- Notwithstanding the provisions of any law or regulation to the contrary, the amounts 14 hereinabove appropriated from the Health Care Subsidy Fund for Charity Care payments are subject to the following condition: (a) a disproportionate share hospital eligible for 16 funding through the Charity Care program may decline all or part of its Charity Care payments for the fiscal year by notifying the Commissioner of Health on a form designated 18 by the Department of Health on or before the fifteenth day following enactment. If a disproportionate share hospital declines Charity Care payments for the fiscal year the 20 amount declined shall be redistributed in accordance with the provisions of section 3 of P.L.2004, c.113 (C.26:2H-18.59i), as modified by this act, subject to the approval of the 22 Director of the Division of Budget and Accounting; and (b) a disproportionate share hospital 24 that accepts Charity Care payments in the current fiscal year or in a prior fiscal year and is therefore determined through a hospital audit to have exceeded its hospital-specific disproportionate share hospital limit, potentially resulting in the State being required to 26 reimburse the federal government, shall have its Charity Care payments reduced by the amount of any such required reimbursement. In the event that the hospital is determined to 28 have exceeded its disproportionate share hospital limit by an amount greater than its Charity Care allocation for the current fiscal year, the entirety of its Charity Care allocation shall be 30 withheld and the hospital shall be subject to such additional reductions or repayments, or both, as may be determined by the Commissioner of Health to be necessary to ensure 32 compliance with federal and State requirements, subject to the approval of the Director of the Division of Budget and Accounting. In the event that a disproportionate share hospital 34 has its Charity Care payments reduced by the State pursuant to this paragraph, any amounts 36 so reimbursed shall be redistributed in accordance with the provisions of section 3 of P.L.2004, c.113 (C.26:2H-18.59i), as modified by the appropriations law in effect at the time 38 the hospital's reimbursed Charity Care allocation was authorized, subject to the approval of the Director of the Division of Budget and Accounting.
- Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Charity Care Subsidy is subject to the condition that participating hospitals shall demonstrate participation in the New Jersey Department of Health's New Jersey Health Information Network (NJHIN). In the event the hospital completed a merger, acquisition, or business combination resulting in 40 two cost reports filed during the calendar year, two cost reports will be combined into one or a supplemental cost report for the calendar year 2019 submitted by the affected acute care hospital by January 31, 2021 shall be used. In the event that a hospital did not report 42 its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care encounter days for 44 Medicaid and NJ FamilyCare clients as reported by insurers to the State as per source data 46 defined in (b) above; (d) Medicaid managed care DME cost begins with the intern and residency program costs using the 2019 submitted Medicaid cost report total residency costs, 48 reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I Column 22 Line 22 divided by the 2019 resident full time equivalent employees (FTE), reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per resident FTE for each 50 hospital; (e) median cost per resident FTE is calculated based on the average cost per resident FTE for each hospital; (f) the median cost per resident FTE is multiplied by the 52 2019 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 to develop total 54 median residency program cost for each hospital; (g) median residency costs are multiplied by the ratio of Medicaid managed care days, reported on Worksheet S-3 Column 7 Line 2, divided by the difference of total days, reported on Worksheet S-3 56 Column 8 Line 14, less nursery days, reported on Worksheet S-3 Column 8 Line 13 to determine the Medicaid managed care DME cost of each hospital; (h) Medicaid managed 58 care IME cost is defined as the Medicare IME factor multiplied by Medicaid managed care encounter payments as per source data defined in (b) above; (i) the IME factor is 60 calculated using the Medicare IME formula as follows: 1.35 * [(1 + x) $^0.405$ - 1], in which "x" is the ratio of submitted IME resident FTEs reported on Worksheet S-3 Pt 1 62 Column 9 Line 14 divided by the difference of total available beds, reported on 64 Worksheet S-3 Column 2 Line 14, less nursery beds, reported on Worksheet S-3 Column 2

08	Support of Patients in County Psychiatric Hospitals (PTRF)	(\$135,711,000)	0

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated for the same purpose.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State share of payments from the Support of Patients in County Psychiatric Hospitals 40account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125 percent of 42 the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period July 1 to December 31 and at the rate of 45 percent 44 of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period January 1 to June 30 such that the total amount to 46 be paid by the State on behalf of county indigent patients for the calendar year shall not exceed 85 percent of the total reasonable per capita cost; and further provided that the rate 48 at which the State will reimburse the county psychiatric hospitals shall not exceed 100 percent of the per capita rate at which each county pays to the State for the reasonable cost 50 of maintenance and clothing of each patient residing in a State psychiatric facility, excluding 52 the depreciation, interest, and carry-forward adjustment components of this rate, and including the depreciation, interest, and carry-forward adjustment components of each individual county psychiatric hospital's rate established for the period January 1 to 54 December 31 by the Commissioner of Human Services in consultation with the Commissioner of Health. The initial determination of whether a county hospital rate exceeds 56 the per capita rate that counties pay to the State on behalf of applicable patients residing in a State psychiatric facility will be based on a comparison of estimated cost used to set 58

reimbursement rates for the upcoming calendar year. A second comparison of the actual per diem costs of the county psychiatric hospital and State psychiatric hospitals will be completed after actual cost reports for the period are available including an inflationary adjustment for the six-month difference in fiscal reporting periods between State and county hospitals. The county hospital carry-forward adjustment to be included in rates paid by the State will exclude costs found to exceed 100 percent of the actual cost rate of the State psychiatric facilities.

- Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provision: payments to county psychiatric hospitals will only be made after receipt of their claims by the Division of Mental Health and Addiction Services. County psychiatric hospitals shall submit such claims no less frequently than quarterly and within 15 days of the close of each quarter.
- With the exception of all past, present, and future revenues representing federal financial participation received by the State from the United States that is based on payments to hospitals that serve a disproportionate share of low-income patients, which shall be retained by the State, the sharing of revenues received to defray the State Aid appropriation for the costs of maintaining patients in State and county psychiatric hospitals shall be based on the same percent as costs are shared between the State and counties.
- The amount hereinabove appropriated for State Aid reimbursement payments for maintenance 20 of patients in county psychiatric facilities shall be limited to inpatient services only, except that such reimbursement shall be paid to a county for outpatient and partial hospitalization 22 services as defined by the Department of Human Services, if outpatient and/or partial 24 hospitalization services had been previously provided at the county psychiatric facility prior to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed 26 the amount of State Aid funds paid to reimburse outpatient and partial hospitalization services provided during calendar year 1997. In addition, any revision or expansion to the 28 number of inpatient beds or inpatient services provided at such hospitals which will have a material impact on the amount of State Aid payments made for such services, must first be approved by the Department of Human Services before such change is implemented. 30
- The amount hereinabove appropriated for the Division of Mental Health and Addiction Services for State facility operations and the amount appropriated as State Aid for the costs of county facility operations are first charged to the federal Disproportionate Share Hospital (DSH) reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues earned by the State related to services provided by county psychiatric hospitals which are supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.
