32 further treatment; and

33 (b) (i) An additional fee of not more than \$300 per hour, with the

38 total amount not to exceed \$1,500, paid to the treating physician
39 who gives a deposition concerning causal relationship, ability to

41 b. (1) No fee for an evaluating physician pursuant to this section
42 shall be contingent on whether a judgment or award is or is not
43 made in favor of the petitioner.

EXPLANATION – Matter enclosed in bold-faced brackets **[thus]** in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

Matter enclosed in superscript numerals has been adopted as follows:

¹Senate SLA committee amendments adopted December 14, 2023.

1 (2) No evaluating or treating physician shall charge any fee for a
2 report, testimony or deposition in excess of the amount permitted
3 pursuant to the provisions of this section.

4 (3) A psychologist, nurse practitioner, or licensed clinical social
5 worker who provides psychological treatment may be paid a fee, as
6 permitted in accordance with the provisions of this section, for a
7 report or testimony concerning that provider's course of treatment
8 of the injured worker in that provider's role as a provider of
9 treatment.

10 c. A fee shall be allowed at the discretion of the judge of
11 compensation when, in the official's judgment, the services of an
12 attorney and medical witnesses are necessary for the proper
13 presentation of the case. In determining a reasonable fee for
14 medical witnesses, the official shall consider (1) the time,
15 personnel, and other cost factors required to conduct the
16 examination; (2) the extent, adequacy and completeness of the
17 medical evaluation; (3) the objective measurement of bodily
18 function and the avoidance of the use of subjective complaints; and
19 (4) the necessity of a court appearance of the medical witness.
20 When, however, at a reasonable time, prior to any hearing
21 compensation has been offered and the amount then due has been
22 tendered in good faith or paid within 26 weeks from the date of the
23 notification to the employer of an accident or an occupational
24 disease or the employee's final active medical treatment or within
25 26 weeks after the employee's return to work whichever is later or
26 within 26 weeks after employer's notification of the employee's
27 death, the reasonable allowance for an attorney fee shall be based
28 upon the amount of compensation, theretofore offered, tendered in
29 good faith or paid after the establishment of an attorney-client
30 relationship pursuant to a written agreement, and the amount of the
31 judgment or award in excess of the amount of compensation,
32 theretofore offered. When the amount of the judgment is less than
33 \$200, an attorney fee may be allowed not in excess of \$50.

34 d. All counsel fees of claimants' attorneys for services
35 performed in matters before the Division of Workers'
36 Compensation, whether or not allowed as part of a judgment, shall
37 be first approved by the judge of compensation before payment.
38 The basis for the award of a contingency fee, with a maximum of 25
39 percent of the petitioner's settlement, order on motion, or judgment
40 shall be the value of the money judgment awarded to the petitioner,
41 and the judge of workers' compensation shall not consider among
42 the factors in determining reasonableness of a fee the number of
43 hours expended by counsel or counsel's hourly rate, the
44 representation having been secured on the basis of contingency fee.
45 No awarded counsel fee shall be allocated by a judge of workers'
46 compensation or referee of formal hearing against the petitioner's
47 recovery for medical treatment or temporary total disability benefits
48 secured by way of motion or plenary trial. This section shall not
49 prevent a judge of workers' compensation or referee of formal

1 hearing from considering hourly rate and hours expended when
2 awarding a counsel fee pursuant to section 1 of P.L.2008, c.93
3 (C.34:15-28.2) or section 1 of P.L.1998, c.74 (C.34:15-57.4). Cases
4 resolved pursuant to section 8 of P.L.1979, c.282 (C.34:15-20) shall
5 also carry a contingency fee not exceeding 25 percent, subject to the
6 discretion of the judge of workers' compensation, with no
7 consideration to be given to hours expended or hourly rate, and with
8 the award of fees and costs to be allocated against the petitioner,
9 unless the parties stipulate otherwise, and the court approves that
10 arrangement.

11 Whenever a judgment or award is made in favor of a petitioner,
12 the judges of compensation or referees of formal hearings shall
13 direct amounts to be deducted for the petitioner's expenses and to be
14 paid directly to the persons entitled to the same, the remainder to be
15 paid directly to the petitioner.
