7 2. Section 5 of P.L.1992, c.161 (C.17B:27A-6) is amended to
8 read as follows:

9 5. An individual health benefits plan issued pursuant to section 3
10 of **【this act】** P.L.1992, c.161 (C.17B:27A-4) is subject to the
11 following provisions:

12 a. The health benefits plan shall guarantee coverage for an
13 eligible person and his dependents on a modified community rated
14 basis.

15 b. A health benefits plan shall be renewable with respect to an
16 eligible person and his dependents at the option of the policy or
17 contract holder. A carrier may terminate a health benefits plan under
18 the following circumstances:

19 (1) the policy or contract holder has failed to pay premiums in
20 accordance with the terms of the policy or contract or the carrier has
21 not received timely premium payments;

22 (2) the policy or contract holder has performed an act or practice
23 that constitutes fraud or made an intentional misrepresentation of
24 material fact under the terms of the coverage.

25 c. A carrier may not renew a health benefits plan only under the
26 following circumstances:

27 (1) termination of eligibility of the policy or contract holder if the
28 person is no longer a resident or becomes eligible for a group health
29 benefits plan, group health plan, governmental plan or church plan;

30 (2) cancellation or amendment by the board of the specific
31 individual health benefits plan;

32 (3) approval by the commissioner of a request by the individual
33 carrier to not renew a particular type of health benefits plan, in
34 accordance with rules adopted by the commissioner. After receiving
35 approval by the commissioner, a carrier may not renew a type of
36 health benefits plan only if the carrier: (a) provides notice to each
37 covered individual provided coverage of this type of the nonrenewal at
38 least 90 days prior to the date of the nonrenewal of the coverage; (b)
39 offers to each individual provided coverage of this type the option to
40 purchase any other individual health benefits plan currently being
41 offered by the carrier; and (c) in exercising the option to not renew
42 coverage of this type and in offering coverage as required under (b)
43 above, the carrier acts uniformly without regard to any health status-
44 related factor of enrolled individuals or individuals who may become
45 eligible for coverage;

46 (4) approval by the commissioner of a request by the individual
47 carrier to cease doing business in the individual health benefits market.

48 A carrier may not renew all individual health benefits plans only if the

1 carrier: (a) first receives approval from the commissioner; and (b)
2 provides notice to each individual of the nonrenewal at least 180 days
3 prior to the date of the expiration of such coverage]. A carrier ceasing
4 to do business in the individual health benefits market may not provide

7 the termination of the last health benefits plan not so renewed] ². The
8 commissioner may impose a five-year prohibition on the issuance of
9 any health benefits plan in the individual or small employer markets if
10 the commissioner determines the prohibition would be beneficial to
11 the small employer and individual health benefits markets²; and

12 (5) In the case of a health benefits plan made available by a health
13 maintenance organization carrier, the carrier shall not be required to
14 renew coverage to an eligible individual who no longer resides, lives,
15 or works in the service area, or in an area for which the carrier is
16 authorized to do business, but only if coverage is terminated under this
17 paragraph uniformly without regard to any health status-related factor
18 of covered individuals.

21 3. Section 3 of P.L.1992, c.162 (C.17B:27A-19) is amended to
22 read as follows:

23 3. a. Except as provided in subsection f. of this section, every
24 small employer carrier shall, as a condition of transacting business
25 in this State, offer to every small employer at least three of the
26 health benefit plans established by the board, as provided in this
27 section], and also offer and make a good faith effort to market
28 individual health benefits plans as provided in section 3 of
29 P.L.1992, c.161 (C.17B:27A-4)]. The board shall establish a
30 standard policy form for each of the plans, which except as
31 otherwise provided in subsection j. of this section, shall be the only
32 plans offered to small groups on or after January 1, 1994. One
33 policy form shall contain the benefits provided for in sections 55,
34 57, and 59 of P.L.1991, c. 187 (C.17:48E-22.2, 17B:26B-2 and
35 26:2J-4.3). In the case of indemnity carriers, one policy form shall
36 be established which contains benefits and cost sharing levels which
37 are equivalent to the health benefits plans of health maintenance
38 organizations pursuant to the "Health Maintenance Organization
39 Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.). The
40 remaining policy forms shall contain basic hospital and medical-
41 surgical benefits, including, but not limited to:

42 (1) Basic inpatient and outpatient hospital care;

43 (2) Basic and extended medical-surgical benefits;

44 (3) Diagnostic tests, including X-rays;

45 (4) Maternity benefits, including prenatal and postnatal care;

46 and

1 (5) Preventive medicine, including periodic physical
2 examinations and inoculations.

3 At least three of the forms shall provide for major medical
4 benefits in varying lifetime aggregates, one of which shall provide
5 at least \$1,000,000 in lifetime aggregate benefits. The policy forms
6 provided pursuant to this section shall contain benefits representing
7 progressively greater actuarial values.

8 Notwithstanding the provisions of this subsection to the contrary,
9 the board also may establish additional policy forms by which a
10 small employer carrier, other than a health maintenance
11 organization, may provide indemnity benefits or health maintenance
12 organization enrollees by direct contract with the enrollees' small
13 employer through a dual arrangement with the health maintenance
14 organization. The dual arrangement shall be filed with the
15 commissioner for approval. The additional policy forms shall be
16 consistent with the general requirements of P.L.1992, c.162
17 (C.17B:27A-17 et seq.).

18 b. Initially, a carrier shall offer a plan within 90 days of the
19 approval of such plan by the commissioner. Thereafter, the plans
20 shall be available to all small employers on a continuing basis.
21 Every small employer which elects to be covered under any health
22 benefits plan who pays the premium therefor and who satisfies the
23 participation requirements of the plan shall be issued a policy or
24 contract by the carrier.

25 c. The carrier may establish a premium payment plan which
26 provides installment payments and which may contain reasonable
27 provisions to ensure payment security, provided that provisions to
28 ensure payment security are uniformly applied.

29 d. In addition to the standard policies described in subsection a.
30 of this section, the board may develop up to five rider packages.
31 Any such package which a carrier chooses to offer shall be issued to
32 a small employer who pays the premium therefor, and shall be
33 subject to rating methodology set forth in section 9 of P.L.1992,
34 c.162 (C.17B:27A-25).

35 e. (Deleted by amendment, P.L.2008, c.38).

36 f. Notwithstanding the provisions of this section to the
37 contrary, a health maintenance organization which is a qualified
38 health maintenance organization pursuant to the "Health
39 Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C.
40 s.300e et seq.) shall be permitted to offer health benefits plans
41 formulated by the board and approved by the commissioner which
42 are in accordance with the provisions of that law in lieu of the five
43 plans required pursuant to this section.

44 Notwithstanding the provisions of this section to the contrary, a
45 health maintenance organization which is approved pursuant to
46 P.L.1973, c.337 (C.26:2J-1 et seq.) shall be permitted to offer health
47 benefits plans formulated by the board and approved by the
48 commissioner which are in accordance with the provisions of that

1 law in lieu of the plans required pursuant to this section, except that
2 the plans shall provide the same level of benefits as required for a
3 federally qualified health maintenance organization, including any
4 requirements concerning copayments by enrollees.

5 g. A carrier shall not be required to own or control a health
6 maintenance organization or otherwise affiliate with a health
7 maintenance organization in order to comply with the provisions of
8 this section, but the carrier shall be required to offer at least three of
9 the benefits plans which are formulated by the board and approved
10 by the commissioner, including one plan which contains benefits
11 and cost sharing levels that are equivalent to those required for
12 health maintenance organizations.

13 h. Notwithstanding the provisions of subsection a. of this
14 section to the contrary, the board may modify the benefits provided
15 for in sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2,
16 17B:26B-2 and 26:2J-4.3).

17 i. (1) In addition to the rider packages provided for in
18 subsection d. of this section, every carrier may offer, in connection
19 with the health benefits plans required to be offered by this section,
20 any number of riders which may revise the coverage offered by the
21 plans in any way, provided, however, that any form of such rider or
22 amendment thereof which decreases benefits or decreases the
23 actuarial value of a plan shall be filed for informational purposes
24 with the board and for approval by the commissioner before such
25 rider may be sold. Any rider or amendment thereof which adds
26 benefits or increases the actuarial value of a plan shall be filed with
27 the board for informational purposes before such rider may be sold.
28 The added premium or reduction in premium for each rider, as
29 applicable, shall be listed separately from the premium for the
30 standard plan.

31 The commissioner shall disapprove any rider filed pursuant to
32 this subsection that is unjust, unfair, inequitable, unreasonably
33 discriminatory, misleading, contrary to law or the public policy of
34 this State. The commissioner shall not approve any rider which
35 reduces benefits below those required by sections 55, 57 and 59 of
36 P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3) and
37 required to be sold pursuant to this section. The commissioner's
38 determination shall be in writing and shall be appealable.

39 (2) The benefit riders provided for in paragraph (1) of this
40 subsection shall be subject to the provisions of section 2, subsection
41 b. of section 3, and sections 5, 7, 8, 9 and 11 of P.L.1992, c.162
42 (C.17B:27A-18, 17B:27A-19, 17B:27A-22, 17B:27A-23, 17B:27A-
43 24, 17B:27A-25, and 17B:27A-27).

44 j. (1) Notwithstanding the provisions of P.L.1992, c.162
45 (C.17B:27A-17 et seq.) to the contrary, a health benefits plan issued
46 by or through a carrier, association, or multiple employer
47 arrangement prior to January 1, 1994 or, if the requirements of
48 subparagraph (c) of paragraph (6) of this subsection are met, issued

1 by or through an out-of-State trust prior to January 1, 1994, at the
2 option of a small employer policy or contract holder, may be
3 renewed or continued after February 28, 1994, or in the case of such
4 a health benefits plan whose anniversary date occurred between
5 March 1, 1994 and the effective date of P.L.1994, c.11 (C.17B:27A-
6 19.1 et al.), may be reinstated within 60 days of that anniversary
7 date and renewed or continued if, beginning on the first 12-month
8 anniversary date occurring on or after the sixtieth day after the
9 board adopts regulations concerning the implementation of the
10 rating factors permitted by section 9 of P.L.1992, c.162
11 (C.17B:27A-25) and, regardless of the situs of delivery of the health
12 benefits plan, the health benefits plan renewed, continued or
13 reinstated pursuant to this subsection complies with the provisions
14 of section 2, subsection b. of section 3, and sections 6, 7, 8, 9 and
15 11 of P.L.1992, c.162 (C.17B:27A-18, 17B:27A-19, 17B:27A-22,
16 17B:27A-23, 17B:27A-24, 17B:27A-25 and 17B:27A-27) and
17 section 7 of P.L.1995, c.340 (C17B:27A-19.3).

18 Nothing in this subsection shall be construed to require an
19 association, multiple employer arrangement or out-of-State trust to
20 provide health benefits coverage to small employers that are not
21 contemplated by the organizational documents, bylaws, or other
22 regulations governing the purpose and operation of the association,
23 multiple employer arrangement or out-of-State trust.
24 Notwithstanding the foregoing provision to the contrary, an
25 association, multiple employer arrangement or out-of-State trust
26 that offers health benefits coverage to its members' employees and
27 dependents:

28 (a) shall offer coverage to all eligible employees and their
29 dependents within the membership of the association, multiple
30 employer arrangement or out-of-State trust;

31 (b) shall not use actual or expected health status in determining
32 its membership; and

33 (c) shall make available to its small employer members at least
34 one of the standard benefits plans, as determined by the
35 commissioner, in addition to any health benefits plan permitted to
36 be renewed or continued pursuant to this subsection.

37 (2) Notwithstanding the provisions of this subsection to the
38 contrary, a carrier or out-of-State trust which writes the health
39 benefits plans required pursuant to subsection a. of this section shall
40 be required to offer those plans to any small employer, association
41 or multiple employer arrangement.

42 (3) (a) A carrier, association, multiple employer arrangement, or
43 out-of-State trust may withdraw a health benefits plan marketed to
44 small employers that was in effect on December 31, 1993 with the
45 approval of the commissioner. The commissioner shall approve a
46 request to withdraw a plan, consistent with regulations adopted by
47 the commissioner, only on the grounds that retention of the plan
48 would cause an unreasonable financial burden to the issuing carrier,

1 taking into account the rating provisions of section 9 of P.L.1992,
2 c.162 (C.17B:27A-25) and section 7 of P.L.1995, c.340
3 (C.17B:27A-19.3).

4 (b) A carrier which has renewed, continued or reinstated a
5 health benefits plan pursuant to this subsection that has not been
6 newly issued to a new small employer group since January 1, 1994,
7 may, upon approval of the commissioner, continue to establish its
8 rates for that plan based on the loss experience of that plan if the
9 carrier does not issue that health benefits plan to any new small
10 employer groups.

11 (4) (Deleted by amendment, P.L.1995, c.340).

12 (5) A health benefits plan that otherwise conforms to the
13 requirements of this subsection shall be deemed to be in compliance
14 with this subsection, notwithstanding any change in the plan's
15 deductible or copayment.

16 (6) (a) Except as otherwise provided in subparagraphs (b) and
17 (c) of this paragraph, a health benefits plan renewed, continued or
18 reinstated pursuant to this subsection shall be filed with the
19 commissioner for informational purposes within 30 days after its
20 renewal date. No later than 60 days after the board adopts
21 regulations concerning the implementation of the rating factors
22 permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) the filing
23 shall be amended to show any modifications in the plan that are
24 necessary to comply with the provisions of this subsection. The
25 commissioner shall monitor compliance of any such plan with the
26 requirements of this subsection, except that the board shall enforce
27 the loss ratio requirements.

28 (b) A health benefits plan filed with the commissioner pursuant
29 to subparagraph (a) of this paragraph may be amended as to its
30 benefit structure if the amendment does not reduce the actuarial
31 value and benefits coverage of the health benefits plan below that of
32 the lowest standard health benefits plan established by the board
33 pursuant to subsection a. of this section. The amendment shall be
34 filed with the commissioner for approval pursuant to the terms of
35 sections 4, 8, 12 and 25 of P.L.1995, c.73 (C.17:48-8.2, 17:48A-9.2,
36 17:48E-13.2 and 26:2J-43), N.J.S.17B:26-1 and N.J.S.17B:27-49, as
37 applicable, and shall comply with the provisions of sections 2 and 9
38 of P.L.1992, c.162 (C.17B:27A-18 and 17B:27A-25) and section 7
39 of P.L.1995, c.340 (C.17B:27A-19.3).

40 (c) A health benefits plan issued by a carrier through an out-of-
41 State trust shall be permitted to be renewed or continued pursuant to
42 paragraph (1) of this subsection upon approval by the commissioner
43 and only if the benefits offered under the plan are at least equal to
44 the actuarial value and benefits coverage of the lowest standard
45 health benefits plan established by the board pursuant to subsection
46 a. of this section. For the purposes of meeting the requirements of
47 this subparagraph, carriers shall be required to file with the
48 commissioner the health benefits plans issued through an out-of-

1 State trust no later than 180 days after the date of enactment of
2 P.L.1995, c.340. A health benefits plan issued by a carrier through
3 an out-of-State trust that is not filed with the commissioner pursuant
4 to this subparagraph, shall not be permitted to be continued or
5 renewed after the 180-day period.

6 (7) Notwithstanding the provisions of P.L.1992, c.162
7 (C.17B:27A-17 et seq.) to the contrary, an association, multiple
8 employer arrangement or out-of-State trust may offer a health
9 benefits plan authorized to be renewed, continued or reinstated
10 pursuant to this subsection to small employer groups that are
11 otherwise eligible pursuant to paragraph (1) of subsection j. of this
12 section during the period for which such health benefits plan is
13 otherwise authorized to be renewed, continued or reinstated.

14 (8) Notwithstanding the provisions of P.L.1992, c.162
15 (C.17B:27A-17 et seq.) to the contrary, a carrier, association,
16 multiple employer arrangement or out-of-State trust may offer
17 coverage under a health benefits plan authorized to be renewed,
18 continued or reinstated pursuant to this subsection to new
19 employees of small employer groups covered by the health benefits
20 plan in accordance with the provisions of paragraph (1) of this
21 subsection.

22 (9) Notwithstanding the provisions of P.L.1992, c.162
23 (C.17B:27A-17 et seq.) or P.L.1992, c.161 (C.17B:27A-2 et al.) to
24 the contrary, any individual, who is eligible for small employer
25 coverage under a policy issued, renewed, continued or reinstated
26 pursuant to this subsection, but who would be subject to a
27 preexisting condition exclusion under the small employer health
28 benefits plan, or who is a member of a small employer group who
29 has been denied coverage under the small employer group health
30 benefits plan for health reasons, may elect to purchase or continue
31 coverage under an individual health benefits plan until such time as
32 the group health benefits plan covering the small employer group of
33 which the individual is a member complies with the provisions of
34 P.L.1992, c.162 (C.17B:27A-17 et seq.).

35 (10) In a case in which an association made available a health
36 benefits plan on or before March 1, 1994 and subsequently changed
37 the issuing carrier between March 1, 1994 and the effective date of
38 P.L.1995, c.340, the new issuing carrier shall be deemed to have
39 been eligible to continue and renew the plan pursuant to paragraph
40 (1) of this subsection.

41 (11) In a case in which an association, multiple employer
42 arrangement or out-of-State trust made available a health benefits
43 plan on or before March 1, 1994 and subsequently changes the
44 issuing carrier for that plan after the effective date of P.L.1995,
45 c.340, the new issuing carrier shall file the health benefits plan with
46 the commissioner for approval in order to be deemed eligible to
47 continue and renew that plan pursuant to paragraph (1) of this
48 subsection.

1 (12) In a case in which a small employer purchased a health
2 benefits plan directly from a carrier on or before March 1, 1994 and
3 subsequently changes the issuing carrier for that plan after the
4 effective date of P.L.1995, c.340, the new issuing carrier shall file
5 the health benefits plan with the commissioner for approval in order
6 to be deemed eligible to continue and renew that plan pursuant to
7 paragraph (1) of this subsection.

8 Notwithstanding the provisions of subparagraph (b) of paragraph
9 (6) of this subsection to the contrary, a small employer who changes
10 its health benefits plan's issuing carrier pursuant to the provisions of
11 this paragraph, shall not, upon changing carriers, modify the benefit
12 structure of that health benefits plan within six months of the date
13 the issuing carrier was changed.

14 k. Effective immediately for a health benefits plan issued on or
15 after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.)
16 and effective on the first 12-month anniversary date of a health
17 benefits plan in effect on the effective date of P.L.2005, c.248

34 by a carrier to a small employer who is a member of a Small
35 Employer Purchasing Alliance pursuant to the provisions of
36 P.L.2001, c.225 (C.17B:27A-25.1 et al.) the premium rate charged
37 by a carrier to the highest rated small group purchasing a small

6 (4) (Deleted by amendment, P.L.1994, c.11).

7 (5) Any policy or contract issued after January 1, 1994 to a
8 small employer who was not previously covered by a health

12 effective on the date the policy or contract is issued.

13 (6) The board shall establish, pursuant to section 17 of
14 P.L.1993, c.162 (C.17B:27A-51):

15 (a) up to six geographic territories, none of which is smaller
16 than a county; and

21 d. Notwithstanding any other provision of law to the contrary,
22 **[this act]** P.L.1992, c.162 (C.17B:27A-17 et seq.) shall apply to a
23 carrier which provides a health benefits plan to one or more small
24 employers through a policy issued to an association or trust of
25 employers.

26 A carrier which provides a health benefits plan to one or more
27 small employers through a policy issued to an association or trust of
28 employers after the effective date of P.L.1992, c.162 (C.17B:27A-
29 17 et seq.), shall be required to offer small employer health benefits
30 plans to non-association or trust employers in the same manner as
31 any other small employer carrier is required pursuant to P.L.1992,
32 c.162 (C.17B:27A-17 et seq.).

33 e. Nothing contained herein shall prohibit the use of premium
34 rate structures to establish different premium rates for individuals
35 and family units.

36 f. No insurance contract or policy subject to **[this act]**
37 P.L.1992, c.162 (C.17B:27A-17 et seq.), including a contract or
38 policy entered into with a small employer who is a member of a
39 Small Employer Purchasing Alliance pursuant to the provisions of
40 P.L.2001, c.225 (C.17B:27A-25.1 et al.), may be entered into unless
41 and until the carrier has made an informational filing with the
42 commissioner of a schedule of premiums, not to exceed 12 months
43 in duration, to be paid pursuant to such contract or policy, of the
44 carrier's rating plan and classification system in connection with
45 such contract or policy, and of the actuarial assumptions and
46 methods used by the carrier in establishing premium rates for such
47 contract or policy.

1 g. (1) Beginning January 1, 1995, a carrier desiring to increase
2 or decrease premiums for any policy form or benefit rider offered
3 pursuant to subsection i. of section 3 of P.L.1992, c.162
4 (C.17B:27A-19) subject to **【this act】** P.L.1992, c.162 (C.17B:27A-
5 17 et seq.) may implement such increase or decrease upon making
6 an informational filing with the commissioner of such increase or
7 decrease, along with the actuarial assumptions and methods used by
8 the carrier in establishing such increase or decrease, provided that
9 the anticipated minimum loss ratio for all policy forms shall not be
10 less than 80% of the premium therefor as provided in paragraph (2)
11 of this subsection. The commissioner may disapprove any
12 informational filing on a finding that it is incomplete and not in
13 substantial compliance with P.L.1992, c.162 (C.17B:27A-17 et
14 seq.), or that the rates are inadequate or unfairly discriminatory.
15 Until December 31, 1996, the informational filing shall also include
16 the carrier's rating plan and classification system in connection with
17 such increase or decrease.

18 (2) Each calendar year, a carrier shall return, in the form of
19 aggregate benefits for all of the standard policy forms offered by
20 the carrier pursuant to subsection a. of section 3 of P.L.1992, c.162
21 (C.17B:27A-19), at least 80% of the aggregate premiums collected
22 for all of the standard policy forms, other than alliance policy
23 forms, and at least 80% of the aggregate premiums collected for all
24 of the non-standard policy forms during that calendar year. A
25 carrier shall return at least 80% of the premiums collected for all of
26 the alliances during that calendar year, which loss ratio may be
27 calculated in the aggregate for all of the alliances or separately for
28 each alliance. Carriers shall annually report, no later than August
29 1st of each year, the loss ratio calculated pursuant to this section for
30 all of the standard, other than alliance policy forms, non-standard
31 policy forms and alliance policy forms for the previous calendar
32 year, provided that a carrier may annually report the loss ratio
33 calculated pursuant to this section for all of the alliances in the
34 aggregate or separately for each alliance. In each case where the
35 loss ratio fails to substantially comply with the 80% loss ratio
36 requirement, the carrier shall issue a dividend or credit against
37 future premiums for all policyholders with the standard, other than
38 alliance policy forms, nonstandard policy forms or alliance policy
39 forms, as applicable, in an amount sufficient to assure that the
40 aggregate benefits paid in the previous calendar year plus the
41 amount of the dividends and credits shall equal 80% of the
42 aggregate premiums collected for the respective policy forms in the
43 previous calendar year. All dividends and credits must be
44 distributed by December 31 of the year following the calendar year
45 in which the loss ratio requirements were not satisfied. The annual
46 report required by this paragraph shall include a carrier's calculation
47 of the dividends and credits applicable to standard, other than
48 alliance policy forms, non-standard policy forms and alliance policy

1 forms, as well as an explanation of the carrier's plan to issue
2 dividends or credits. The instructions and format for calculating
3 and reporting loss ratios and issuing dividends or credits shall be
4 specified by the commissioner by regulation. Such regulations shall
5 include provisions for the distribution of a dividend or credit in the
6 event of cancellation or termination by a policyholder. For
7 purposes of this paragraph, "alliance policy forms" means policies
8 purchased by small employers who are members of Small Employer
9 Purchasing Alliances.

10 (3) The loss ratio of a health benefits plan issued pursuant to
11 subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19) shall
12 be calculated in accordance with the provisions of section 7 of
13 P.L.1995, c.340 (C.17B:27A-19.3), for the purposes of meeting the
14 requirements of this subsection.

15 h. (Deleted by amendment, P.L.1993, c.162).

16 i. The provisions of **【this act】** P.L.1992, c.162 (C.17B:27A-17
17 et seq.) shall apply to health benefits plans which are delivered,
18 issued for delivery, renewed or continued on or after January 1,
19 1994.

20 j. (Deleted by amendment, P.L.1995, c.340).

21 k. A carrier who negotiates a reduced premium rate with a
22 Small Employer Purchasing Alliance for members of that alliance
23 shall provide a reduction in the premium rate filed in accordance
24 with paragraph (3) of subsection a. of this section, expressed as a
25 percentage, which reduction shall be based on volume or other
26 efficiencies or economies of scale and shall not be based on health
27 status-related factors.
