11 hours, subject matter and content of courses of study.

12 For purposes of this section, “core requirements” means the
13 continuing veterinary education determined by the board to be

17 number of hours of continuing veterinary education required
18 pursuant to section 4 of P.L.1952, c.198 (C.45:16-9.4) by the
19 number of volunteer veterinary services rendered by licensees, at a
20 rate of one half of one hour of continuing veterinary education for
21 each hour of volunteer veterinary services, provided that a
22 veterinarian shall be required to complete at least the core
23 requirements established pursuant to subsection a. of this section. In
24 addition, the board may adopt a formula providing a minimum
25 number of spaying or neutering procedures that shall be deemed the
26 equivalent of one hour of continuing veterinary education.

27 The board may reduce, in part, an application by a licensee to
28 offset credits of continuing veterinary education pursuant to this
29 subsection if the board finds, in its discretion, that the applicant
30 requires continuing veterinary education in order to maintain or
31 restore professional competence, or may deny all applications if the
32 board finds that continuing veterinary education above the core
33 requirements is necessary because of developments in science or
34 technology.

35 The board may also, in its discretion and for good cause, notify a
36 veterinarian that the veterinarian is ineligible to offset credits of
37 continuing veterinary education pursuant to this subsection for any
38 other reason established by regulation by the board.

STATEMENT

The bill, designated as the “Compassion for Community Cats Law,” provides for the spaying and neutering of stray or feral cats.

In particular, the bill provides, with limited exceptions, that:

(1) no cat may be released for adoption from an animal rescue organization facility, shelter, pound, or kennel operating as a shelter or pound unless the cat has been spayed or neutered by a licensed veterinarian; and

(2) any community cat trapped and impounded at a shelter, pound, or kennel operating as a shelter or pound, or trapped and taken to an animal rescue organization facility, must be spayed or neutered, ear-tipped, and vaccinated against rabies before being returned to the location where the community cat was trapped or given to a person assuming ownership of the community cat.

The spaying and neutering requirements do not apply to a cat or a community cat that:

(1) is less than two months old;

(2) a licensed veterinarian determines cannot be spayed or neutered for other health reasons affecting the cat;

1 (3) is placed in a foster home or transferred to another shelter,
2 pound, kennel operating as a shelter or pound, or animal rescue
3 organization facility by a shelter, pound, or kennel operating as a
4 shelter or pound; or

5 (4) is to be euthanized in accordance with the provisions of section
6 16 of P.L.1941, c.151 (C.4:19-15.16) and R.S.4:22-19, which provide
7 for humanely euthanizing animals after a shelter, pound, or kennel
8 operating as a shelter or pound has offered the animal for adoption for
9 at least seven days.

10 The bill authorizes an animal rescue organization facility, shelter,
11 pound, or kennel operating as a shelter or pound to charge the cost of
12 spaying or neutering the cat to the person assuming ownership of the
13 cat.

14 The bill also amends various sections of existing law to allow for
15 the implementation of the new spaying and neutering requirements
16 established by the bill and other provisions of the bill. The bill
17 authorizes the Department of Health (DOH) to adopt regulations
18 necessary to implement grant programs and fund the spaying and
19 neutering requirements established in the bill.

20 The bill establishes the "Compassion for Community Cats Fund"
21 in the DOH to provide grants to municipalities and counties to
22 establish programs to humanely trap community cats, and sterilize,
23 ear-tip, and vaccinate them against rabies, and return each feral cat to
24 the location where the cat was trapped. The "Compassion for
25 Community Cats Fund" is to be credited with the monies collected for
26 violations of the bill, the surcharge on dog licenses imposed by section
27 1 of P.L.1983, c.181 (C.4:19-15.3c), any moneys appropriated by the
28 Legislature, and any return on investment of moneys deposited in the
29 fund.

30 Finally, the bill repeals sections 2 and 3 of P.L.2011, c.142
31 (C.4:19-15.30 and 4:19-15.31), known as the "Pet Sterilization Pilot
32 Program."

33 The committee amendments to the bill:

34 (1) correct cross-references and citations in the bill;

35 (2) correct typographical errors in the bill's reproduction of
36 existing statutory text; and

37 (3) delete a statutory reference to a program for aid to families
38 with dependent children that was replaced by the Work First New
39 Jersey program pursuant to P.L.1997, c.38.
