SENATE TRANSPORTATION COMMITTEE

STATEMENT TO

SENATE, No. 3067

STATE OF NEW JERSEY

DATED: MAY 6, 2024

The Senate Transportation Committee reports favorably Senate Bill No. 3067.

As reported, this bill prohibits the New Jersey Motor Vehicle Commission and other State agencies from disclosing the personal information of New Jersey drivers to another state or an interstate motor vehicle information network for the purpose of allowing the other state to impose or collect a fine resulting from an alleged violation committed in that state and captured by a speed control device or a traffic signal monitoring system, commonly referred to as a red light camera.

The bill defines “personal information” to mean any information that identifies an individual, which information may include an individual's photograph, social security number, driver identification number, name, address, or telephone number. The bill also provides definitions for the following terms: interstate motor vehicle information network, speed control device, and traffic control signal monitoring system.
