CURRENT VERSION OF TEXT

Substitute as adopted by the Senate State Government, Wagering, Tourism
& Historic Preservation Committee.

1 **AN ACT** establishing an online Statewide tracking system for
2 certain permits and supplementing Title 52 of the Revised
3 Statutes.

4
5 **BE IT ENACTED** *by the Senate and General Assembly of the State*
6 *of New Jersey:*

7
8 1. a. Within one year of the effective date of
9 P.L. , c. (C.) (pending before the Legislature as this bill), the
10 New Jersey Innovation Authority and the Office of Information
11 Technology shall jointly develop and maintain an online Statewide
12 tracking system, called the New Jersey Permitting Dashboard (the
13 “dashboard”), for certain permits issued by principal departments in
14 the Executive Branch of State government, and any agencies,
15 commissions, boards, bureaus, offices, or instrumentalities within
16 or created by the principal departments, and any independent State
17 authority, commission, instrumentality, or agency.

18 b. (1) The purpose of the dashboard shall be to improve
19 accountability and reduce delays within the State permitting
20 process.

21 (2) (a) The dashboard shall include permits designated as
22 appropriate for inclusion in the sole discretion of the New Jersey
23 Innovation Authority and the Office of Information Technology.

24 (b) The permits that may be included in the dashboard are those
25 issued in connection with construction; manufacturing; energy
26 generation, transmission, or distribution; real estate development;
27 operation of a business; or the provision of goods or services by a
28 principal department in the Executive Branch of State government
29 or agency of the State.

30 (c) The dashboard shall not include professional and
31 occupational licenses or any certifications or authorizations issued
32 by any professional or occupational licensing board established
33 under Title 45 of the Revised Statutes.

34 c. The dashboard shall:

35 (1) be an interactive, online portal that displays the status and
36 progress of State permit applications for active projects in the State
37 of New Jersey and allows for the tracking of permit applications by
38 permit applicants, State departments, and the public; and

39 (2) display information in a manner consistent with all
40 applicable federal and State laws and regulations.

41 d. (1) All principal departments in the Executive Branch of
42 State government, and any agencies, commissions, boards, bureaus,
43 offices, or instrumentalities within or created by the principal
44 departments, and any independent State authority, commission,
45 instrumentality, or agency that issue permits or contribute to
46 permitting processes shall cooperate fully with the New Jersey
47 Innovation Authority and the Office of Information Technology to
48 support the dashboard, to the extent that available resources will

1 permit. Cooperation shall include submission of timely data as
2 requested.

3 (2) The Office of Information Technology shall be responsible
4 for providing the enterprise platform for any application and permit
5 data necessary for the dashboard.

6 (3) At the discretion of the New Jersey Innovation Authority
7 and the Office of Information Technology, county and municipal
8 governments may also be encouraged to participate in the
9 submission of data, materials, and process updates related to the
10 dashboard.

11

12 2. The Office of Information Technology, in conjunction with
13 the New Jersey Innovation Authority, shall adopt rules and
14 regulations, pursuant to the “Administrative Procedure Act,”
15 P.L.1968, c.140 (C.52:14B-1 et seq.), as may be necessary to
16 effectuate the purposes of this act.

17

18 3. This bill shall take effect immediately.
