- 9 1. Section 2 of P.L.1985, c.222 (C.52:27D-302) is amended to read as follows:
  - 2. The Legislature finds that:
- 12 The New Jersey Supreme Court, through its rulings in [South] Southern Burlington County NAACP v. Mount Laurel, 67 13 14 N.J. 151 (1975) and [South] Southern Burlington County NAACP 15 v. Mount Laurel, 92 N.J. 158 (1983), has determined that every municipality in a growth area has a constitutional obligation to 16 17 provide through its land use regulations a realistic opportunity for a 18 fair share of its region's present and prospective needs for housing 19 for [low and moderate income] low- and moderate-income families. 20
  - b. In the second Mount Laurel ruling, the Supreme Court stated that the determination of the methods for satisfying this constitutional obligation "is better left to the Legislature," that the court has "always preferred legislative to judicial action in their field," and that the judicial role in upholding the Mount Laurel doctrine "could decrease as a result of legislative and executive action."
  - c. The interest of all citizens, including [low and moderate income] low- and moderate-income families in need of affordable housing, and the needs of the workforce, would be best served by a comprehensive planning and implementation response to this constitutional obligation.
  - d. There are a number of essential ingredients to a comprehensive planning and implementation response, including the establishment of reasonable fair share housing guidelines and standards, the initial determination of fair share by officials at the municipal level and the preparation of a municipal housing element, State review of the local fair share study and housing element, and continuous State funding for [low and moderate income] low- and moderate-income housing to replace the federal housing subsidy programs which have been almost completely eliminated.
  - e. The State can maximize the number of [low and moderate income] low- and moderate-income units provided in New Jersey by allowing its municipalities to adopt appropriate phasing

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

schedules for meeting their fair share, so long as the municipalities permit a timely achievement of an appropriate fair share of the regional need for [low and moderate income] low- and moderateincome housing as required by the Mt. Laurel I and II opinions and

other relevant court decisions.

- The State can also maximize the number of [low and moderate income low- and moderate-income units by creating new affordable housing and by rehabilitating existing, but substandard, housing in the State. Because the Legislature has determined, pursuant to P.L.2008, c.46 (C.52:27D-329.1 et al.), that it is no longer appropriate or in harmony with the Mount Laurel doctrine to permit the transfer of the fair share obligations among municipalities within a housing region, it is necessary and appropriate to create a new program to create new affordable housing and to foster the rehabilitation of existing, but substandard, housing.
  - g. Since the urban areas are vitally important to the State, construction, conversion and rehabilitation of housing in our urban centers should be encouraged. However, the provision of housing in urban areas must be balanced with the need to provide housing throughout the State for the free mobility of citizens.
  - h. The Supreme Court of New Jersey in its Mount Laurel decisions demands that municipal land use regulations affirmatively afford a [reasonable] realistic opportunity for a variety and choice of housing including low and moderate cost housing, to meet the needs of people desiring to live there. While provision for the actual construction of that housing by municipalities is not required, they are encouraged but not mandated to expend their own resources to help provide [low and moderate income] low- and moderate-income housing.
  - i. **[**Certain amendments to the enabling act of the Council on Affordable Housing are necessary to provide guidance to the council to ensure consistency with the legislative intent, while at the same time clarifying the limitations of the council in its rulemaking. Although the court has remarked in several decisions that the Legislature has granted the council considerable deference in its rulemaking, the Legislature retains its power and obligation to clarify and amend the enabling act from which the council derives its rulemaking power, from time to time, in order to better guide the council. **]** (Deleted by amendment, P.L., c.) (pending before the Legislature as this bill)
  - j. The Legislature finds that the use of regional contribution agreements, which permits municipalities to transfer a certain portion of their fair share housing obligation outside of the municipal borders, should no longer be utilized as a mechanism for the creation of affordable housing [by the council].

- 1 k. The Legislature finds that the role of the Council on 2 Affordable Housing, as intended in the original enactment of the 3 "Fair Housing Act," has not developed in practice as was intended 4 in the legislation.
- 5 1. The council's inability to function ultimately led the Supreme 6 Court in 2015 to order the temporary dissolution of the requirement 7 that administrative remedies be exhausted prior to resolving 8 affordable housing disputes before the court, and allowed the courts 9 to resume their role as the forum of first resort for evaluating 10 municipal compliance with Mount Laurel obligations pursuant to 11 guidelines laid out by the Supreme Court's order.
  - m. The Legislature finds that the council's inability to function led to a "gap period" that frustrated the intent of the Legislature and compliance with constitutional and statutory obligations, and that it is necessary to establish definitive deadlines for municipal action and any challenges to those actions to avoid such a "gap period" from being repeated in the future.
- n. The Legislature finds that although the court-led system that has developed since 2015 has resulted in a significant number of 20 settlement agreements and increased production of affordable housing, the system could operate more expeditiously to produce affordable housing, and at a lower cost to all parties, if appropriate standards are established by the Legislature to be applied throughout the State including more clarity on calculation on fair share affordable housing obligations using transparent and 26 established data sources to eliminate the lengthy and costly processes of determining those obligations that have characterized both the Council on Affordable Housing and court-led system.
- 29 o. The Legislature determines that, considering the unique 30 history of the "Fair Housing Act," the Council on Affordable 31 Housing shall be abolished, and that, pursuant to the formulas and 32 process established pursuant to sections 6 and 7 of P.L., c. (C. 33 and C. ) (pending before the Legislature as this bill), a 34 municipality shall be authorized to seek approval of its fair share affordable housing obligation, adopted pursuant to binding 35 resolution and then filed with the court, with the guidance of 36 37 calculations published by the Department of Community Affairs, 38 but that advocates for the low- and moderate-income households of 39 the State shall be provided with an opportunity to contest the municipal determination. 40
- 41 p. The Legislature finds that the population of persons aged 65 42 years and older in the State has grown from approximately 13 43 percent in 1990, to 17 percent in 2021, and that such growth, in 44 conjunction with expected future growth, makes it appropriate for 45 the Legislature to continue to allow up to 25 percent of the units 46 towards a municipality's prospective affordable housing obligation 47 to be satisfied through the creation of age-restricted housing.

The resolution, along with the date of filing with the program, shall be published on the program's publicly accessible Internet website. The municipality shall also publish the resolution on its publicly accessible Internet website, if

1 the municipality maintains one. An interested party may file a challenge 17 with the program, after adoption of the binding resolution and prior 18 to March 1, 2025, alleging that the municipality's determination of 19 its present and prospective obligation does not comply with the 20 requirements of sections 6 and 7 of P.L. 21 and C. ) (pending before the Legislature as this bill). 22 For the fifth round, and each subsequent new round of housing 23 obligations, the deadlines established in this subparagraph shall be 24 on the last day of January, the last day of February, and the first day 25 of March, respectively, of the year of the start of each new round. 26 The Administrative Director of the Courts shall establish 27 procedures for the program to consider a challenge and resolve a 28 dispute initiated by an interested party pursuant to subparagraph (b) 29 of this paragraph. To resolve a challenge, the program shall apply 30 an objective assessment standard to determine whether or not the 31 municipality's calculation of its obligation is compliant with the 32 requirements of sections 6 and 7 of P.L. 33 and C. ) (pending before the Legislature as this bill). (C. 34 Any challenge must state with particularity how the municipal 35 calculation fails to comply with sections 6 and 7 of P.L. 36 and C. ) (pending before the Legislature as this bill) and 37 include the challenger's own calculation of the fair share 38 obligations in compliance with sections 6 and 7 of P.L. 39 and C. ) (pending before the Legislature as this bill). The 40 program shall establish procedures to summarily dismiss any 41 objection or challenge that does not meet these minimum standards. 42 For the purpose of efficiency, the program shall, in its own 43 discretion, permit multiple challenges to the same municipal 44 determination to be consolidated. The program's approach to 45 resolving a dispute may include: (i) a finding that the municipality's 46 determination of its present and prospective need obligation did not 47 facially comply with the requirements of sections 6 and 7 of P.L. 48 and C. ) (pending before the Legislature as this (C.

(C. and C. 5 before the Legislature as this bill) without revoking immunity; or 6 (iii) a rejection of a challenge and affirm the municipality's 7 determination. The decision shall be provided to the municipality 8 and all parties that have filed challenges no later than March 31 of 9 the year when the current round is expiring and the new round is 10 beginning and concurrently posted on the program's Internet 11 website. The Administrative Director of the Courts shall establish 12 procedures for any further appellate review of such determinations, 13 and may establish an expedited process for consolidated review of 14 any such challenges by the Supreme Court, provided that any party 15 seeking appellate review shall not change the deadlines established 16 for municipal filing of a housing element and fair share plan, and 17 implementing ordinances.

1 obligation. In addressing prior round obligations, the municipality 2 shall retain any sites that, in furtherance of the prior round 3 obligation, are the subject of a contractual agreement with a 4 developer, or for which the developer has filed a complete 5 application seeking subdivision or site plan approval prior to the 6 date by which the housing element and fair share plan are required 7 to be submitted, and shall demonstrate how any sites that were not 8 built in the prior rounds continue to present a realistic opportunity, 9 which may include proposing changes to the zoning on the site to 10 make its development more likely, and which may also include the 11 dedication of municipal affordable housing trust fund dollars or 12 other monetary or in-kind resources. The municipality shall only 13 plan to replace any sites planned for development as provided by a 14 prior court approval, settlement agreement, or approval by the 15 council, with alternative development plans, if it is determined that 16 the previously planned sites no longer present a realistic 17 opportunity, and the sites in the alternative development plan 18 provide at least an equivalent number of affordable units and are 19 otherwise in compliance with the "Fair Housing Act," P.L.1985, 20 c.222 (C.52:27D-301 et al.) and the Mount Laurel doctrine. If a 21 municipality proposes to replace a site for which a complete 22 application seeking subdivision or site plan approval has not been 23 filed prior to date by which the housing element and fair share plan 24 is required to be submitted, there shall be a rebuttable presumption 25 in any challenge filed to the municipality's plan that any site for 26 which a zoning designation was adopted creating a realistic 27 opportunity for the development of a site prior to July 1, 2020, or 28 July 1 of every 10th year thereafter, as applicable, may be replaced 29 with one or more alternative sites that provide a realistic 30 opportunity for at least the same number of affordable units and is 31 otherwise in compliance with the "Fair Housing Act," P.L.1985, 32 c.222 (C.52:27D-301 et al.) and the Mount Laurel doctrine. To the 33 extent a municipality has credits, including bonus credits, from 34 units created during a prior round that are otherwise permitted to be 35 allocated toward the municipality's unfulfilled prior round 36 obligation or present or prospective need obligation in an upcoming 37 round, the municipality shall be entitled to rely on the rules, 38 including rules for bonus credits, applicable for the round during 39 which those credits were accumulated. If a municipality has credits 40 in excess of its prior round obligations, and such excess credits 41 represent housing that will continue to be deed-restricted and 42 affordable through the current round, the municipality may include 43 such housing, and applicable bonus credits, towards addressing the 44 municipality's new calculation of prospective need. Consistent 45 with subsection k. of section 11 of P.L.1985, c.222 (C.52:27D-311), 46 the total number of bonus credits shall in no circumstance exceed 47 25 percent of the municipality's prospective obligation in any 48 round. The municipality may in its plan lower its prospective need

1 obligation to the extent necessary to prevent establishing a 2 prospective need obligation that requires the municipality to 3 provide a realistic opportunity for more than 1,000 housing units, 4 after the application of any excess credits, or to prevent a 5 prospective need obligation that exceeds 20 percent of the total 6 number of households in a municipality according to the most 7 recent federal decennial census, not including any prior round 8 obligation. If a municipality is subject to both a 1,000 unit cap or 9 20 percent cap it may apply whichever cap results in a lower 10 prospective need obligation. For the fifth round, and for each 11 subsequent new round of housing obligations, the deadlines in this 12 paragraph shall be June 30 for the adoption of the housing element 13 and fair share plan, and the proposal of drafts of the appropriate 14 zoning and other ordinances and resolutions to implement its 15 present and prospective obligation, of the year of the start of the 16 new round.

(b) Following the filing, in an action, of an adopted housing element and fair share plan pursuant to subparagraph (a) of this paragraph, an interested party may file a response on or before August 31, 2025 alleging that the municipality's fair share plan and housing element are not in compliance with the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.) or the Mount Laurel doctrine. Such allegation shall not include a claim that a site on real property proposed by the interested party is a better site than a site in the plan, but rather shall be based on whether the housing element and fair share plan as proposed is compliant with the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.) or the Mount Laurel doctrine. To resolve a challenge, the program shall apply an objective assessment standard to determine whether or not the municipality's housing element and fair share plan is compliant with the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.) and the Mount Laurel doctrine. Any interested party that files a challenge shall specify with particularity which sites or elements of the municipal fair share plan do not comply with the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.) or the Mount Laurel doctrine, and the basis for alleging such non-compliance. The program shall establish procedures to summarily dismiss any objection or challenge that does not meet these minimum standards. For the purpose of efficiency, the program shall, in its own discretion, permit multiple challenges to the same municipal housing element and fair share plan to be consolidated. municipality's fair share plan and housing element is not challenged on or before August 31, 2025, then the program shall review the fair share plan and housing element for consistency and to determine whether it is compliant with the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.) and the Mount Laurel doctrine, and issue a compliance certification unless these objective standards are not met. The program shall facilitate communication between the

municipality and any interested parties for a challenge, and provide the municipality until December 31, 2025 to commit to revising its fair share plan and housing element in compliance with the changes requested in the challenge, or provide an explanation as to why it will not make all of the requested changes, or both. resolution of a challenge, the program shall issue compliance certification, conditioned on the municipality's commitment, as necessary, to revise its fair share plan and housing element in accordance with the resolution of the challenge. The program may also terminate immunity if it finds that the municipality is not determined to come into constitutional compliance at any point in the process. If by December 31, 2025, the municipality and any interested party that filed a response have resolved the issues raised in the response through agreement or withdrawal of the filing, then the program shall review the fair share plan and housing element for consistency and to determine whether it is compliant with the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.) and the Mount Laurel doctrine, and issue a compliance certification unless these objective standards are not met. For the fifth round, and each subsequent new round of housing obligations, the deadline established in this subparagraph for an interested party to file a challenge shall be August 31, and for the municipality to revise its housing element and fair share plan in response, shall be December 31, of the year of the beginning of the new round. 

(c) For the fourth round of affordable housing obligations, the implementing ordinances and resolutions, proposed pursuant to subparagraph (a) of this paragraph, and incorporating any changes from the program, shall be adopted on or before March 15, 2026. For the fifth round, and each subsequent new round of housing obligations, the deadline established in this subparagraph for the implementing ordinances and resolutions shall be on March 15 of the year following the beginning of the new round. After adoption of the implementing ordinances and resolutions by the municipality, the municipality shall immediately file the ordinances and resolutions with the program through the program's Internet website. Failure to meet the March 15 deadline shall result in the municipality losing immunity from builder's remedy litigation.

(d) The program may permit a municipality that still has a remaining dispute by interested parties to retain immunity from builder's remedy litigation into the year following the year in which a new round begins if the program, or county level housing judge, determines that the municipality has been unable to resolve the issues disputed despite being determined to come into constitutional compliance. The Administrative Director of the Courts shall develop procedures to enable a county level housing judge to resolve this dispute over the issuance of compliance certification through a summary proceeding in Superior Court following the year in which the new round begins. A judge shall be permitted to serve

as a county level housing judge for more than one county in the same vicinage. The pendency of such a dispute shall not stay the deadline for adoption of implementing ordinances and resolutions pursuant to this paragraph.

- (e) Once a municipality has received a compliance certification or otherwise has had its fair share obligation and housing element and fair share plan finally determined via judgment of repose or other judgment, the municipality shall make the municipality's fair share plan and housing element, as well as any subsequently adopted implementing ordinances and resolutions, or amendments thereto, available to the department and the program for publication on the department's and program's respective Internet websites.
- (3) (a) If a municipality fails to adhere to any of the deadlines established in paragraphs (1) or (2) of this subsection due to circumstances beyond the control of the municipality, including but not limited to an inability to meet a deadline due to an extreme weather event, then the program, or the county level housing judge, in accordance with court rules, may permit a municipality to have a grace period to come into compliance with the timeline, the length of which, and effect of which on later deadlines, shall be determined on a case-by-case basis.
- (b) A municipality that has not adopted and published a binding resolution pursuant to paragraph (1) of this subsection or that has not adopted and filed a housing element and fair share plan pursuant to paragraph (2) of this subsection may seek compliance certification by filing an action pursuant to section 13 of P.L.1985, c.222 (C.52:27D-313), provided that any builder's remedy litigation filed by a plaintiff against such a municipality prior to such time may proceed notwithstanding such filing. In a municipality that has adopted and published a binding resolution pursuant to paragraph (1) of this subsection and has adopted and filed a housing element and fair share plan pursuant to paragraph (2) of this subsection, a court shall not grant a builder's remedy to a plaintiff in exclusionary zoning litigation during the timeframe after the timely submission of a binding resolution or fair share plan and housing element of a municipality, or both, and before a challenge is submitted, or during the timeframe of a challenge that is pending resolution with the program pursuant to this subsection. A court may grant a builder's remedy to a plaintiff in exclusionary zoning litigation after such timeframe upon a finding that the municipality: (i) is determined to be constitutionally noncompliant with its responsibilities pursuant to the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.) or is participating in the program in bad faith; (ii) has failed to meet the deadlines established pursuant to P.L. ) (pending before the Legislature as this bill); or (iii) has, after receiving compliance certification, failed to comply with the terms of that certification by not actually allowing for the development of the affordable housing as provided for in its fair

share plan and housing element through actions, omissions, or both, of a municipality or its subordinate boards.

- (c) All parties shall bear their own fees and costs in proceedings before the program.
- (d) A determination by the program as to the present and prospective need obligation or as to issuance of compliance certification pursuant to this section shall be considered a final decision, subject to appellate review pursuant to the procedures set forth in subparagraph (c) of paragraph (1) of subsection f. of this section.
- (e) A municipality shall not be deemed out of compliance with the deadlines of P.L. , c. (C. ) (pending before the Legislature as this bill), or lose immunity from builder's remedy litigation, due to a failure by the program to promptly maintain and update its Internet website, or other operational failure of the program.

- 15 c. The program, in its discretion and in accordance with Rules of

- 19 subparagraph (b) of paragraph (2) of subsection f. of section 3 of
- 20 P.L., c. (C. ) (pending before the Legislature as this bill).
- 21 In addition, the program may incorporate any existing or newly

- d. The Administrative Director of the Courts shall establish a
- 26 filing system via an Internet website in which the public is able to
- 27 access, without cost, filings made pursuant to P.L. , c. (C. )
- 28 (pending before the Legislature as this bill) and such other related
- 29 filings as the Administrative Director of the Courts may include on
- 30 the filing system.
- e. The Administrative Director of the Courts may assign
- 32 additional responsibilities to the program for resolving disputes
- arising out of or related to the "Fair Housing Act," P.L.1985, c.222
- 34 (C.52:27D-301 et al.).
- 35 f. The Administrative Director of the Courts shall establish
- 36 procedures for the purpose of efficiently resolving disputes
- 37 involving the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301

- 6. (New section) a. Municipal present need for each 10-year round of affordable housing obligations shall be determined by estimating the deficient housing units occupied by low- and moderate-income households in the region, following a methodology similar to the methodology used to determine third round municipal present need, through the use of most recent datasets made available through the federal decennial census and the American Community Survey.
- b. For the purpose of determining regional need for the 10-year round of low- and moderate-income housing obligations, running from July 1, 2025 through June 30, 2035, and each 10-year round thereafter:
  - (1) The regions of the State shall be comprised as follows:
- (a) Region 1 shall consist of the counties of Bergen, Hudson, Passaic, and Sussex;
- (b) Region 2 shall consist of the counties of Essex, Morris, Union, and Warren;
  - (c) Region 3 shall consist of the counties of Hunterdon, Middlesex, and Somerset;
- (d) Region 4 shall consist of the counties of Mercer, Monmouth, and Ocean;
- (e) Region 5 shall consist of the counties of Burlington, Camden, and Gloucester; and
- (f) Region 6 shall consist of the counties of Atlantic, Cape May, Cumberland, and Salem.
- (2) Regional prospective need for a 10-year round of low- and moderate-income housing obligations shall be determined through the calculation provided in this subsection. Projected household change for a 10-year round in a region shall be estimated by establishing the household change experienced in the region between the most recent federal decennial census, and the second-most recent federal decennial census. This household change, if

1 positive, shall be divided by 2.5 to estimate the number of low- and 2 moderate-income homes needed to address low- and moderate-3 income household change in the region, and to determine the 4 regional prospective need for a 10-year round of low- and 5 moderate-income housing obligations. If household change is zero 6 or negative, the number of low- and moderate-income homes 7 needed to address low- and moderate-income household change in 8 the region and the regional prospective need shall be zero.

- 7. (New section) a. The present and prospective fair share obligation for low- and moderate-income housing for each municipality in the State shall be determined as described in this section. In addition, the March 8, 2018 unpublished decision of the Superior Court, Law Division, Mercer County, In re Application of Municipality of Princeton shall be referenced as to datasets and methodologies that are not explicitly addressed by this section. These determinations of municipal present and prospective need shall be based on a determination of the present and prospective regional need for low- and moderate-income housing, established pursuant to section 6 of P.L. , c. (C. ) (pending before the Legislature as this bill). These calculations of municipal present and prospective need shall use necessary datasets that are updated to the greatest extent practicable.
- b. A municipality's present need obligation shall be determined by estimating the existing deficient housing units currently occupied by low- and moderate-income households within the municipality, following a methodology comparable to the methodology used to determine third round present need, through the use of datasets made available through the federal decennial census and the American Community Survey.
- c. A municipality's prospective fair share obligation of the regional prospective need for the upcoming 10-year round shall be determined in accordance with this subsection:
- (1) If a municipality is a qualified urban aid municipality, the municipality shall be exempt from responsibility for any fair share prospective need obligation for the upcoming 10-year round. For the purposes of this section, a municipality is a qualified urban aid municipality if the municipality, as of July 1 of the year prior to the beginning of a new round, is designated by the department, pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.), to receive State aid, and the municipality meets at least one of the following criteria:
- (a) The ratio of substandard existing deficient housing units currently occupied by low- and moderate-income households within the municipality, compared to all existing housing in the municipality, is greater than the equivalent ratio in the region;
- (b) The municipality has a population density greater than 10,000 persons per square mile of land area; or

(c) The municipality has a population density of more than 6,000, but less than 10,000 persons per square mile of land area, and less than five percent vacant parcels not used as farmland, as measured by the average of:

- (i) The number of vacant land parcels in the municipality as a percentage of the total number of parcels in the municipality; and
- (ii) The valuation of vacant land in the municipality as a percentage of total valuations in the municipality.
- (2) A municipality's equalized nonresidential valuation factor shall be determined. To determine this factor, the changes in nonresidential property valuations in the municipality, since the beginning of the round preceding the round being calculated, shall be calculated using data published by the Division of Local Government Services in the department. The change in the municipality's nonresidential valuations shall be divided by the regional total change in nonresidential valuations to determine the municipality's share of the regional change as the equalized nonresidential valuation factor.
- (3) A municipality's income capacity factor shall be determined. This factor shall be determined by calculating the average of the following measures:
- (a) The municipal share of the regional sum of the differences between the median municipal household income, according to the most recent American Community Survey Five-Year Estimates, and an income floor of \$100 below the lowest median household income in the region; and
- (b) The municipal share of the regional sum of the differences between the median municipal household incomes and an income floor of \$100 below the lowest median household income in the region, weighted by the number of the households in the municipality.
- (4) A municipality's land capacity factor shall be determined. This factor shall be determined by estimating the area of developable and redevelopable land in the municipality's boundaries, and regional boundaries, that may accommodate development through the use of the "land use / land cover data" most recently published by the Department of Environmental Protection, and weighing such land based on the planning area type in which such land is located. After the weighing factors are applied, the sum of the total developable and redevelopable land area that may accommodate development in the municipality, and in the region shall be determined. The municipality's share of its region's developable and redevelopable land shall be its land Developable and redevelopable land that may capacity factor. accommodate development shall be weighted based on the planning area type in which such land is located, as designated pursuant to P.L.1985, c.398 (C.52:18A-196 et seq.), P.L.1979, c.111

- 1 (C.13:18A-1 et seq.), or P.L.2004, c.120 (C.13:20-1 et seq.), as follows:
- 3 (a) Planning Area 1 (Metropolitan) shall have a weighting factor of 1.0;
- 5 (b) Planning Area 2 (Suburban) shall have a weighting factor of 6 1.0;
- 7 (c) Planning Area 3 (Fringe) shall have a weighting factor of 8 0.5;
  - (d) Planning Area 4 (Rural) shall have a weighting factor of 0.0;
  - (e) Planning Area 5 (Environmentally Sensitive) shall have a weighting factor of 0.0;
- 12 (f) Centers in Planning Areas 1 and 2 shall have a weighting 13 factor of 1.0;
  - (g) Centers in Planning Areas 3, 4, and 5 shall have a weighting factor of 0.5;
- 16 (h) Pinelands Regional Growth Area shall have a weighting 17 factor of 0.5;
  - (i) Pinelands Town shall have a weighting factor of 0.5;
- 19 (j) All other Pinelands shall have a weighting factor of 0.0;
  - (k) Meadowlands shall have a weighting factor of 1.0;
  - (l) Meadowlands Center shall have a weighting factor of 1.0;
- 22 (m) Highlands Preservation Area shall have a weighting factor 23 of 0.0;
  - (n) Highlands Planning Area Existing Community Zone, opted in municipality by May 1, 2022 shall have a weighting factor of 1.0;
  - (o) Highlands Planning Area, State-designated sewer service area, municipality not opted in by May 1, 2022, shall have a weighting factor of 1.0; and
  - (p) All other Highlands Planning Areas shall have a weighting factor of 0.0.
  - (5) The equalized nonresidential valuation factor, income capacity factor, and land capacity factor, determined in paragraphs (2), (3), and (4) of this subsection, shall be averaged to yield the municipality's average allocation factor for distributing gross regional prospective need to the municipality. The regional prospective need shall then be multiplied by the municipality's average allocation factor to determine the municipality's gross prospective need for the 10-year round.
  - (6) Secondary sources of supply and demand shall be adjusted for by first calculating demolitions of low- and moderate-income housing, and housing creation through low- and moderate-income residential conversions. A municipality's share of low- and moderate-income conversions shall then be subtracted from the sum of each municipality's allocated share of gross prospective need and demolitions of low- and moderate-income housing.

- 4. a. Upon failure to perform any obligation of a residential mortgage by the residential mortgage debtor and before any residential mortgage lender may accelerate the maturity of any residential mortgage obligation and commence any foreclosure or other legal action to take possession of the residential property which is the subject of the mortgage, the residential mortgage lender shall give a notice of intention, which shall include a notice of the right to cure the default as provided in section 5 of P.L.1995, c.244 (C.2A:50-57), at least 30 days, but not more than 180 days, in advance of such action as provided in this section, to the residential mortgage debtor, and, if the mortgage is secured by a residence for which a restriction on affordability was recorded in the county in which the property is located, the clerk of the municipality in which the subject property is located, the municipal housing liaison, if one has been appointed by the municipality **[**pursuant to the regulations of the Council on Affordable Housing, and the Commissioner of Community Affairs 1. For the purposes of this section, "restriction on affordability" means any conditions recorded with a mortgage or a deed which would limit the sale of such property to income qualified households pursuant to the rules adopted to effectuate the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.).
  - b. Notice of intention to take action as specified in subsection a. of this section shall be in writing, provided to the Department of Community Affairs in accordance with subsection a. of section 2 of P.L.2019, c.134 (C.46:10B-49.2), sent to the debtor by registered or certified mail, return receipt requested, at the debtor's last known address, and, if different, to the address of the property which is the subject of the residential mortgage. The notice is deemed to have been effectuated on the date the notice is delivered in person or mailed to the party.
  - c. The written notice shall clearly and conspicuously state in a manner calculated to make the debtor aware of the situation:
    - (1) the particular obligation or real estate security interest;
    - (2) the nature of the default claimed;

- (3) the right of the debtor to cure the default as provided in section 5 of P.L.1995, c.244 (C.2A:50-57);
- (4) what performance, including what sum of money, if any, and interest, shall be tendered to cure the default as of the date specified under paragraph (5) of this subsection c.;
- (5) the date by which the debtor shall cure the default to avoid initiation of foreclosure proceedings, which date shall not be less than 30 days after the date the notice is effective, and the name and address and phone number of a person to whom the payment or tender shall be made;
- (6) that if the debtor does not cure the default by the date specified under paragraph (5) of this subsection c., the lender may take steps to terminate the debtor's ownership in the property by commencing a foreclosure suit in a court of competent jurisdiction;

- 1 (7) that if the lender takes the steps indicated pursuant to paragraph (6) of this subsection c., a debtor shall still have the right to cure the default pursuant to section 5 of P.L.1995, c.244 (C.2A:50-57), but that the debtor shall be responsible for the lender's court costs and attorneys' fees in an amount not to exceed that amount permitted pursuant to the Rules Governing the Courts of the State of New Jersey;
  - (8) the right, if any, of the debtor to transfer the real estate to another person subject to the security interest and that the transferee may have the right to cure the default as provided in P.L.1995, c.244 (C.2A:50-53 et seq.), subject to the mortgage documents;

- (9) that the debtor is advised to seek counsel from an attorney of the debtor's own choosing concerning the debtor's residential mortgage default situation, and that, if the debtor is unable to obtain an attorney, the debtor may communicate with the New Jersey Bar Association or Lawyer Referral Service in the county in which the residential property securing the mortgage loan is located; and that, if the debtor is unable to afford an attorney, the debtor may communicate with the Legal Services Office in the county in which the property is located;
- (10) the possible availability of financial assistance for curing a default from programs operated by the State or federal government or nonprofit organizations, if any, as identified by the Commissioner of Banking and Insurance and, if the property is subject to restrictions on affordability, the address and phone number of the municipal affordable housing liaison and of the New Jersey Housing and Mortgage Finance Agency. This requirement shall be satisfied by attaching a list of such programs promulgated by the commissioner;
- (11) the name and address of the lender and the telephone number of a representative of the lender whom the debtor may contact if the debtor disagrees with the lender's assertion that a default has occurred or the correctness of the mortgage lender's calculation of the amount required to cure the default;
- (12) that if the lender takes the steps indicated pursuant to paragraph (6) of this subsection, the debtor has the option to participate in the Foreclosure Mediation Program following the filing of a mortgage foreclosure complaint by initiating mediation pursuant to paragraph (2) of subsection a. of section 4 of P.L.2019, c.64 (C.2A:50-77). Notice of the option to participate in the Foreclosure Mediation Program shall adhere to the requirements of section 3 of P.L.2019, c.64 (C.2A:50-76) and any court rules, procedures, or guidelines adopted by the Supreme Court;
- (13) that the debtor is entitled to housing counseling, at no cost to the debtor, through the Foreclosure Mediation Program established by the New Jersey Judiciary, including information on how to contact the program;

- (14) that if the property which is the subject of the mortgage has more than one dwelling unit but less than five, one of which is occupied by the debtor or a member of the debtor's immediate family as the debtor's or member's residence at the time the loan is originated, and is not properly maintained and meets the necessary conditions for receivership eligibility, established pursuant to section 4 of the "Multifamily Housing Preservation and Receivership Act," P.L.2003, c.295 (C.2A:42-117), the residential mortgage lender shall file an order to show cause to appoint a receiver; and
  - (15) that the lender is either licensed in accordance with the "New Jersey Residential Mortgage Lending Act," sections 1 through 39 of P.L.2009, c.53 (C.17:11C-51 through C.17:11C-89) or exempt from licensure under the act in accordance with applicable law.

- d. The notice of intention to foreclose required to be provided pursuant to this section shall not be required if the debtor has voluntarily surrendered the property which is the subject of the residential mortgage.
- e. The duty of the lender under this section to serve notice of intention to foreclose is independent of any other duty to give notice under the common law, principles of equity, State or federal statute, or rule of court and of any other right or remedy the debtor may have as a result of the failure to give such notice.
- f. Compliance with this section and subsection a. of section 2 of P.L.2019, c.134 (C.46:10B-49.2) shall be set forth in the pleadings of any legal action referred to in this section. If the plaintiff in any complaint seeking foreclosure of a residential mortgage alleges that the property subject to the residential mortgage has been abandoned or voluntarily surrendered, the plaintiff shall plead the specific facts upon which this allegation is based.
- g. If more than 180 days have elapsed since the date the notice required pursuant to this section is sent, and any foreclosure or other legal action to take possession of the residential property which is the subject of the mortgage has not yet been commenced, the lender shall send a new written notice at least 30 days, but not more than 180 days, in advance of that action.
- h. If the property which is the subject of the notice of intention to foreclose has more than one dwelling unit but less than five, one of which is occupied by the debtor or a member of the debtor's immediate family as the debtor's or member's residence at the time the loan is originated, and is not properly maintained and meets the necessary conditions for receivership eligibility, established pursuant to section 4 of the "Multifamily Housing Preservation and Receivership Act," P.L.2003, c.295 (C.2A:42-117), the residential

- mortgage lender shall file an order to show cause to appoint a receiver.

- 4 The collection of development fees from builders of 5 residential and non-residential properties has been authorized by the 6 court through the powers [delegated to the Council on Affordable Housing **]** established pursuant to the "Fair Housing Act," P.L.1985, 7 8 c.222 (C.52:27D-301 et al.). Due to the Legislature's determination 9 that the role of the Council on Affordable Housing has not 10 developed in practice as intended, the Legislature further 11 determines that authority relating to rulemaking on the collection of 12 residential and non-residential development fees is appropriately 13 delegated to the Department of Community Affairs, given the 14 department's existing roles related to local government finance and the funding and financing of affordable housing throughout the 15 16 State.
  - b. New Jersey's land resources are becoming more scarce, while its redevelopment needs are increasing. In order to balance the needs of developing and redeveloping communities, a reasonable method of providing for the housing needs of [low and moderate income] low-, moderate-, and [middle income] middle-income households, without mandating the inclusion of housing in every non-residential project, must be established.
  - c. A Statewide non-residential development fee program, which permits municipalities [under the council's jurisdiction] that have obtained or are in the process of seeking compliance certification to retain these fees for use in the municipality will provide a fair and balanced funding method to address the State's affordable housing needs, while providing an incentive to all municipalities to [seek substantive] obtain compliance certification [from the council].
- 31 Whereas, pursuant to P.L.1977, c.110 (C.5:12-1 et seq.), 32 organizations are directed to invest in the Casino Reinvestment 33 Development Authority to ensure that the development of housing 34 for families of [low and moderate income] low- and moderateincome shall be provided. The Casino Reinvestment Development 35 36 Authority [, in consultation with the council,] shall work to 37 effectuate the purpose and intent of P.L.1985, c.222 (C.52:27D-301 38 et al.).
- e. [The "Statewide Non-Residential Development Fee Act," sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7), prohibits municipalities from imposing their own fees to fund affordable housing on non-residential development, and P.L.2009, c.90 (C.52:27D-489a et al.) is not intended to alter this underlying policy. Deleted by amendment P.L., c. (pending before the Legislature as this bill)
- f. The negative impact of a State policy that over-relies on a municipal fee structure and of State programs that require a

- 1 municipality to impose fees and charges on developers must be
- 2 balanced against any public good expected from such regulation. It
- 3 is undisputable that the charging of fees at high levels dissuades
- 4 commerce from locating within a State or municipality or locality
- 5 and halts non-residential and residential development, and these ill
- 6 effects directly increase the overall costs of housing, and could
- 7 impede the constitutional obligation to provide for a realistic
- 8 opportunity for housing for families at all income levels.
