A.C. 12:56-3.1. Employees engaged in the trucking

than 90 percent of the minimum wage rate otherwise set pursuant to
subsection a. of this section may be paid to an employee who is
enrolled in an established employer on-the-job or other training
program which meets standards set by regulations adopted by the
commissioner. The period during which an employer may pay the
training wage to the employee shall be the first 120 hours of work
after hiring the employee in employment in an occupation in which
the employee has no previous similar or related experience. An
employer shall not utilize any employee paid the training wage in a
manner which causes, induces, encourages or assists any
displacement or partial displacement of any currently employed
worker, including any previous recipient of the training wage, by
reducing hours of a currently employed worker, replacing a current
or laid off employee with a trainee, or by relocating operations
resulting in a loss of employment at a previous workplace, or in a
manner which replaces, supplants, competes with or duplicates any
approved apprenticeship program. An employer who pays an
employee a training wage shall make a good faith effort to continue
to employ the employee after the period of the training wage
expires and shall not hire the employee at the training wage unless
there is a reasonable expectation that there will be regular
employment, paying at or above the effective minimum wage, for
the trainee upon the successful completion of the period of the
training wage. If the commissioner determines that an employer
has made repeated, knowing violations of the provisions of this
subsection regarding the payment of a training wage, the
commissioner shall suspend the employer's right to pay a training
wage for a period set pursuant to regulations adopted by the
commissioner, but not less than three years.

h. The provisions of this section shall not be construed as
prohibiting any political subdivision of the State from adopting an
ordinance, resolution, regulation or rule, or entering into any
agreement, establishing any standard for vendors, contractors and
subcontractors of the subdivision regarding wage rates or overtime
compensation which is higher than the standards provided for in
this section, and no provision of any other State or federal law
establishing a minimum standard regarding wages or other terms
and conditions of employment shall be construed as preventing a
political subdivision of the State from adopting an ordinance,
resolution, regulation or rule, or entering into any agreement,
establishing a standard for vendors, contractors and subcontractors
of the subdivision which is higher than the State or federal law or
which otherwise provides greater protections or rights to employees
of the vendors, contractors and subcontractors of the subdivision,
unless the State or federal law expressly prohibits the subdivision
from adopting the ordinance, resolution, regulation or rule, or
entering into the agreement.

payment of premiums pursuant to this chapter, if the business,

business, limited liability partnership, limited liability company or
partnership is purchased or renewed, to obtain coverage for the
person, the limited liability partners, the limited liability company
members or the partners. If the business, limited liability
partnership, limited liability company or partnership elects to obtain
coverage for the self-employed person, limited liability partners,
limited liability company members or the partners, the election may
only be made at purchase or at renewal and may not be withdrawn
during the policy term. If the business, limited liability partnership,
limited liability company or partnership performs services covered

comprehensive personal liability insurance for domestic [servants]
employees, household employees or the dependents thereof, the
workers’ compensation policy of the business, limited liability

primary responsibility for the payment of benefits. Notwithstanding
the provisions of R.S.34:15-71 and 34:15-72, the business, limited
liability partnership, limited liability company or partnership shall
not be required to purchase a policy unless the business, limited
liability partnership, limited liability company or partnership is an

Every application for workers' compensation made on or after the effective date of this amendatory act shall include notice, as approved by the Commissioner of Banking and Insurance, concerning the availability of workers' compensation coverage for self-employed persons, limited liability partners, limited liability company members or partners. That application shall also contain a notice of election of coverage and shall clearly state that coverage for self-employed persons, limited liability partners, limited liability company members and partners shall not be provided under the policy unless the application containing the notice of election is executed and filed with the insurer or insurance producer. The application containing the notice of election shall also contain a statement that the insurer or insurance producer shall not be liable in an action for damages on account of the failure of a business, limited liability partnership, limited liability company or partnership to elect to obtain workers' compensation coverage for a self-employed person, limited liability partner, limited liability company member or partner, unless the insurer or insurance producer causes damage by a willful, wanton or grossly negligent act of commission or omission. The failure of a self-employed person, limited liability partnership, limited liability company or partnership to elect to obtain workers' compensation coverage for the self-employed person, the limited liability partners, the limited liability company members or the partners shall not affect benefits available under any other accident or health policy.

Employment shall be deemed to commence when an employee arrives at the employer's place of employment to report for work and shall terminate when the employee leaves the employer's place of employment, excluding areas not under the control of the employer; provided, however, when the employee is required by the employer to be away from the employer's place of employment, the employee shall be deemed to be in the course of employment when the employee is engaged in the direct performance of duties assigned or directed by the employer; but the employment of employee paid travel time by an employer for time spent traveling...

Employment shall also be deemed to commence when an employee is traveling in a ridesharing arrangement between his or her place of residence or terminal near such place and his or her place of employment, if one of the following conditions is satisfied: the vehicle used in the ridesharing arrangement is owned, leased or contracted for by the employer, or the employee is required by the employer to travel in a ridesharing arrangement as a condition of employment.

Subject to the above provisions, nothing in this definition shall be construed to preclude benefits to a worker who returns to work following a compensable accident even if there be no reduction in earnings. Injuries such as minor lacerations, minor contusions, minor sprains, and scars which do not constitute significant permanent disfigurement, and occupational disease of a minor nature such as mild dermatitis and mild bronchitis shall not constitute permanent disability within the meaning of this definition.

"Disability permanent in quality and total in character" means a physical or neuropsychiatric total permanent impairment caused by a compensable accident or compensable occupational disease, where no fundamental or marked improvement in such condition can be reasonably expected.

14. R.S.43:21-19 is amended to read as follows:
43:21-19. Definitions. As used in this chapter (R.S.43:21-1 et seq.), unless the context clearly requires otherwise:
(a) (1) "Annual payroll" means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.
(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last three or five preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior three or five calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that "average annual payroll" solely for the purposes of paragraph (3) of subsection (e) of R.S.43:21-7 means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund for the last three or five preceding calendar years, whichever average is higher; provided further that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12-month period for which the employer's contribution rate is computed.
"Benefits" means the money payments payable to an individual, as provided in this chapter (R.S.43:21-1 et seq.), with respect to his unemployment.

(c) (1) "Base year" with respect to benefit years commencing on or after July 1, 1986, shall mean the first four of the last five completed calendar quarters immediately preceding an individual's benefit year.

With respect to a benefit year commencing on or after July 1, 1995, if an individual does not have sufficient qualifying weeks or wages in his base year to qualify for benefits, the individual shall have the option of designating that his base year shall be the "alternative base year," which means the last four completed calendar quarters immediately preceding the individual's benefit year; except that, with respect to a benefit year commencing on or after October 1, 1995, if the individual also does not have sufficient qualifying weeks or wages in the last four completed calendar quarters immediately preceding his benefit year to qualify for benefits, "alternative base year" means the last three completed calendar quarters immediately preceding his benefit year and, of the calendar quarter in which the benefit year commences, the portion of the quarter which occurs before the commencing of the benefit year.

The division shall inform the individual of his options under this section as amended by P.L.1995, c.234. If information regarding weeks and wages for the calendar quarter or quarters immediately preceding the benefit year is not available to the division from the regular quarterly reports of wage information and the division is not able to obtain the information using other means pursuant to State or federal law, the division may base the determination of eligibility for benefits on the affidavit of an individual with respect to weeks and wages for that calendar quarter. The individual shall furnish payroll documentation, if available, in support of the affidavit. A determination of benefits based on an alternative base year shall be adjusted when the quarterly report of wage information from the employer is received if that information causes a change in the determination.

(2) With respect to a benefit year commencing on or after June 1, 1990 for an individual who immediately preceding the benefit year was subject to a disability compensable under the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), "base year" shall mean the first four of the last five completed calendar quarters immediately preceding the individual's period of disability, if the employment held by the individual immediately preceding the period of disability is no longer available at the conclusion of that period and the individual files a valid claim for unemployment benefits after the conclusion of that period. For the purposes of this paragraph, "period of disability" means the period defined as a period of disability by
section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27). An individual who files a claim under the provisions of this paragraph (2) shall not be regarded as having left work voluntarily for the purposes of subsection (a) of R.S.43:21-5.

(3) With respect to a benefit year commencing on or after June 1, 1990 for an individual who immediately preceding the benefit year was subject to a disability compensable under the provisions of the workers' compensation law (chapter 15 of Title 34 of the Revised Statutes), "base year" shall mean the first four of the last five completed calendar quarters immediately preceding the individual's period of disability, if the period of disability was not longer than two years, if the employment held by the individual immediately preceding the period of disability is no longer available at the conclusion of that period and if the individual files a valid claim for unemployment benefits after the conclusion of that period. For the purposes of this paragraph, "period of disability" means the period from the time at which the individual becomes unable to work because of the compensable disability until the time that the individual becomes able to resume work and continue work on a permanent basis. An individual who files a claim under the provisions of this paragraph (3) shall not be regarded as having left work voluntarily for the purposes of subsection (a) of R.S.43:21-5.

(d) "Benefit year" with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with subsection (a) of R.S.43:21-6 shall be deemed to be a "valid claim" for the purpose of this subsection if (1) he is unemployed for the week in which, or as of which, he files a claim for benefits; and (2) he has fulfilled the conditions imposed by subsection (e) of R.S.43:21-4.

The hiring entity shall pay the domestic worker for the time spent on a rest break at the domestic worker's regular rate of pay.

b. The hiring entity shall allow an uninterrupted 30-minute meal break after more than five consecutive hours worked. Unless the domestic worker is relieved of all work duties during such 30-minute period, the meal period shall be considered an "on-duty" meal period and shall be paid at the domestic worker's regular rate of pay.

(1) An "on-duty" meal period shall be permitted only when the nature of the work prevents a domestic worker from being relieved of all duties and when, by written agreement between the parties, an "on-duty" meal period is agreed to. 29. shall entitle the domestic worker to severance pay in the amount of
30. the worker's regular hourly rate multiplied by the regular number of

38. time earned and used, if applicable, and the existence of a written
39. agreement, all pursuant to requirements established by regulation by
40. the department. If a hiring entity does not maintain the required
41. records or does not allow the department reasonable access to the

f. The protections of this section shall apply to any person who mistakenly but in good faith alleges a violation of P.L. , c. (C. et seq.) (pending before the Legislature as this bill).

g. It shall be considered a rebuttable presumption of retaliation if the hiring entity or any other person takes an adverse action against a domestic worker within 90 calendar days of the worker’s exercise of rights protected in P.L. c. (C. et seq.) (pending before the Legislature as this bill). However, in the case of temporary or seasonal employment that ended before the close of the 90 calendar day period, the presumption also applies if the
hiring entity fails to rehire a former domestic worker at the next
opportunity for work in the same position. The hiring entity may
rebut the presumption with clear and convincing evidence that the
adverse action would have been taken in the absence of such
protected activity.

h. Proof of retaliation under P.L. , c. (C. et seq.)
(pending before the Legislature as this bill) shall be sufficient upon
a showing that the hiring entity or any other person has taken an
adverse action against a person and the persons exercise or rights
protected in P.L. , c. (C. et seq.) (pending before the
Legislature as this bill) was a motivating factor in the absence of
that protected activity.

Legislature as this bill) regardless of whether the complaint or
communication is in writing or makes explicit reference to P.L. ,
c. (C. ) (pending before the Legislature as this bill).
