23 the nearest number of years and months, but not exceeding 10
24 years, provided however, that a member purchasing that maximum
25 credit may purchase up to five additional years for additional
26 military service qualifying the member as a veteran as defined in
27 N.J.S.18A:66-2. No application shall be accepted for the purchase

40 years. Neither the State nor the employer of a member who applies
41 to purchase credit for public employment with the United States
42 Government pursuant to subsection b. of this section or for military
43 service pursuant to subsection c. of this section shall be liable for
44 any payment to the retirement system on behalf of the member for
45 the purchase of this credit.

STATEMENT

29

30 Under current law, a period of service in the United States
31 Armed Forces qualifies as military service that a member of the
32 Public Employees' Retirement System (PERS), Teachers' Pension
33 and Annuity Fund (TPAF), the Police and Firemen's Retirement
34 System (PFRS), and State Police Retirement System (SPRS) may
35 purchase for retirement purposes.

36 This bill permits the purchase of the period of enrollment in a
37 United States military service academy.

38 The four service academies affiliated with the United States
39 military educate young people to serve as commissioned officers in
40 the various branches of the United States Armed Forces. They are
41 the only academies whose students are on active duty in the United
42 State Armed Forces from the day they enter the academy, with the
43 rank of cadet and midshipman and subject to the Uniform Code of
44 Military Justice.

45 The military service academies are the United States Military
46 Academy, Naval Academy, Air Force Academy, and the Coast
47 Guard Academy.
