#### STATEMENT

21

22 This bill requires the Department of Military and Veterans  
23 Affairs (DMVA) to develop a mobile application for veterans and  
24 their families. The mobile application will be a resource guide and  
25 will provide veterans and their families with information related to  
26 veterans' legal rights, medical and insurance issues, education,  
27 housing, the transition from active to civilian life. The guide should  
28 have substantially the same information as available on the DMVA  
29 website, A Resource Guide for New Jersey's Military, Veterans and  
30 Families, and New Jersey Veterans Benefits Guide.

31 Making these resources available through a mobile application  
32 will provide veterans with an additional avenue to access DMVA  
33 resources. The content on mobile applications generally loads  
34 faster than websites, and mobile applications are easier to use than  
35 websites and will provide veterans with a better user experience.
