

SENATE ENVIRONMENT AND ENERGY COMMITTEE

STATEMENT TO

**SENATE, No. 2728**

with committee amendments

**STATE OF NEW JERSEY**

DATED: JUNE 9, 2022

The Senate Environment and Energy Committee favorably reports Senate Bill No. 2728, with committee amendments.

This bill, as amended by the committee, designates the Department of Environmental Protection State building located at 401 East State Street in the City of Trenton as the “Richard J. Sullivan Building.”

The committee amendments correct the address of the Department of Environmental Protection State building.
