1 AN ACT concerning school start times for high school students and
2 supplementing Title 18A of the New Jersey Statutes.

3
4 **BE IT ENACTED** *by the Senate and General Assembly of the State*
5 *of New Jersey:*

6
7 1. The Legislature finds and declares that:

8 a. During puberty, adolescents become tired later at night and
9 need to sleep later in the morning as a result in shifts in biological
10 rhythms.

11 b. The combination of late bedtimes and early school start
12 times results in most adolescents not getting enough sleep.

13 c. Adolescents who do not get enough sleep are faced with
14 several health risks including being overweight, drinking alcohol,
15 smoking tobacco, and using drugs, as well as poor academic
16 performance.

17 d. The American Academy of Sleep Medicine recommends that
18 teenagers aged 13 to 18 years should regularly sleep 8 to 10 hours
19 per day for good health.

20 e. The American Academy of Pediatrics recommends that
21 middle and high schools start at 8:30 AM or later to give students
22 the opportunity to get the amount of sleep they need.

23
24 2. In order to receive any State aid pursuant to P.L.2007, c.260
25 (C.18A:7F-43 et al.) or any other law, a school district, charter
26 school, renaissance school project, county vocational school
27 district, or county special services school district that includes
28 grades 9 through 12 shall begin regular instruction for high school
29 students no earlier than 8:30 AM local New Jersey time. This
30 section shall not be construed to supersede any provisions of a
31 student's individualized education program developed pursuant to
32 the "Individuals with Disabilities Education Act," 20 U.S.C. s.1400
33 et seq., or any rights, privileges, and remedies afforded a student
34 under that act or section 504 of the federal "Rehabilitation Act of
35 1973," 29 U.S.C. s.794.

36
37 3. This act shall take effect immediately and shall first apply to
38 the 2024-2025 school year.
