1    **A SENATE RESOLUTION** constituting a special committee of the  
 2    Senate entitled the “New Jersey Voter Fraud Senate  
 3    Investigatory Committee.”

4  
 5    **BE IT RESOLVED** *by the Senate of the State of New Jersey:*

6  
 7    1. The Legislature finds and declares that:

8    a. On July 21, 2026, Governor Sherrill disclosed that 6,600  
 9    noncitizens were unlawfully registered to vote through the Motor  
 10   Vehicle Commission’s automatic voter registration system between  
 11   June 2023 and June 2024.

12   b. The Governor admitted that nearly 400 unlawfully registered  
 13   non-citizens subsequently voted illegally in elections in this State.

14   c. Every unlawful vote that was cast in this State translates to a  
 15   New Jersey citizen who has been disenfranchised by having his or  
 16   her lawful vote fully negated.

17   d. According to the Governor, this egregious breach of the  
 18   integrity of the State’s voting system was known to certain State  
 19   officials for years before it was disclosed to the public and remains  
 20   unresolved.

21   e. The Governor has provided very little information about  
 22   how the improper registrations occurred, how the matter remained  
 23   secret and went unaddressed for as long as it did, or how the State  
 24   will protect future elections.

25   f. The people of this State are entitled to an electoral system  
 26   that is accurate, secure, and properly administered; however, the  
 27   Governor’s alarming disclosures and lack of transparency have  
 28   caused significant damage to the public’s confidence in the security  
 29   of the State’s elections.

30   g. The seriousness of this matter undoubtedly warrants  
 31   independent, bipartisan legislative oversight, as it threatens the very  
 32   bedrock of the State’s democratic process.

33  
 34   2. There is constituted a special committee of the Senate  
 35   entitled the “New Jersey Voter Fraud Senate Investigatory  
 36   Committee.” The committee shall be comprised of seven members  
 37   appointed by the Senate President, not more than four of whom  
 38   shall be of the same political party. There shall be two co-chairs of  
 39   the special committee appointed jointly by the Senate President and  
 40   Senate Minority Leader from among the appointed members, who  
 41   shall not be members of the same political party.

42  
 43   3. a. The New Jersey Voter Fraud Senate Investigatory  
 44   Committee shall review:

45   (1) how the improper voter registrations occurred;

46   (2) which State officials were aware of the improper voter  
 47   registrations or illegal votes and when the officials became aware,  
 48   as well as which State officials could have or should have been

1 aware or acted to prevent the improper registrations or illegal votes  
2 from occurring;

3 (3) what corrective measures and public disclosures, if any,  
4 were made since the improper voter registrations and illegal votes  
5 occurred;

6 (4) what impact the illegal votes had on elections held in this  
7 State;

8 (5) whether the issue extends beyond the improper registrations  
9 and unlawful votes already identified; and

10 (6) whether the integrity of the State's voting system has been  
11 compromised in any other way or how it could be better protected  
12 going forward.

13 b. Upon the conclusion of its review, the committee shall issue  
14 and publish a report of its findings and make recommendations to  
15 the Senate regarding changes to the voter registration process in  
16 New Jersey.

17

18 4. For the purposes of carrying out its charge under this  
19 resolution, the New Jersey Voter Fraud Senate Investigatory  
20 Committee shall have all the powers conferred under the laws and  
21 the Constitutions of the State of New Jersey and of the United  
22 States, including, but not limited to, the following powers, provided  
23 that no subpoena shall be issued by the committee without the  
24 written consent of both co-chairs, the President of the Senate, and  
25 the Senate Minority Leader:

26 a. the powers conferred pursuant to chapter 13 of Title 52 of  
27 the Revised Statutes, including, but not limited to, the power to  
28 issue subpoenas to compel attendance and testimony of persons and  
29 the production of books, papers, correspondence, other documents  
30 and materials, and electronic records and data;

31 b. to hold hearings, take testimony under oath, and receive  
32 documentary or physical evidence relating to the matters and  
33 questions it is authorized to investigate or study;

34 c. to use any and all reasonable means of interviewing or fact-  
35 gathering, including, but not limited to, preliminary conferences or  
36 interviews;

37 d. to convene a meeting or hearing to determine the adequacy  
38 of the return and rule on the objection if a return on a subpoena or  
39 order for the production of documentary evidence is incomplete or  
40 accompanied by an objection;

41 e. to utilize the powers provided under R.S.52:13-3 or hold  
42 individuals or entities in contempt of the committee;

43 f. to make findings and reports to the Senate of any  
44 recommendations, including recommendations for enforcement, that  
45 the committee may consider appropriate with respect to the willful  
46 failure or refusal of any person to appear before it, to answer  
47 questions or give testimony during an appearance of that person as a  
48 witness, or to produce before the committee any books, papers,

1 correspondence, other documents and materials, and electronic  
2 records and data that the committee may request;

3 g. to respond to any judicial or other process, or to make  
4 application to the courts of this State, or any other state, or the  
5 United States;

6 h. to report possible violations of any law, rule, regulation, or  
7 code to appropriate federal, State, or local authorities; and

8 i. to adopt additional rules or procedures not inconsistent with  
9 this resolution.

10  
11 5. a. The New Jersey Voter Fraud Senate Investigatory  
12 Committee shall be entitled to call to its assistance and avail itself  
13 of the services of the employees of the State of New Jersey, any  
14 political subdivision of the State, and any agency thereof, as may be  
15 required and as may be available to it for that purpose, and to  
16 employ any other services as may be deemed necessary, in order to  
17 perform the duties provided herein, and within the limits of funds  
18 appropriated or otherwise made available to it for that purpose.

19 b. The New Jersey Voter Fraud Senate Investigatory  
20 Committee, upon the written approval of the President of the Senate  
21 and the Senate Minority Leader, shall be entitled to call to its  
22 assistance, employ, and avail itself of the services of one or more  
23 special counsel retained to assist the New Jersey Voter Fraud  
24 Senate Investigatory Committee.

25  
26 6. This Senate resolution shall take effect immediately.

27
