

SENATE BUDGET AND APPROPRIATIONS COMMITTEE

STATEMENT TO

[First Reprint]

SENATE, No. 2070

STATE OF NEW JERSEY

DATED: JUNE 24, 2024

The Senate Budget and Appropriations Committee reports favorably Senate Bill No. 2070 (1R).

This bill permits a member of the Police and Firemen's Retirement System (PFRS) to purchase credit for service as a class two special law enforcement officer with a public employer in this State, rendered prior to becoming a member. The member may purchase credit for all or a portion of the service, including time taken during such public employment to complete a basic police training course required for that employment.

The member will be required to pay both the member's and employer's share of the cost for the purchase.

The process and cost for the purchase will be the same as the current process and cost for purchase of service in federal employment or with the United States military except as otherwise provided.

Purchase of credit for service as a class two special law enforcement officer will be permitted only if the break between service as such an officer and the date of their enrollment in the PFRS is less than 365 days. Members of the retirement system who are enrolled on the effective date of this bill will have only one year from that effective date to apply for such a purchase. The bill requires the board of trustees to notify all members of the retirement system of the provisions of this bill.

A class two special law enforcement officer is required to complete a course approved by the Police Training Commission. They are trained in physical fitness, criminal law, patrol concepts, firearms, vehicle operations, defensive tactics, handcuffing, and arrest, search, and seizure. They have similar powers to that of full-time police officers but on a restricted basis.

FISCAL IMPACT:

Fiscal information for this bill is currently unavailable.
