9 22. Notwithstanding the provisions of R.S.39:3-14 or any other
10 sections of law which permit or require the issuance of a driver's
11 license without charge, the required fee for a commercial driver
12 license examination or learner's permit shall be \$35. A permit
13 issued before April 1, 1992 shall be valid for a period of two years
14 from the date of issuance, unless another time period is established
15 for such permits in federal regulations promulgated by the Secretary
16 of the United States Department of Transportation. The permit
17 holder shall have unlimited testing opportunities consistent with the
18 scheduling obligations of the **【Division of Motor Vehicles】** Motor

24 After the issuance of a commercial driver license, the

27 In addition to fees for a basic driver license and any non-

29 a 48-month licensing period shall be \$18 for each commercial
30 driver license and renewal thereof and \$2 for each endorsement and
31 renewal thereof. In addition, the **【director】** chief administrator

38 administrator. The fee for such licenses or endorsements shall be
39 fixed in amounts proportionately less or greater than the fee
40 otherwise established.

41 Nothing in this section shall be construed to alter or change any
42 expiration date on any New Jersey commercial driver license issued
43 prior to the operative date of P.L.2001, c.391 (C.39:3-10f4 et al.)
44 and, unless a licensee's driving privileges are otherwise suspended
