5 BE IT ENACTED by the Senate and General Assembly of the State
6 of New Jersey:

7
8 1. a. As used in this section, “sunscreen” means a topical product
9 used for the purpose of limiting skin damage caused by overexposure
10 to the sun, and which is regulated by the federal Food and Drug
11 Administration for over-the-counter use.

12 b. Notwithstanding any law or regulation to the contrary, a board
13 of education shall adopt a policy concerning a student’s use of
14 sunscreen and sun-protective clothing, such as hats and sunglasses,

18 sun-protective clothing while outdoors at school or a school-sponsored
19 function. ¹The policy may require written permission from a student’s
