5  
6 **BE IT ENACTED** by the Senate and General Assembly of the State  
7 of New Jersey:

8  
9 1. a. A taxpayer shall be allowed a credit against the tax  
10 imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5) in  
11 an amount equal to 15 percent of the wages paid by the taxpayer  
12 during a privilege period to a qualified employee with a disability.  
13 The credit provided pursuant to this section during a privilege  
14 period shall not exceed \$2,000 per qualified employee with a  
15 disability.

16 b. (1) To claim the credit provided pursuant to this section, a  
17 taxpayer shall submit an application to the director for certification  
18 that one or more employees meet the criteria of a qualified  
19 employee with a disability for purposes of qualifying for the credit.  
20 The director shall establish an application process and prescribe the  
21 form and manner through which a taxpayer may submit an  
22 application for a certification.

23 (2) The director shall review each application for certification  
24 submitted by a taxpayer in accordance with this section and make a  
25 determination regarding the approval of an application for  
26 certification within 90 calendar days of the date a complete  
27 application is received. The director shall issue a written  
28 certification to each taxpayer whose application has been reviewed  
29 and approved by the director in accordance with this section within  
30 five calendar days of the date the director's determination is made.  
31 A copy of the certification shall be included in the filing of a return  
32 that includes a claim for the credit. The contents of the certification  
33 shall state the fact of the certification and not disclose any private  
34 or confidential health information.

35 (3) If the director fails to make a determination regarding an  
36 application submitted pursuant to this subsection within 90 calendar  
37 days of the date the application is received, or if the director fails to  
38 issue a written certification within five calendar days of the date a  
39 determination is made, the application shall be deemed to have been  
40 approved and the written certification shall be deemed to have been  
41 issued by the director. Each taxpayer that submitted an application  
42 in accordance with this subsection but fails to receive a  
43 determination from the director within 90 calendar days of the date  
44 the application is submitted, or fails to receive a written  
45 certification from the director within five calendar days of the date  
46 of the director's determination is made, shall include a copy of the  
47 taxpayer's application when filing a return that includes a claim for  
48 the credit allowed in accordance with subsection a. of this section.

1 c. All information regarding a qualified employee with a  
2 disability which is obtained or compiled in connection with the  
3 certification and which may be identified with the qualified  
4 employee with a disability shall not be released to a person other  
5 than the qualified employee with a disability, except as provided by  
6 subsection d. of this section, unless the qualified employee with a  
7 disability provides written permission to the division for the release  
8 of the information, provided however that the division may release  
9 program statistics so classified as to prevent the identification of a  
10 particular qualified employee with a disability or that person's  
11 disability.

12 d. The director may confirm to the employer of a qualified  
13 employee with a disability, upon application of the employer, the  
14 fact that a qualified employee with a disability has been so certified.

15 e. The order of priority of the application of the credit allowed  
16 under this section and any other credits allowed by law shall be as  
17 prescribed by the Director of the Division of Taxation. The amount  
18 of credits applied under this section against the tax imposed  
19 pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5) for a  
20 privilege period, together with any other payments, credits,  
21 deductions, and adjustments allowed by law, shall not exceed 50  
22 percent of the tax liability otherwise due and shall not reduce the  
23 tax liability for a privilege period to an amount less than the

25 P.L.1945, c.162. The amount of the credit otherwise allowable  
26 under this section which cannot be applied for the privilege period  
27 due to the limitations of this subsection or under other provisions of  
28 P.L.1945, c.162 (C.54:10A-1 et seq.) may be carried forward, if

#### 12 STATEMENT

13  
14  
15  
16 This bill provides corporation business and gross income tax  
17 credits to taxpayers that employ certain persons with disabilities.  
18 The credit would be for up to 15 percent of the wages paid by the  
19 taxpayer during a taxable year to a qualifying employee with a  
20 disability, not to exceed \$2,000 per qualified employee.

21 To claim the credit, a taxpayer would be required to submit an  
22 application to the Director of the Division of Vocational  
23 Rehabilitation Services in the Department of Labor and Workforce  
24 Development for certification that the employee has a disability for  
25 purposes of qualifying for the credit. A copy of the certification  
26 would be included with the taxpayer's tax return. The contents of  
27 the certification would only state the fact the employee has a  
28 qualifying disability and not disclose any private or confidential  
29 health information.

30 The bill requires the director to establish an application process  
31 and prescribe the form and manner through which a taxpayer may  
32 submit an application to obtain a certification from the director that  
33 an employee is a qualified employee with a disability for purposes  
34 of the tax credit. The bill provides that applications would be  
35 deemed approved and written authorizations are deemed issued if  
36 the director fails to make a determination regarding within 90  
37 calendar days of the date a complete application is received or if the  
38 director fails to issue a written authorization within five calendar  
39 days of the date a determination is made.

40 The bill defines a "qualified employee with a disability" as a  
41 person with a disability recognized under the federal "Americans  
42 with Disabilities Act of 1990," Pub.L.101-336 (42 U.S.C. s. 12102).  
43 A qualified employee is also required to be employed by the  
44 taxpayer for at least 35 hours a week and paid wages at a rate of no  
45 less than \$15 per hour. A taxpayer would be unable to claim the  
46 credit for the wages paid to a person with a disability who works for  
47 the taxpayer as an independent contractor or on a consulting basis.
